TO BE HELD ON THURSDAY, NOVEMBER 18, 2021**

As at October 7, 2021

SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation by the management of Omineca Mining and Metals Ltd. (the “**Corporation**”) of proxies to be used at the annual and special meeting (the “**Meeting**”) of the shareholders of the Corporation (the “**Shareholders**”), which is to be held at McKercher LLP, 374 Third Avenue South, Saskatoon, Saskatchewan, on Thursday, November 18, 2021 at 10:00 AM (Saskatoon Time). Solicitation of proxies will be primarily by mail, but may also be undertaken by way of telephone, email, facsimile or oral communication by the directors and officers of the Corporation, at no additional compensation. The cost of the solicitation of proxies will be borne by the Corporation.

APPOINTMENT OF PROXYHOLDERS

Tom MacNeill and Andrew Davidson (the designees named in the accompanying form of proxy) are directors of the Corporation. **A Shareholder has the right to appoint a person (who need not be a Shareholder), other than Tom MacNeill or Andrew Davidson to represent such Shareholder at the Meeting.** To exercise this right, a Shareholder should insert the name of the other person in the blank space provided on the form of proxy. Alternatively, a Shareholder may complete another appropriate proxy form.

A proxy will not be valid unless it is deposited at the offices of Alliance Trust Company not less than forty-eight (48) hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof.

Registered shareholders may use the internet site at www.alliancetrust.ca to transmit their voting instructions. Registered shareholders should have the form of proxy in hand when they access the web site and will be prompted to enter their Control Number, which is located on the form of proxy. Registered shareholders can also return their proxies using the following methods: by mail or hand delivery at the offices of Alliance Trust Company at #1010, 407 – 2nd Street SW, Calgary, Alberta, T2P 2Y3; or by facsimile at 403-237-6181. If registered shareholders vote by internet, their vote must be received not later than 10:00 AM on Tuesday, November 16, 2021, or 48 hours prior to the time of any adjournment of the Meeting. **The website may be used to appoint a proxy holder to attend and vote on a Shareholder's behalf at the Meeting and to convey a Shareholder's voting instructions.**

REVOCAION OF PROXIES

A registered shareholder who has submitted a proxy may revoke it by a form in writing signed by the Shareholder or by an authorized attorney or, if the registered shareholder is a corporation, by a duly authorized officer, and deposited either: (i) by mail or hand delivery at the offices of Alliance Trust Company at #1010, 407 – 2nd Street SW, Calgary, Alberta, T2P 2Y3, at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof; (ii) at the offices of the Corporation at Suite 602, 224 - 4th Avenue South, Saskatoon, Saskatchewan, S7K 5M5, at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof; or (iii) with the Chair of the Meeting on the day of the Meeting or any adjournment thereof. In addition, a proxy may be revoked: (i) by the registered shareholder personally attending at the Meeting and voting the securities represented thereby or, if the registered shareholder is a corporation, by a representative of the corporation attending at the Meeting and voting such securities; or (ii) in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXYHOLDERS

The designees named in the accompanying form of proxy will vote or withhold from voting the shares in respect of which they are appointed, on any ballot that may be called for, in accordance with the direction of the Shareholder appointing them and if the Shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly. **In the absence of such direction, the relevant shares will be voted for: (i) fixing the number of directors to be elected at the meeting at three; (ii) the election of the directors as set forth in this Information Circular; (iii) the appointment of Crowe MacKay LLP, as auditors, at such remuneration as may be determined by the directors of the Corporation; and (iv) the annual approval of the Corporation's stock option plan as described in this Information Circular.** The accompanying form of proxy confers discretionary authority upon the persons named therein with respect to amendments to or variations of the matters identified in the Notice of Meeting and with respect to other matters that may properly be brought before the Meeting. As of the date hereof, management of the Corporation knows of no such amendments, variations or other matters to be brought before the Meeting.

SIGNING OF PROXY

A proxy must be signed by the Shareholder or his or her duly appointed attorney authorized in writing, or if the Shareholder is a corporation by a duly authorized officer. A proxy signed by a person acting as attorney or in some other representative capacity (including a representative of a corporate shareholder) should indicate that person's capacity (following his or her signature) and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has been previously filed with the Corporation).

NOTICE-AND-ACCESS

National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) and National Instrument 51-102 - *Continuous Disclosure Obligations* allow for the use of a “notice- and-access” regime for the delivery of proxy-related materials.

Under the notice-and-access regime, reporting issuers are permitted to deliver proxy-related materials by posting them on SEDAR as well as a website other than SEDAR and sending shareholders a notice package (the “**Notice-and-Access Notice**”) that includes: (i) the voting instruction form or proxy; (ii) basic information about the meeting and the matters to be voted on; (iii) instructions on how to obtain a paper copy of the materials; and (iv) a plain-language explanation of how the new notice-and-access system operates and how the materials can be accessed online. The Corporation has elected to send its Information Circular to Shareholders using the notice-and-access regime where possible. Distribution of the Corporation's Information Circular pursuant to the notice-and-access regime has the potential to substantially reduce printing and mailing costs and reduce our impact on the environment.

Notwithstanding the notice-and-access regime, Alberta's *Business Corporations Act* (“**ABCA**”) requires the Corporation to:

- (i) deliver a paper copy of its annual financial statements to a registered Shareholder unless such registered Shareholder informs the Corporation in writing that it does not want a copy of the annual financial statements or provides written consent to electronic delivery; and
- (ii) deliver a paper copy of the Information Circular to a registered Shareholder unless such Shareholder provides written consent to electronic delivery.

In order to ensure compliance with the ABCA, registered Shareholders who have not yet consented to electronic delivery will be mailed a copy of the Information Circular. As a result, the Corporation will mail the proxy-related materials for the Meeting to registered Shareholders from whom consent to electronic delivery has not been received.

Any Shareholder who receives a Notice-and Access Notice and wishes to receive a paper copy of the Information Circular must make contact with the Corporation's transfer agent, Alliance Trust Company at #1010, 407 – 2nd Street SW, Calgary, Alberta, T2P 2Y3 or by phone at 1 (403) 237-6111 or by email by emailing inquiries@alliancetrust.ca. In order to ensure that a paper copy of the Information Circular can be delivered to a requesting Shareholder in time for such Shareholder to review the Information Circular and return a proxy or voting instruction form prior to the proxy deadline, it is strongly suggested that a Shareholder ensure their request is received no later than five (5) business days in advance of the proxy return time set out in the form of proxy or voting instruction form.

DELIVERY OF MEETING MATERIALS

In accordance with the provisions of NI 54-101 the Corporation will distribute or cause its agents to distribute copies of the meeting materials Shareholders.

If you are a Beneficial Owner (as defined below) and the Corporation has sent these materials directly to you, your name, address and information about your share holdings have been obtained from the lists of non-objecting beneficial owners as of the Record Date (as defined below) by or on behalf of the Corporation in accordance with the procedures under NI 54-101. Beneficial Owners who have objected to the disclosure of ownership information about themselves will receive the meeting materials through Broadridge Financial Solutions, or another agent. *By choosing to send meeting materials to Beneficial Owners directly, the Corporation (and not the intermediary holding shares on behalf of the Beneficial Owners) has assumed responsibility for (i) delivering the meeting materials to Beneficial Owners and (ii) executing the respective Beneficial Owners proper voting instructions.* The purpose of these procedures is to obtain voting instructions from the Beneficial Owners so as to permit the Beneficial Owners to direct the voting of the shares they beneficially own.

If your shares are registered in your name, the form of proxy will be a proxy form. If your shares are held by or through an intermediary, the form will be a voting instruction form or a proxy form. A Beneficial Owner receiving a voting instruction form/proxy form cannot use that voting instruction form/proxy form to vote shares directly at the Meeting. As discussed herein, the voting instruction form/form of proxy must first be returned to the Corporation's registrar and transfer agent in advance of the Meeting in order to have the shares voted.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF COMMON SHARES

Voting of Common Shares - General

As of September 27, 2021, there are 130,186,901 common shares of the Corporation (“**Common Shares**”) issued and outstanding, each of which carries the right to one vote at meetings of the Shareholders.

Only persons registered as holders of Common Shares as of the close of business on October 6, 2021 (the “Record Date”) are entitled to receive notice of and to vote at the Meeting, except that any person who acquires Common Shares of the Corporation from a Shareholder after that date, may vote the Common Shares so acquired if, not later than 10 days prior to the Meeting, that person makes a request to Alliance Trust Company to have his, her, or its name included on the Shareholders' list for the Meeting and establishes that it owns Common Shares.

Voting of Common Shares - Advice to Beneficial Owners

Subject to the provisions of NI 54-101, only registered holders of Common Shares (the “**Registered Shareholders**”) are entitled to receive notice of the Meeting and only Registered Shareholders or their duly appointed proxies are entitled to vote at the Meeting. Most owners of Common Shares are not Registered Shareholders because their shares are registered in the name of CDS & Co., as nominee of CDS Clearing and Depository Services Inc. (“**CDS**” or the “**Depository**”) pursuant to the

book-entry system operated by CDS (the “**Book-Entry System**”). Shares represented by certificates registered in the name of the Depository are held by the Depository on behalf of various dealers, brokers or other participants in the Book-Entry System who in turn hold those shares (directly or indirectly through one or more other Intermediaries) for the respective customers and accounts of such Intermediaries (the “**Beneficial Owners**”).

As a Beneficial Owner, you may vote or cause your shares to be voted at the Meeting in any one of the following ways:

(a) Voting in Person: If you plan to attend the Meeting and wish to vote your shares in person, insert your own name in the space provided on the voting instruction form or form of proxy. Then sign and return the voting instruction form or form of proxy to the offices of Alliance Trust Company by (i) facsimile at 403-237-6181; (ii) by mail via the proxy return envelope provided; or (iii) online at www.alliancetrust.ca, by not later than 10:00 a.m. (Calgary time) on Tuesday, November 16, 2021 (or, in the case of an adjournment of the Meeting, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the adjourned Meeting).

(b) Voting Instructions: Whether or not you attend the Meeting, you can appoint someone else to attend and vote as your proxyholder. Use the voting instruction form or form of proxy to do this. The persons named in the voting instruction form or form of proxy are officers of the Corporation. You can choose another person to be your proxyholder by printing that person’s name in the space provided. After selecting your proxy sign and return the voting instruction form to the offices of Alliance Trust Company by (i) facsimile at 403-237-6181; (ii) by mail via the proxy return envelope provided; or (iii) online at www.alliancetrust.ca, by not later than 10:00 a.m. (Calgary time) on Tuesday, November 16, 2021 (or, in the case of an adjournment of the Meeting, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the adjourned Meeting). Your votes can only be counted if the person you appoint attends the Meeting and votes on your behalf.

A Beneficial Owner has the right to revoke a submitted voting instruction form or form of proxy at any time prior to its use. To do so, the Beneficial Owner may deliver a written notice (i) by mail or hand delivery at the offices of Alliance Trust Company at #1010, 407 – 2nd Street SW, Calgary, Alberta, T2P 2Y3, at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof; (ii) at the offices of the Corporation at Suite 602, 224 - 4th Avenue South, Saskatoon, Saskatchewan, S7K 5M5, at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof; or (iii) with the Chair of the Meeting on the day of the Meeting or any adjournment thereof, and, additionally, may make a revocation in any other manner permitted by law. The written notice of revocation must be signed by the Beneficial Owner or by an attorney who has the Beneficial Owner’s written authorization. If the Beneficial Owner is a corporation, the written notice must be signed by its duly authorized officer or attorney.

Oversight and Description of Director and NEO Compensation

The Board has not created or appointed a compensation committee given the Corporation's current size and stage of development. All tasks related to developing and monitoring the Corporation's approach to the compensation of its named executive officers and directors are performed by the Board as a whole. The compensation of the named executive officers, directors and the Corporation's employees or consultants is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. Named executive officers that are also directors of the Corporation are involved in discussions relating to compensation, and disclose their interest in and abstain from voting on compensation decisions relating to them, as applicable, in accordance with the applicable corporate legislation.

The Corporation's compensation program is intended to attract, motivate, reward and retain the management talent needed to achieve the Corporation's business objectives of improving overall corporate performance and creating long-term value for the shareholders. The compensation program is intended to reward executive officers on the basis of individual performance and achievement of corporate objectives, including the advancement of the exploration and development goals of the Corporation. The Corporation's current compensation program is comprised of three major components: base salary or fees, short term incentives such as discretionary bonuses and long-term incentives such as stock options.

The Board believes that the granting of options is an effective way to support the achievement of the Corporation's long-term performance objectives, ensure executive, employee and consultant commitment to the longer term interests of the Corporation and its shareholders and provide compensation opportunities to attract, retain and motivate employees critical to the success to the Corporation.

In making compensation decisions, the board strives to find a balance between short-term and long-term compensation and cash versus equity incentive compensation. Base salaries or fees and discretionary cash bonuses primarily reward recent performance and incentive stock options encourage named executive officers and directors to continue to deliver results over a longer period of time and serve as a retention tool. The annual salary or fee for each NEO, as applicable, is determined by the Board based on the level of responsibility and experience of the individual, the relative importance of the position to the Corporation, the professional qualifications of the individual and the performance of the individual over time. The named executive officers' performances and salaries or fees are to be reviewed periodically. Increases in salary or fees are to be evaluated on an individual basis and are performance-based. The amount and award of cash bonuses to key executives and senior management is discretionary, depending on, among other factors, the financial performance of the Corporation and the position of a participant.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

None of the directors or officers of the Corporation, any proposed management nominee for election as a director of the Corporation or any associate of any director, officer or proposed management nominee is or has been indebted to the Corporation at any time during the last completed financial year.

DIRECTORS' AND OFFICERS' LIABILITY INSURANCE

The Corporation has insurance policies for the benefit of its directors and officers against liability incurred by them in the performance of their duties as directors and officers of the Corporation. These policies do not specify that any part of the premium is to be paid in respect of either directors as a group or officers as a group. Premiums are paid by the Corporation. The current annual limit is \$2 million per claim per policy period, subject to a corporate deductible of \$15,000 per claim.

ANNUAL APPROVAL OF STOCK OPTION PLAN RESOLUTION

In accordance with policy 4.4 of the TSX Venture Exchange a Corporation that has a rolling stock option plan must have the Shareholders approve the plan on an annual basis. In accordance with this policy, shareholders are being asked to consider and, if deemed advisable, approve the Corporation's stock option plan adopted on May 18, 2011 (the "**Plan**"). A copy of the Plan is available for viewing under the Corporation's profile on the SEDAR website: www.sedar.com, and copies are also available from the Corporation upon request.

Summary of the Plan

The Plan authorizes the Board to issue options to directors, officers, key employees and others who are in a position to contribute to the future success and growth of the Corporation. Options granted pursuant to the Plan will not exceed a term of ten years and are granted at an option price and on other terms which the directors determine is necessary to achieve the goal of the Plan and in accordance with regulatory policies. The option price may be at a discount to market price, which discount will not, in any event, exceed that permitted by any stock exchange on which the Corporation's shares are listed for trading.

The number of common shares allocated to the Plan will be determined by the Board from time to time. The aggregate number of shares reserved for issuance under the Plan may not exceed 10% of the issued and outstanding shares. In addition, the aggregate number of shares so reserved for issuance in any 12-month period to any one person shall not exceed 5% (unless the Corporation has received disinterested shareholder approval), or to any one consultant shall not exceed 2%, or to all persons conducting investor relations activities shall not exceed 2 percent, of the issued and outstanding shares.

The Common Shares, when fully paid for by a participant, are not included in the calculation of Common Shares allocated to or within the Plan. Should a participant cease to be eligible due to the loss of corporate office (being that of an officer or director) or employment, the option shall cease for varying reasonable periods, not to exceed 12 months, as determined by management at the time of grant. Loss of eligibility for consultants is regulated by specific rules imposed by the directors when the option is granted to the appropriate consultant. The Plan also provides that estates of deceased participants can exercise their options for a period not exceeding 12 months following death.

The Board may from time to time make rules, regulations and amendments to the Plan. Should any rule, regulation or amendment materially differ from the provisions set out in this Information Circular, the Corporation shall obtain the necessary regulatory or shareholder approvals.

As at September 27, 2021, the maximum number of shares that could be reserved for issuance under the Plan was 13,018,590 (representing 10% of issued and outstanding shares of the Corporation), of which an aggregate of 10,525,000 were issued and outstanding (representing 8.1% of the issued and outstanding shares of the Corporation).

The approval by Shareholders requires a favorable vote of a majority of the Common Shares voted in respect thereof at the Meeting. The TSX Venture Exchange requires such approval before it will allow the adoption of the Plan. In the event the Plan is not approved by the Shareholders at the Meeting it shall cease to be effective for future grants.

The text of the resolution regarding this matter is as follows:

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

Pursuant to National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“NI 58-101”), the Corporation is required to disclose its corporate governance practices in compliance with NI 58-101, as summarized below.

Board of Directors

The board of directors of the Corporation (the “**Board**”) facilitates its exercising of independent supervision over management through meetings of the Board and both directly and indirectly through committees. The Board currently consists of three directors who provide the Corporation with a wide diversity of business experience. One of the current directors (representing 33.33% of the Board), being Mr. Sylvain Laberge, is an independent director. The independent director has no direct or indirect material relationship with the Corporation, including any business or other relationship, which could reasonably be expected to interfere with the director’s ability to act with a view to the best interests of the Corporation or which could reasonably be expected to interfere with the exercise of the director’s independent judgment.

Two of the current directors (Mr. MacNeill and Mr. Davidson) are not independent directors. Mr. MacNeill is not independent because he currently holds an executive position with the Corporation (President and Chief Executive Officer). Mr. Davidson is not independent because he currently holds an executive position with the Corporation (Chief Financial Officer).

The Board intend to hold at least four regular meetings each year, as well as additional meetings as required. The Board has not established any required attendance levels for Board and committee meetings. In setting the regular meeting schedule, care is taken to ensure that meeting dates are set to accommodate directors’ schedules so as to encourage full attendance.

The independent members of the Board are authorized to retain independent financial, legal and other experts as required whenever, in their opinion, matters come before the Board that require an independent analysis by the independent members of the Board.

Directorships

The following directors currently serve on the Board of the reporting issuers (or equivalent) listed below, each of which are reporting issuers in one or more Canadian jurisdictions:

Name of Director	Reporting Issuer
Tom MacNeill	1844 Resources Inc. (formerly Gespeg Resources Inc.) 49 North Resources Inc. EROS Resources Corp. Omineca Mining and Metals Ltd. RHC Capital Corporation Royal Helium Ltd. Westcore Energy Ltd.

Name of Director	Reporting Issuer
Andrew Davidson	1844 Resources Inc. (formerly Gespeg Resources Inc.) 49 North Resources Inc. MAS Gold Corp. Omineca Mining and Metals Ltd. RHC Capital Corporation Royal Helium Ltd. Southern Empire Resources Corp. Westcore Energy Ltd.
Sylvain Laberge	1844 Resources Inc. (formerly Gespeg Resources Inc.) Gespeg Copper Resources Inc. Omineca Mining and Metals Ltd. Royal Helium Ltd.

Orientation and Continuing Education

The Corporation has not adopted a formalized process of orientation for new members of the Board. However, all directors have been provided with a base line of knowledge about the Corporation which serves as a basis for informed decision making. This includes a combination of written material, in person meetings with senior management of the Corporation, site visits and other briefings and training, as appropriate.

Directors are kept informed as to matters impacting, or which may impact, the Corporation's operations through reports and presentations at the quarterly Board meetings. Special presentations on specific business operations are also provided to the Board.

Ethical Business Conduct

Each director is expected to disclose all actual or potential conflicts of interest and refrain from voting on matters in which such director has a conflict of interest. In addition, the director must excuse himself from any discussion or decision on any matter of which the director is precluded from voting as a result of a conflict of interest.

The Board has reviewed and approved, an insider trading policy for the Corporation, in order to promote consistent practices in this regard.

National Instrument 52-110 *Audit Committees* (“**NI 52-110**”) require the audit committee to establish formal procedures for: (a) the receipt, retention, and treatment of complaints received by the Corporation regarding accounting, internal accounting controls, or auditing matters and, (b) the confidential, anonymous submission by consultants or employees of the Corporation, of concerns regarding questionable accounting or auditing matters. The Corporation is committed to achieving compliance with all applicable securities laws and regulations, accounting standards, accounting controls and audit practices.

Nomination of Directors

The Board does not have a stand-alone nominating committee. Nominations of directors are proposed, considered and approved by the Board as a whole.

Compensation

The Board does not currently have an active stand-alone compensation committee. The Board as a whole has carried out this responsibility for the past several years. It is the intention of the

Board to implement a compensation committee in the near future.

Board Committees and Their Mandates

The Board has one formal committee, the audit committee. See “**Audit Committee**” in the attached Information Circular, below. The audit committee meets at least on a quarterly basis to review and approve the Corporation’s financial statements prior to being publicly filed.

The audit committee reviews the Corporation's interim unaudited financial statements and annual audited financial statements and certain corporate disclosure documents including management's discussion and analysis and any annual and interim earnings news releases before they are approved by the Board. The audit committee reviews and makes a recommendation to the Board in respect of the appointment and compensation of the external auditors and it monitors accounting, financial reporting, control and audit functions. The audit committee meets to discuss and review the audit plans of external auditors and is directly responsible for overseeing the work of the external auditors with respect to preparing or issuing the auditors’ report or the performance of other audit, review or attest services, including the resolution of disagreements between management and the external auditors regarding financial reporting. The audit committee questions the external auditors independently of management and reviews a written statement of its independence based on the criteria found in the recommendations of the Chartered Professional Accountants of Canada. The audit committee must be satisfied that adequate procedures are in place for the review of the Corporation's public disclosure of financial information extracted or derived from its financial statements and it periodically assesses the adequacy of those procedures. The audit committee must approve or pre-approve, as applicable, any non-audit services to be provided to the Corporation by the external auditors. In addition, it reviews and reports to the Board on the Corporation's risk management policies and procedures and reviews the internal control procedures to determine their effectiveness and to ensure compliance with the Corporation's policies and avoidance of conflicts of interest. The audit committee has established procedures for dealing with complaints or confidential submissions which come to its attention with respect to accounting, internal accounting controls or auditing matters. To date, neither the Board nor the audit committee has formally assessed any individual director with respect to their effectiveness and contribution to the Corporation in their capacity as a director. Instead, members of the Board have relied on informal conversations among themselves to adequately cover such matters.

Assessments

Being a venture issuer with limited administrative resources, the Corporation has not commenced a formal process of assessing the Board and its committees or the individual directors. To date the Board has satisfied itself, through informal discussion, that the directors and committees are performing effectively.
