

Omineca Mining and Metals Ltd.

**ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS
NOTICE-AND-ACCESS NOTICE**

Registered holders that have consented to the delivery of proxy-related materials from the Corporation electronically (“**Consenting Registered Owners**”) and non-registered (beneficial) shareholders (“**Beneficial Owners**”), and collectively with Consenting Registered Owners “**Eligible Shareholders**”) of the common shares of Omineca Mining and Metals Ltd. (the “**Corporation**”) are receiving this notice as the Corporation has elected to take advantage of the provisions of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* which came into force on February 11, 2013 (“**Notice-and-Access**”). Notice-and-Access is a set of rules that reduces the volume of materials that must be physically mailed to shareholders of reporting issuers by allowing companies to deliver proxy-related materials electronically by providing shareholders with access to these materials online. Notice-and-Access will be used to deliver the proxy-related materials to Eligible Shareholders. The Corporation will be using the procedure known as ‘stratification’ and deliver a paper copy of the proxy-related materials with this notice package to any non-Eligible Shareholders.

Under Notice-and-Access, Consenting Registered Owners still receive a form of proxy and Beneficial Owners receive either a form of proxy or voting instruction form enabling them to vote at the shareholders’ meeting. However, instead of a paper copy of the Notice of Meeting and Information Circular, Eligible Shareholders receive this notice with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and also will reduce the cost of printing and mailing proxy-related materials.
