The Meeting will be held for the following purposes:

The foregoing items of business are more fully described in the Proxy Statement accompanying this Notice.

In accordance with applicable securities laws that allow us to furnish our proxy materials over the Internet, we are mailing to most of our shareholders a Notice of Internet Availability of Proxy Materials (the “**Notice**”) instead of a paper copy of the proxy materials. The Notice contains instructions on how to access those documents over the Internet and how to submit your proxy via the Internet. The Notice also contains instructions on how to request a paper copy of the proxy materials. The proxy materials are available via the internet at www.4frontventures.com, www.alliancetrust.ca/shareholders/ or on the System for Electronic Document Analysis and Retrieval (SEDAR) at www.sedar.com.

You will find more information on the matters for voting in the Proxy Statement on the following pages. If you are a shareholder of record, you may vote by mail, by toll-free telephone number or, by using the Internet.

Your vote is important! We strongly encourage you to exercise your right to vote as a shareholder. Please sign, date and return the enclosed proxy card or voting instruction card in the envelope provided, call the toll-free number or log on to the Internet. You may revoke your proxy at any time before it is exercised.

You will find instructions on how to vote beginning on page 3 of the proxy statement. Most shareholders vote by proxy and do not attend the Meeting in person. However, as long as you were a shareholder at the close of business on May 6, 2022, you have the right to vote on the proposals being presented at the Meeting, such that you are invited to attend the Meeting, or to send a representative.

If you are a registered shareholder, you are requested to either: (i) date and sign the form of proxy and return it to the Company’s registrar and transfer agent, Alliance Trust Company, 1010, 407 – 2nd Street S.W., Calgary, Alberta, T2P 2Y3; or (ii) complete the form of proxy online at www.alliancetrust.ca/shareholders/ at any time prior to the close of business on the second to last business day preceding the day of the Meeting. In order to be valid, proxies must be received by Alliance Trust Company not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time set for the holding of the Meeting or any adjournment or postponement thereof. If you are not a registered shareholder and receive these materials through your broker or through another intermediary, please complete and

return the form of proxy or voting instruction form in accordance with the instructions and within the timeframe provided to you by your broker or by the other intermediary.

The persons named in the form of proxy you receive are directors and/or officers of the Company. Each shareholder has the right to appoint a proxyholder other than such persons, who need not be a shareholder, to act for such shareholder and on such shareholder's behalf at the Meeting. To exercise such right, the names of the nominees of management should be crossed out and the name of the shareholder's appointee should be legibly printed in the blank space provided.

PROXY STATEMENT
FOR
ANNUAL GENERAL MEETING OF SHAREHOLDERS
TO BE HELD JUNE 22, 2022

DATED MAY 12, 2022

The enclosed proxy (the “**Proxy Statement**”) is being solicited on behalf of the board of directors (the “**Board**”) of 4Front Ventures Corp. (the “**Company**”) for use at the Annual General Meeting of Shareholders (the “**Annual General Meeting**” or the “**Meeting**”) to be held on June 22, 2022 at 10:00 a.m. (Phoenix Time)/1:00 p.m. (Eastern Standard Time) at our offices at 5060 N. 40th Street, Suite 120, Phoenix, Arizona 85018, or at such other time and place to which the Meeting may be adjourned or postponed. Proxies, together with copies of the Notice, are being mailed to shareholders of record entitled to vote at the Meeting on or about May 12, 2022.

Execution and return of the enclosed proxy will not affect a registered shareholder’s right to attend the Meeting and to vote in person at the Meeting. Any shareholder executing a proxy retains the right to revoke such proxy at any time prior to exercise at the Meeting. A proxy may be revoked by delivery of written notice of revocation to the Secretary of the Company, by execution and delivery of a later proxy or by voting the shares in person at the Meeting. If you attend the Meeting and vote in person by ballot, your proxy will be revoked automatically and only your vote at the Meeting will be counted. A proxy, when executed and not revoked, will be voted in accordance with the instructions thereon. In the absence of specific instructions, proxies will be voted by those named in the proxy “**FOR**” the election as directors of those nominees named in the Proxy Statement, “**FOR**” the approval of each of the other proposals described in this Proxy Statement, and in accordance with the Board’s best judgment on all other matters that may properly come before the Meeting. The enclosed form of proxy card provides a method for shareholders to withhold authority to vote for any one or more of the nominees for director while granting authority to vote for the remaining nominees. The names of all nominees are listed on the proxy.

Note that if you hold multiple classes of shares or hold some shares as a registered holder and others as a beneficial holder you will receive multiple mailing packages, each containing a form of proxy or voting instruction form, as applicable. You are requested to return or otherwise vote all forms of proxy and voting instruction forms received to ensure the votes attached all of the shares you hold are counted.

ADVICE TO BENEFICIAL HOLDERS OF SHARES

The information set forth in this section is of significant importance to many shareholders, as a substantial number of shareholders do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this document as “**Beneficial Shareholders**”) should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered shareholders can be recognized and acted upon at the Meeting. If shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in the shareholder’s name on the records of 4Front. Such shares will more likely be registered under the names of the shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting Shares for the broker’s clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided to registered shareholders; however, its purpose is limited to instructing the registered shareholder how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically mails a scannable voting instruction form in lieu of the form of proxy. The Beneficial Shareholder is requested to complete and return the voting instruction form to them by mail or facsimile. Alternatively, the Beneficial Shareholder can call a toll-free telephone number or visit www.proxyvote.com to vote the Shares held by the Beneficial Shareholder. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. A Beneficial

Shareholder receiving a voting instruction form cannot use that voting instruction form to vote shares directly at the Meeting as the voting instruction form must be returned as directed by Broadridge well in advance of the Meeting in order to have the shares voted.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting shares registered in the name of his or her broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for a registered shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their shares as proxyholder for a registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

The Company intends to send proxy related materials indirectly through intermediaries and brokers to non-objecting beneficial owners under National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer*. The Company will not pay for the costs of delivery of proxy related materials to objecting beneficial owners. The Company is using notice-and access procedures for distributing proxy related materials to shareholders.

RECORD DATE AND VOTING SECURITIES

Only shareholders of record at the close of business on May 6, 2022 (the "**Record Date**"), are entitled to notice of, and to vote at, the Meeting. The stock transfer books of the Company will remain open between the Record Date and the date of the Meeting. The authorized capital of the Company consists of an unlimited number of Class A Subordinate Voting Shares ("**SVS**") and an unlimited number of Class C Multiple Voting Shares ("**MVS**" and collectively with the SVS, the "**Shares**").

On the Record Date, the Company had 636,636,686 SVS outstanding, held of record by 197 holders and 1,276,208 MVS outstanding, held of record by 5 holders. As of that date, the SVS represented approximately 38% of the voting rights attached to the outstanding securities of the Company and the MVS represented approximately 62% of the voting rights attached to the outstanding securities of the Company.

The SVS are considered "restricted securities" (as such term is defined in National Instrument 51-102 - *Continuous Disclosure Obligations*) and "restricted shares" (as such term is defined in Ontario Securities Commission Rule 56-501 - *Restricted Shares*), as the Company's MVS carry a greater number of votes per security than the SVS. The Company, Alliance Trust Company (as trustee for the benefit of the holders of SVS (the "**SVS Holders**") and all of the holders of the MVS are party to a coattail agreement dated July 31, 2019 (the "**Coattail Agreement**") in order to ensure that the SVS Holders will not be deprived of any rights under applicable take-over bid legislation to which they would have been entitled in the event of a take-over bid for the MVS (as if such sale was a take-over bid for the purposes of the *Securities Act* (Ontario)) as if the MVS had been SVS. See the Company's Annual Report on Form 10-K for the year ended December 31, 2021 for a summary of the rights, privileges, restrictions and conditions attached to the SVS and MVS.

Pursuant to the Coattail Agreement, subject to certain exceptions for permitted sales, and subject to the articles of the Company, the MVS holders cannot sell, directly or indirectly, any MVS pursuant to a take-over bid (as defined in applicable Canadian securities laws) under circumstances in which such securities laws would have required the same offer to be made to all or substantially all of the SVS Holders if the sale by the MVS holders had been a sale of the SVS rather than such MVS, but otherwise on the same terms. In respect of the exceptions referenced above, the foregoing restriction will not apply to: (i) a sale by any MVS holder of the MVS if a concurrent offer is made to purchase SVS that offers the same or better economics, take-up rules and conditions (and is otherwise identical); and (ii) a transfer of MVS that triggers a "purchase obligation" as contemplated by the articles of the Company. The Coattail Agreement is available under the Company's SEDAR profile at www.sedar.com.

PRINCIPAL HOLDERS OF VOTING SECURITIES

As of the date hereof, to the knowledge of the directors and executive officers of the Company, the only persons who beneficially own, or control or direct, directly or indirectly, Shares carrying 10% or more of the voting rights attached to all outstanding Shares of each class are set out below:

The percentage of Shares beneficially owned is computed on the basis of 636,636,686 SVS and 1,276,208 MVS outstanding as of the Record Date.

Name	SVS	Percentage SVS	MVS	Percentage MVS
Joshua Rosen	22,546,216	3.5%	309,290	24.2%
Karl Chowscano	25,131,280	3.9%	338,685	26.5%
Andrew Thut	11,758,628	1.8%	147,914	11.6%

Trevor Pratte	25,689,276	4.0%	342,353	26.8%
Kris Krane	10,415,280	1.6%	137,966	10.8%

QUORUM AND VOTING

Under the articles of the Company, a quorum of shareholders is present if the holders of not less than 5% of the shares entitled to vote at the meeting are present in person or represented by proxy, and at least two (2) persons entitled to vote at the meeting are present at the meeting. SVS Holders are entitled to one (1) vote for each SVS held on each matter to be voted on at the Meeting including the election of directors and holders of MVS are entitled to eight-hundred (800) votes for each MVS held on each matter to be voted on at the Meeting including the election of directors of the Company. All votes will be tabulated by the scrutineer appointed for the Meeting. Assuming the presence of a quorum, the following paragraphs describe the vote required by the shareholders of record to approve each of the proposals to be voted on set forth in this Proxy Statement.

- **Proposal One.** The affirmative vote of a majority of the votes cast by the holders of the SVS and MVS voting together as a single class entitled to vote at the Meeting and present in person or by proxy, is required to set the number of directors of the Company at seven (7).
- **Proposal Two.** The nominees for director who receive the most votes cast by the holders of the SVS and MVS voting together as a single class entitled to vote at the Meeting and present in person or by proxy (also known as “plurality” of the votes cast) will be elected.
- **Proposal Three.** The affirmative vote of a majority of the votes cast by holders of the SVS and MVS voting together as a single class entitled to vote at the Meeting and present in person or by proxy, is required for the appointment of Davidson & Company LLP (“**Davidson**”) as our auditor and to authorize the Board to fix the remuneration thereof.

The Board recommends a vote “FOR” each of proposals set forth in this Proxy Statement.

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS

Below are instructions on how to vote, as well as information on your rights as a shareholder as they relate to voting. Some of the instructions vary depending on how your stock is held. It’s important to follow the instructions that apply to your situation.

Why am I receiving these materials?

The Company has made these materials available to you on the Internet in connection with the Company’s solicitation of proxies for use at the Meeting, and at any postponement(s) or adjournment(s) thereof. These materials are first being sent or given to shareholders on or about May 12, 2022. This Proxy Statement gives you information on how to vote your proxy, and the proposals to be presented at the Meeting so that you can make an informed decision.

In this Proxy Statement, we refer to 4Front Ventures Corp. as the “Company,” “we,” “us” or “our.” All references to dollars or \$ are to United States dollars. All references to CAD\$ or C\$ are to Canadian dollars.

What is included in these materials?

These materials (the “**Proxy Materials**”) include:

- Notice of Meeting;
- this Proxy Statement for the Meeting; and
- the Company’s Annual Report on Form 10-K and Form 10-K/A for the year ended December 31, 2021, each as filed with the Securities and Exchange Commission (the “**SEC**”) and on the System for Electronic Document Analysis and Retrieval (“**SEDAR**”) on April 22, 2022 (collectively, the “**Annual Report**”).

If you requested printed versions of these proxy materials by mail, these materials also include the proxy card or voting instruction form for the Meeting.

How can I get access to the Proxy Materials?

We are pleased to take advantage of applicable securities rules that allow us to furnish our Proxy Materials over the Internet. As a result, we are mailing to most of our shareholders a Notice of Internet Availability of Proxy Materials (the “**Notice**”) instead of a paper copy of the Proxy Materials. The Notice contains instructions on how to access those documents over the Internet and how to submit your proxy via the Internet.

The Notice also contains instructions on how to request a paper copy of the Proxy Materials. Any Shareholder who wishes to receive a paper copy of the Proxy Material must contact the Company’s registrar and transfer agent, Alliance Trust Company, at #1010, 407 – 2nd Street SW, Calgary, Alberta, T2P 2Y3 or by phone at (403) 237- 6111 or by email by emailing inquiries@alliancetrust.ca. In order to ensure that a paper copy of the Proxy Material can be delivered to a requesting Shareholder in time for such Shareholder to review the Proxy Material and return a form of proxy or voting instruction form prior to the proxy deadline, it is strongly suggested that a shareholder ensure their request is received no later than ten (10) business days in advance of the return time set out in the voting instruction form and/or form of proxy, as applicable.

All shareholders who do not receive the Notice will receive a paper copy of the Proxy Materials by mail or an electronic copy of the Proxy Materials by e-mail. This process allows us to provide our shareholders with the information they need in a more timely manner, while reducing the environmental impact and lowering the costs of printing and distributing the Proxy Materials. This Proxy Statement and the Annual Report are available at www.4frontventures.com and www.sedar.com.

How do I participate in the Meeting?

This year’s Annual General Meeting will be held at our offices at 5060 N. 40th Street, Suite 120, Phoenix, Arizona 85018. You are entitled to participate in the Meeting if you were a shareholder as of the close of business on the Record Date, or hold a valid proxy for the meeting.

What items of business will be voted on at the Meeting?

The items of business scheduled to be voted on at the Meeting are:

- (1) to set the number of directors of the Company at seven (7) (Proposal One);
- (2) to elect seven (7) directors to serve until the next Annual General Meeting or until their respective successors are duly elected or qualified (Proposal Two)
- (3) to appoint Davidson as our auditor for the fiscal year ending December 31, 2022 and to authorize the directors to fix their remuneration (Proposal Three); and
- (4) to transact such other business as may properly come before the Meeting or any adjournments or postponement thereof.

How does the Board recommend that I vote?

The Board recommends a vote “**FOR**” each of the proposals (including each director nominee) set forth in this Proxy Statement.

Who can vote at the Meeting?

Shareholders who owned Shares on the Record Date may attend and vote at the Meeting.

How many votes am I entitled to per share?

Each SVS entitles the holder thereof to one (1) vote on each proposal (and each director nominee) at the Meeting. Each MVS entitles the holder thereof to eight-hundred (800) votes on each proposal (and each director nominee) at the Meeting.

There were 636,636,686 SVS and 1,276,208 MVS outstanding on the Record Date. There are no cumulative voting rights. Information about the holdings of Shares by our directors and executive officers is contained in the section of this Proxy Statement entitled “*Security Ownership of Certain Beneficial Owners and Management*”.

What is the difference between a shareholder of record and a beneficial owner of Shares held in street name?

If your Shares are registered directly in your name through Alliance Trust Company, the Company’s transfer agent, you are considered a “shareholder of record.” If your Shares are held in a brokerage account or bank, you are considered a “street name” holder.

How do I vote if Shares are registered in my name (as a shareholder of record)?

By Mail: Sign, date and return the enclosed proxy card in the postage paid envelope provided.

By Telephone or Internet: Call the toll-free number listed on your proxy card, log on to the website listed on your proxy card or scan the QR code on your proxy card and follow the simple instructions provided.

By Attending the 2022 Annual General Meeting: Come to the Annual General Meeting, and if previously submitted a proxy, withdraw your earlier proxy and vote at the Annual General Meeting in person.

The “*Telephone or Internet*” voting procedures are designed to allow you to vote your Shares and to confirm that your instructions have been properly recorded consistent with applicable law. Please see your proxy card for specific instructions. Shareholders who wish to vote over the Internet should be aware that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, and that there may be some risk a shareholder’s vote might not be properly recorded or counted because of an unanticipated electronic malfunction.

How do I vote if my Shares are held in “street name?”

You should give instructions to your broker on how to vote your Shares.

If you do not provide voting instructions to your broker, your broker may have discretion to vote those Shares on matters that are routine. However, a broker may not be able to vote Shares on non-routine matters without your instructions. Accordingly, your broker may not have the discretion to vote Shares as to which you have not provided voting instructions with respect to any of these matters or may seek them from you.

What is the proxy card?

The proxy card enables you to appoint Kathi Lentzsch, our Chair of the Board, and Robert Hunt, a director of the Company as your representatives at the Meeting. By completing and returning the proxy card, you are authorizing these persons to vote your Shares at the Meeting in accordance with your instructions on the proxy card. This way your Shares will be voted whether or not you attend the Annual General Meeting. Even if you plan to attend the Meeting, it is strongly recommended you complete and return your proxy card before the Meeting date just in case your plans change. If a proposal comes up for vote at the Meeting that is not on the proxy card, the proxy will vote your Shares, under your proxy, according to their best judgment to the extent permissible by applicable law.

Can I revoke my proxy or change my vote after I have voted?

If your Shares are registered in your name, you may revoke your proxy at any time before it is exercised. There are several ways you can do this:

- by delivering a written notice of revocation to the Secretary of the Company;
- by executing and delivering another proxy that bears a later date;
- by voting by telephone at a later time;
- by voting over the Internet at a later time; or
- by voting in person at the Meeting.

If your Shares are held in street name, you must contact your broker to revoke your proxy.

How are votes counted?

In tallying the results of the voting, the Company will count all properly executed and unrevoked proxies that have been received in time for the Meeting. To hold a meeting of shareholders, a quorum of the SVS and MVS is required to be represented either in person or by proxy at the Meeting.

A simple majority of affirmative votes cast in person or by proxy at the Meeting is required to pass the resolution(s) contemplated by Proposals One and Three.

What are my options when voting on Proposal One?

When voting on Proposal One, you have two options:

- Vote FOR; or
- Vote AGAINST

Proposal One requires the affirmative vote of a majority of the votes cast by the holders of the SVS and MVS voting together as a class entitled to vote at the Meeting and present in person or by proxy. If you indicate on your proxy card that you wish to vote “**AGAINST**” Proposal One, your SVS and/or MVS will be recorded as voting against Proposal One.

What are my options when voting for directors (Proposal Two)?

When voting to elect directors, you have two options:

- Vote FOR a nominee
- WITHHOLD from voting on a nominee

It is the intention of the management designees, if named as proxy, to vote “**FOR**” the election of each of the persons named in Proposal Two to the Board unless otherwise directed. Shareholders can vote “**FOR**” all of the proposed directors set forth herein, vote for some of them and “**WITHHOLD**” for others, or “**WITHHOLD**” for all of them. Management does not contemplate that any of the nominees will be unable to serve as a director. However, if for any reason any of the proposed nominees does not stand for election or is unable to serve as such, the management designees, if named as proxy, reserve the right to vote for any other nominee in their sole discretion unless you have specified in your proxy that your Shares are to be withheld from voting on the election of that particular director.

What are my options when voting on Proposal Three?

When voting on Proposal Three, you have two options:

- Vote FOR the proposal
- WITHHOLD from voting on the proposal

Proposal Three requires the affirmative vote of a majority of the votes cast by the holders of the SVS and MVS voting together as a class entitled to vote at the Meeting and present in person or by proxy. If you indicate on your proxy card that you wish to “**WITHHOLD**” your vote on Proposal 3, your withheld votes are not counted in determining the number of SVS and/or MVS voted “**FOR**” any proposal but will be counted as present and entitled to vote on the proposal.

How will my Shares be voted if I sign and return my proxy card with no votes marked?

If you sign and return your proxy card with no votes marked, your Shares will be voted “**FOR**” each of proposals set forth in this Proxy Statement.

How are proxies solicited and what is the cost?

The Company may actively solicit proxy participation. The Company encourages banks, brokers and other custodian nominees and fiduciaries to supply proxy materials to shareholders, and reimburses them for their expenses. However, the Company does not reimburse its own employees for soliciting proxies.

Is my vote kept confidential?

Proxies, ballots and voting tabulations identifying shareholders are kept confidential and will not be disclosed except as may be necessary to meet legal requirements.

Where do I find the voting results of the Meeting?

We will announce voting results at the Meeting. The final voting results will be tallied by the scrutineer and published in a Current Report on Form 8-K, which the Company is required to file with the SEC within four business days following the Meeting. A copy of the report will also be available on SEDAR.

Do I have any appraisal rights?

Neither the *Business Corporations Act* (British Columbia) nor our Articles provide for appraisal or other similar rights for dissenting shareholders in connection with the proposals at this Meeting. Accordingly, our shareholders will have no right to dissent and obtain payment for their shares.

Are there any other matters to be handled at the Meeting?

We are not currently aware of any business to be acted upon at the Meeting other than the proposals discussed in this Proxy Statement. The form of proxy accompanying this Proxy Statement confers discretionary authority upon the named proxy holders with respect to amendments or variations to the matters identified in the accompanying Notice of Meeting and with respect to any other matters which may properly come before the Meeting or at any adjournment(s) or postponement(s) of the Meeting. If other matters do properly come before the Meeting, or at any adjournment(s) or postponement(s) of the Meeting, SVS and MVS, represented by properly submitted proxies, will be voted by the proxy holders in accordance with their best judgment to the extent permitted by applicable law.

Who can help answer my questions?

You can contact our Interim Chief Financial Officer and Chief Investment Officer, Andrew Thut at 480-525-7904 or by sending a letter to Mr. Thut at the Company's headquarters at 4Front Ventures Corp., 5060 N. 40th Street, Suite 120, Phoenix, Arizona 85018, with any questions about the proposals described in this Proxy Statement or how to execute your vote.

FINANCIAL STATEMENTS

The financial statements of the Company for the financial year ended December 31, 2021 and accompanying auditor's report will be placed before the Meeting.

PROPOSAL ONE SETTING THE NUMBER OF DIRECTORS

At the Meeting, shareholders will be asked to consider and, if thought advisable, approve a resolution setting the number of directors for the present time at seven (7). It is the intention of the persons named in the enclosed form of proxy, if not expressly directed to the contrary in such form of proxy, to vote such proxies "**FOR**" setting the number of directors to be elected at the Meeting at seven (7).

PROPOSAL TWO ELECTION OF DIRECTORS

The Board for the ensuing year will consist of seven (7) directors who are each to be elected at the Meeting for a term of office expiring at the next Annual General Meeting of Shareholders or until their respective successors have been elected. It is intended that the persons named in the following table will be nominated as directors of the Company and that the persons named in the accompanying proxy, unless otherwise directed, will vote for the election of such nominees at the Meeting. Each of the nominees has indicated their willingness to serve as a member of the Board, if elected. However, in the event any nominee shall become unavailable for election to the Board for any reason not presently known or contemplated, the proxy holders will be vested with discretionary authority in such instance to vote the enclosed Proxy for such substitute as the Board shall designate.

The following seven (7) nominees have been nominated by the Board. Voting for the election of directors will be conducted on an individual, and not slate, basis.

Family Relationships

Leonid Gontmakher and Roman Tkachenko are cousins. There are no other family relationships among any of our executive officers or directors.

Corporate Governance Overview

We are committed to having sound corporate governance principles, which are essential to running our business efficiently and maintaining our integrity in the marketplace. We understand that corporate governance practices change and evolve over time, and we seek to adopt and use practices that we believe will be of value to our shareholders and will positively aid in the governance of the Company. To that end, we regularly review our corporate governance policies and practices and compare them to the practices of other peer institutions and public companies. We will continue to monitor emerging developments in corporate governance and enhance our policies and procedures when required or when our board determines that it would benefit our Company and our shareholders.

Director Independence

The Board considers a director to be independent in accordance with Canadian legal requirements if he or she meets the definition of independence set forth in National Instrument 52-110 – Audit Committees (“**NI 52-110**”) and if he or she has no direct or indirect material relationship with the Company which, in the view of the Board, could reasonably be perceived to materially interfere with the exercise of the director’s independent judgment.

Although we are not listed on the Nasdaq, we also intend to comply with applicable Nasdaq independence rules, which require a majority of a listed company’s board of directors to be comprised of independent directors within one (1) year of listing. In addition, Nasdaq rules require that, subject to specified exceptions, each member of a listed company’s audit, compensation and nominating and corporate governance committees be independent, and that audit committee members also satisfy independence criteria set forth in Rule 10A-3 under the Exchange Act. The Nasdaq independence definition includes a series of objective tests, such as that the director is not, and has not been for at least three (3) years, one of our employees, that neither the director nor any of his or her family members has engaged in various types of business dealings with us, and that neither the director nor any of his or her family members is a current partner of our independent auditor, or was a partner or employee of our independent auditor who worked on our audit at any time over the past three years. In addition, under applicable Nasdaq rules, a director will only qualify as an “independent director” if, in the opinion of the

listed company's board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Our Board has undertaken a review of the independence of each director. Based on information provided by each director concerning their background, employment and affiliations, our Board has determined that six (6) of our seven (7) directors, do not have relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is "independent" as that term is defined in NI 52-110 and under the listing standards of Nasdaq. In making such determination, our Board considered the relationships that each such non-employee director has with us and all other facts and circumstances that our Board deemed relevant in determining his independence, including the beneficial ownership of our capital stock by each non-employee director. It was determined that Mr. Leonid Gontmakher is not independent for these purposes given his role as Chief Executive Officer of the Company.

Board's Role in Risk Oversight and Management

Our Board has responsibility for the oversight of the Company's risk management processes and, either as a whole or through its committees, regularly discusses with management our major risk exposures, their potential impact on our business and the steps we take to manage them. The risk oversight process includes receiving regular reports from board committees and members of senior management to enable our Board to understand the Company's risk identification, risk management and risk mitigation strategies with respect to areas of potential material risk, including operations, finance, legal, regulatory, strategic and reputational risk.

Director Nomination Process

Our Board believes that its directors should have the highest professional and personal ethics and values, consistent with the Company's longstanding values and standards. They should have broad experience at the policy-making level in business, government or civic organizations. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on their own unique experience. Each director must represent the interests of the Company. When considering potential director candidates, our Board also considers the candidate's independence, character, judgment, diversity, age, skills, including financial literacy, and experience in the context of our needs and those of our Board. Our Board believes that diversity is an important attribute of the members who comprise our Board and that the members should represent an array of backgrounds and experiences and should be capable of articulating a variety of viewpoints. Our Board's priority in selecting board members is the identification of persons who will further the interests of our shareholders through his or her record of professional and personal experiences and expertise relevant to our business.

Shareholder Nominations to the Board of Directors

Director nominations by a shareholder or group of shareholders for consideration by our shareholders at our Annual General Meeting of Shareholders, or at a special meeting of our shareholders that includes on its agenda the election of one or more directors, may only be made in accordance with our Articles and applicable law.

Shareholders' notice for any proposals requested pursuant to Rule 14a-8 under the Exchange Act (including director nominations), must be made in accordance with that rule. Accordingly, any director or executive officer of the Company may recommend a candidate to the Compensation Committee for its consideration. The Compensation Committee will also consider nominees to our Board recommended by shareholders if shareholders comply with the requirements of the *Business Corporations Act* (British Columbia).

There were no material changes to the procedures by which shareholders may recommend nominees to the Board during the year ended December 31, 2021.

Board Mandate and Committees

The Board has a written mandate that governs the board of directors. The Board meets regularly on a quarterly basis and holds additional meetings as required to deal with the Company's business.

Additionally, the Board is empowered by governing corporate law, the Company's Articles and its corporate governance policies to manage or supervise the management of the affairs and business of the Company. The Board carries out its responsibilities directly and through two Board committees, the Audit Committee and the Compensation Committee, each of which operate under a written committee charter approved by the Board. Although it would normally be required under Nasdaq rules, the Board as yet has not appointed a Nominating and Corporate Governance Committee. The composition and responsibilities of each committee of our Board are described below. Members serve on these committees until their resignation or until otherwise determined by our Board. Our Board may establish other committees as it deems necessary or appropriate from time to time.

Although each committee is directly responsible for evaluating certain enumerated risks and overseeing the management of such risks, the entire Board is generally responsible for and is regularly informed through committee reports about such risks and any corresponding remediation efforts designed to mitigate such risks. In addition, appropriate committees of the Board receive reports from senior management within the organization in order to enable the Board to understand risk identification, risk management and risk mitigation strategies. When a committee receives such a report, the chairman of the relevant committee reports on the discussion to the full Board during the committee reports portion of the next Board meeting. This enables the Board and its committees to coordinate the risk oversight role.

Audit Committee

As proposed, the members of our audit committee (the “**Audit Committee**”) would be David Daily, Chetan Gulati, and Amit Patel. Mr. Patel would continue to chair the Audit Committee. After reviewing the qualifications of the proposed members of the Audit Committee, and any relationships they may have with us that might affect their independence, the Board has determined that all current Audit Committee members are “independent” as that concept is defined in Section 10A of the Exchange Act and in NI 52-110, all current Audit Committee members are “independent” as that concept is defined in the applicable listing standards of the Nasdaq, all current Audit Committee members are financially literate, and each of David Daily, Chetan Gulati and Amit Patel qualify as an “audit committee financial expert” under the applicable rules promulgated pursuant to the Exchange Act. Our audit committee met 4 times during 2021.

The main function of the Audit Committee is to oversee our accounting and financial reporting processes, internal systems of control, independent registered public accounting firm relationships and the audits of our financial statements. The committee’s responsibilities include, among other things:

- appointing, approving the compensation of and assessing the independence of our registered public accounting firm;
- overseeing the work of our independent registered public accounting firm, including through the receipt and consideration of reports from such firm;
- reviewing and discussing with management and the independent registered public accounting firm our annual and quarterly financial statements and related disclosures;
- monitoring our internal control over financial reporting, disclosure controls and procedures and code of business conduct and ethics;
- overseeing our internal audit function;

- meeting independently with our internal auditing staff, independent registered public accounting firm and management;
- reviewing and approving or ratifying any related person transactions; and
- preparing the audit committee report required by SEC rules.

All audit and non-audit services, other than de minimis non-audit services, to be provided to us by our auditor must be approved in advance by the Audit Committee.

A copy of the charter for the Audit Committee is posted on our website at <https://4frontventures.com/about-us/> and appended hereto as Schedule A. Ms. Lentzsch would continue to chair the Compensation Committee. Each member of our Compensation Committee is a non-employee director, as defined in Rule 16b-3 promulgated under the Exchange Act and an outside director, as defined pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended.

The Compensation Committee is responsible for assessing whether any of our compensation policies or programs has the potential to encourage excessive risk-taking. Furthermore, the Compensation Committee discharges the responsibilities of the board of directors in overseeing our compensation policies, plans and programs and to review and determine the compensation to be paid to our executive officers, directors and other senior management, as appropriate. The Compensation Committee met 4 times during 2021. Specific responsibilities of our Compensation Committee include, among other things:

- reviewing and recommending to our board of directors employment agreements and significant arrangements or transactions with executive officers;
- reviewing and recommending to our board of directors with respect to director compensation; and
- overseeing and administering our equity-based incentive plan or plans.

With respect to director compensation, our Compensation Committee is responsible for reviewing the compensation paid to members of the Board and recommending modifications to Board compensation that the Compensation Committee determines are appropriate and advisable to the Board for its approval from time to time. In this regard, the Compensation Committee may request that management report to the Compensation Committee periodically on the status of the Board's compensation in relation to other similarly situated companies.

In determining compensation for our executive officers, the Compensation Committee typically considers, but is not required to accept, the recommendations of our Chief Executive Officer regarding the performance and proposed base salary and bonus and equity awards for the other executive officers, as well as himself. The Compensation Committee may also request the assistance of our Chief Financial Officer in evaluating the financial, accounting and tax implications of various compensation awards paid to the executive officers. However, our Chief Financial Officer does not determine the amounts or types of compensation paid to the executive officers. Our Chief Executive Officer and certain of our other executive officers may attend Compensation Committee meetings, as requested by the Compensation Committee. None of our executive officers, including our Chief Executive Officer, will attend any portion of the Compensation Committee meetings during which the executive officer's compensation is established and approved.

A copy of the charter for the Compensation Committee is posted on our website at <https://4frontventures.com/about-us/>. The inclusion of our website address in this Proxy Statement does not include or incorporate by reference the information on our website into this Proxy Statement.

Board Diversity

Our Compensation Committee is responsible for reviewing with the Board, on an annual basis, the appropriate characteristics, skills and experience required for the Board as a whole and its individual members. In evaluating the suitability of individual candidates (both new candidates and current members), the Compensation Committee, in recommending candidates for election, and the Board, in approving (and, in the case of vacancies, appointing) such candidates, will take into account many factors, including the following:

- personal and professional integrity, ethics and values;
- experience in corporate management, such as serving as an officer or former officer of a publicly-held company;
- development or commercialization experience in large consumer products companies;
- experience as a board member or executive officer of another publicly-held company;
- strong finance experience;
- diversity of expertise and experience in substantive matters pertaining to our business relative to other board members;
- diversity of background and perspective, including with respect to age, gender, race, place of residence and specialized experience;
- conflicts of interest; and
- practical and mature business judgment.

Currently, our Board evaluates each individual in the context of the Board as a whole, with the objective of assembling a group that can best maximize the success of the business and represent shareholder interests through the exercise of sound judgment using its diversity of experience in these various areas.

New directors are to be provided with the Company's continuous disclosure documents, copies of the charters of each of the Committees, and are invited to attend orientation sessions in the form of informal meetings with members of the Board and senior management, complemented by presentations on the main areas of the Company's business to improve their understanding of the Company's business.

Board Assessments

Based upon the Company's size, and the number of individuals on the Board, the Board considers a formal process for assessing the effectiveness and contribution of the Board as a whole, its committees or individual directors to be unnecessary at this time. Given that the Board and its committees meet on several occasions each year, each director has regular opportunity to assess the Board as a whole, its committees and other directors in relation to the Board and such director's assessment of the competencies and skills that the Board

and its committees should possess. The Board plans to continue to self-evaluate its own effectiveness and the effectiveness of its committees and individual directors in such manner.

Code of Business Conduct and Ethics

The Board has adopted the Code of Business Conduct and Ethics (the “**Code of Conduct**”) which applies to directors, officers, employees, consultants and contractors of the Company and its subsidiaries and encourages and promotes a culture of ethical business conduct. The text of the Code of Conduct is available at www.4frontventures.com. The reference to our website address does not constitute incorporation by reference of the information contained at or available through our website, and you should not consider it to be a part of this report.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Company’s financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee (then composed of Mr. Daily, Mr. Gulati, and Eric Rey) reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee has discussed with Davidson, the auditor of the Company, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, the matters required to be discussed by PCAOB Auditing Standard No. 16, *Communications with Audit Committees*, and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, the Audit Committee has received and reviewed the written disclosures and the letter from Davidson required by applicable requirements of the PCAOB regarding Davidson’s communications with the Audit Committee concerning independence, and the Audit Committee has discussed with Davidson its independence.

The Audit Committee discussed with Davidson the overall scope and plans for their audit. The Audit Committee meets with Davidson, with and without management present, to discuss the results of their examinations, their evaluations of the Company’s internal controls, and the overall quality of the Company’s financial reporting. The Audit Committee held 4 meetings during fiscal year 2021.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2021.

The Audit Committee and the Board have also recommended that the shareholders appoint Davidson as the Company’s auditor.

Respectfully submitted,

AUDIT COMMITTEE
of the Board of Directors

Amit Patel, Audit Committee Chair
David Daily, Audit Committee Member
Chetan Gulati, Audit Committee Member

Narrative to Summary Compensation Table

Executive Compensation Considerations

The Compensation Committee reviews financial information and other performance metrics relative to the historical compensation of executive management and comparative information prepared internally. The Compensation Committee also reviews management's recommendations for compensation levels of all of the Company's named executive officers and considered these recommendations with reference to relative compensation levels of like-size institutions. The totality of the information reviewed by the Compensation Committee is considered when establishing current executive salary levels, and similar analysis is expected to be considered when reviewing and establishing future salaries and long-term incentives. The Company's compensation policies and practices are designed to ensure that they do not foster risk taking above the level of risk associated with the Company's business model. For this purpose, the Compensation Committee generally considers the Company's financial performance, comparing that performance to the performance metrics included in the Company's strategic plan. The Compensation Committee also generally evaluates management's compensation in light of other specific risk parameters. The Company's compensation programs are aimed at enabling it to attract and retain the best

possible executive talent and rewarding those executives commensurate with their ability and performance. The Company's compensation programs consist primarily of base salary, bonus and option awards.

Base Salary

Base salaries for named executive officers are determined in the same manner as those other salaried employees. Salary guidelines are established by comparing the responsibilities of the individual's position in relation to similar positions in other companies of similar size in our industry.

Section 162(m) of the Code

Section 162(m) generally disallows the corporate tax deduction for certain compensation paid in excess of \$1,000,000 annually to "covered employees," which include: (i) the Chief Executive Officer; (ii) the Chief Financial Officer; (iii) any employee whose total compensation is required to be reported to shareholders under the Exchange Act by reason of such employee being among the three highest compensated officers for the taxable year (excluding the CEO and CFO); and (iv) any executive who was a "covered employee" for any tax year beginning after December 31, 2016. A "covered employee" includes any individual who meets the definition of a "covered employee" at any time during the year, and also includes executives who are the top three highest paid officers (excluding the CEO or CFO) even if their compensation is not required to be disclosed under existing SEC rules. Section 162(m) of the *U.S. Internal Revenue Code of 1986* (the "**Code**") was amended by the Tax Cut and Jobs Act of 2018 so that the exceptions for payment of "performance-based compensation" or commissions have been eliminated.

Certain of our executives have received total compensation in excess of \$1,000,000, such that we may not be allowed the full federal tax deduction otherwise permitted for such compensation.

Employment Agreements; Potential Payments Upon Termination or Change-in-Control

Effective April 15, 2020, the Company entered into an Executive Employment Agreement with Joshua N. Rosen (the "**Rosen Agreement**"), to serve as the Company's Chief Executive Officer. The Rosen Agreement was terminated on January 2, 2021, when the Company entered into a Separation and Release Agreement (the "**Rosen Separation Agreement**") with Mr. Rosen, which supersedes and replaces the Rosen Agreement. Under the Rosen Separation Agreement, Mr. Rosen transitioned from being the Company's Chief Executive Officer to taking on a role as the non-employee Chairman of the Company's board of directors. The Rosen Separation Agreement provides that, among other things, the Company shall pay Mr. Rosen \$350,000 in 12 monthly installments, the Company may reimburse Mr. Rosen's COBRA premiums over a period of 12 months, and the Company will pay Mr. Rosen director fees of \$13,000 per month. Mr. Rosen's receipt of the aforementioned payments and benefits is conditioned upon the fulfillment of his obligations under the Rosen Separation Agreement, consideration for the waiver and release of claims set forth in the Rosen Separation Agreement, and Mr. Rosen's compliance with the non-disparagement, and other standard covenants set forth in the Agreement.

On February 3, 2021, the Company entered into a Separation Agreement and Release (the "**Dorsey Agreement**") with its former Chief Financial Officer, Nicolle Dorsey, under which she will continue to provide services to the Company in a temporary support role. Pursuant to the Separation Agreement, Ms. Dorsey is entitled to receive (i) \$220,000, which is equal to six months of notice pay (to be paid in accordance with the Company's regular payroll schedule); (ii) payment of 100% of Ms. Dorsey's COBRA premiums for six months; and (iii) accelerated vesting of certain options. The foregoing severance payments and benefits, including the accelerated vesting of the equity awards, are conditioned on Ms. Dorsey's execution of a customary release of claims and compliance with the terms of the Separation Agreement, which includes covenants related to confidentiality, non-disparagement and non-solicitation.

Effective July 1, 2021, the Company terminated its month-to-month independent contractor arrangement with Peter Rennard in his position as Interim Chief Financial Officer of the Company. Mr. Rennard's termination was not in connection with any known disagreement with the Company on any matter relating to the Company's operations, policies or practices, including accounting principles and practices. Effective July 15, 2021, the Company's board of directors appointed Andrew Thut as the Company's Interim Chief Financial Officer while the Company continues its search for a permanent Chief Financial Officer. Mr. Thut joined the Company in October 2014 as its Chief Investment Officer and will continue to serve as Chief Investment Officer during his tenure as Interim Chief Financial Officer of the Company.

Effective July 31, 2021, Mr. Kris Krane resigned as President, Mission Dispensaries with the Company. Mr. Krane's resignation was not in connection with any known disagreement with the Company on any matter relating to the Company's operations, policies or practices, including accounting principles and practices. Effective as of August 1, 2021, the Company entered into a consulting agreement with Kranewreck Enterprises, Inc., a company to which Kris Krane is a principal.

PROPOSAL THREE APPOINTMENT OF AUDITOR

The Board recommends, on the advice of the Audit Committee, that the shareholders of the Company appoint Davidson as our auditor to audit the Company’s consolidated financial statements for fiscal year 2022. Davidson has served as the Company’s auditor since 2019. To the knowledge of management of the Company, neither such firm nor any of its members has any direct or material indirect financial interest in the Company, nor any connection with the Company in any capacity other than as our auditor.

Principal Independent Registered Public Accounting Firm Fees and Services

Davidson has served as our auditor since July 31, 2019. The engagement of Davidson was approved by the Audit Committee and the Board. Davidson completed the audits of the Company for the years ended December 31, 2020 and 2021.

During the years ended December 31, 2020 and 2021, there were no: (i) disagreements with Davidson on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which, if not resolved to Davidson’s satisfaction, would have caused Davidson to make reference thereto in its report on the consolidated financial statements of the Company (as described in Item 304(a)(1)(iv) of Regulation S-K); (ii) reportable events (as described in Item 304(a)(1)(v) of Regulation S-K); or (3) “reportable events” as such term is defined in National Instrument 51-102 – *Continuous Disclosure Obligations*.

Aggregate fees billed by our auditors for the years ended December 31, 2020 and December 31, 2021 are detailed in the table below.

	2020	2021
Audit Fees ⁽¹⁾	\$ 800,000	\$ 600,000
Audit Related Fees ⁽²⁾	74,397	—
Tax Fees ⁽³⁾	—	—
All Other Fees ⁽⁴⁾	—	—
Total Fees Paid	\$ 874,397	\$ 600,000

(1) Fees for audit services on an accrued basis.

(2) Fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit of the financial statements. These include services provided to assist the Company in its conversion from reporting under International Financial Reporting Standards to Generally Accepted Accounting Principles.

(3) Fees for professional services rendered for tax compliance, tax advice and tax planning.

(4) All other fees billed by the auditor for products and services not included in the foregoing categories.

Pre-approval Policies and Procedures

The Audit Committee has established a policy of reviewing, in advance, and either approving or not approving, all audit, audit-related, tax and other non-audit services that our independent registered public accounting firm provides to us. This policy requires that all services received from independent registered public accounting firms be approved in advance by the Audit Committee. The Audit Committee has delegated pre-approval responsibility to the Chair of the Audit Committee with respect to non-audit related fees and services.

The Audit Committee has determined that the provision of the services as set out above is compatible with the maintaining of Davidson’s independence in the conduct of their auditing functions.

The enclosed Proxy will be voted as specified, but if no specification is made, it will be voted “FOR” the appointment of Davidson as the auditor of the Company and to authorize the directors to fix the remuneration of the auditor.

The Board recommends a vote “FOR” this proposal.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth the beneficial ownership of our SVS and MVS as of May 6, 2022 by:

- each shareholder known by us to beneficially own more than 5% of our SVS or our MVS;
- each of our directors;
- each of our named executive officers; and
- all of our directors and executive officers as a group.

We have determined beneficial ownership in accordance with the rules of the SEC. These rules generally provide that a person is the beneficial owner of securities if such person has or shares the power to vote or direct the voting of securities, or to dispose or direct the disposition of securities. A security holder is also deemed to be, as of any date, the beneficial owner of all securities that such security holder has the right to acquire within 60 days after such date through: (i) the exercise of any option or warrant; (ii) the conversion of a security; (iii) the power to revoke a trust, discretionary account or similar arrangement; or (iv) the automatic termination of a trust, discretionary account or similar arrangement. Except as disclosed in the footnotes to this table and subject to applicable community property laws, we believe that each person identified in the table has sole voting and investment power over all of the shares shown opposite such person’s name.

The percentage of beneficial ownership is based on 636,636,686 SVS and 1,276,208 MVS outstanding as of May 6, 2022. The address for each director and executive officer is c/o 4Front Ventures Corp., 5060 N. 40th Street Suite 120, Phoenix, AZ 85018.

Equity Compensation Plan Information

On July 31, 2019, 4Front Ventures Corp. adopted two stock option plans, one to issue options exercisable into SVS and the other plan (the “PVS Plan”) to issue options exercisable into proportionate voting shares of the Company (the “PVS”), as amended and restated on April 15, 2020 collectively (referred to as the “Stock Option Plan”). The Stock Option Plan permits the grant of nonqualified stock options (“NQSOs”) and incentive stock options (“ISOs”) and, together with NQSOs, the “Options”) in accordance with their terms. As the Company no longer has authorized PVS, no further Options will be issued under the PVS Plan.

The following table sets out information as of December 31, 2021 with respect to the Stock Option Plan.

Plan category	Number of securities to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a))
	(a)	(b)	(c)

Equity compensation plans not approved by security holders	—	—	—
Total	54,282,752	\$ 0.75	4,450,776

As at December 31, 2021, the following awards were outstanding under the Stock Option Plan: a total of 54,282,752 Options, representing approximately 9.27% of the then outstanding share number. As at December 31, 2021, an aggregate of 4,450,776 Options remained available for issuance under the Stock Option Plan, representing approximately 0.75% of the then outstanding share number.

Summary of Terms and Conditions of the Option Plan

Purpose of the Option Plan

The purpose of the Stock Option Plan is to enable the Company and its affiliated companies to: (i) promote and retain employees, officers, consultants, advisors and directors capable of assuring the future success of the Company; (ii) to offer such persons incentives to put forth maximum efforts; and (iii) to compensate such persons through various stock and cash-based arrangements and provide them with opportunities for stock ownership, thereby aligning the interests of such persons and shareholders.

Eligible Persons

Any of the Company’s employees, officers, directors, consultants (who are natural persons) are eligible to participate in the Stock Option Plan if selected by the Compensation Committee (the “Participants”). The basis of participation of an individual under the Stock Option Plan and the type and amount of any Option that an individual will be entitled to receive under the Stock Option Plan, will be determined

by the Compensation Committee based on its judgment as to the best interests of the Company, and therefore cannot be determined in advance.

The maximum number of SVS that may be issued under the Stock Option Plan shall be determined by the Board from time to time, but in no case shall exceed, in the aggregate, 10% of the number of SVS shares, including the MVS on a fully converted basis. Notwithstanding the foregoing, a maximum of 50,000,000 SVS may be issued as ISOs, subject to adjustment as provided in the Stock Option Plan. Any shares subject to an Option under the Stock Option Plan that are forfeited, cancelled, expire unexercised, are settled in cash, or are used or withheld to satisfy tax withholding obligations of a Participant shall again be available for issuance under the Stock Option Plan.

In the event of any dividend, recapitalization, forward or reverse stock split, reorganization, merger, amalgamation, consolidation, split-up, split-off, combination, repurchase or exchange of SVS or other securities of the Company, issuance of warrants or other rights to acquire SVS or other securities of the Company, or other similar corporate transaction or event, which affects the SVS, or unusual or nonrecurring events affecting the Company, or the financial statements of the Company, or changes in applicable rules, rulings, regulations or other requirements of any governmental body or securities exchange or inter-dealer quotation system, accounting principles or law, the Compensation Committee may make such adjustment, which is appropriate in order to prevent dilution or enlargement of the rights of Participants under the Stock Option Plan, to: (i) the number and kind of shares which may thereafter be issued in connection with Options; (ii) the number and kind of shares issuable in respect of outstanding Options; (iii) the purchase price or exercise price relating to any Option or, if deemed appropriate, make provision for a cash payment with respect to any outstanding Option; and (iv) any share limit set forth in the Stock Option Plan.

Description of Awards

Pursuant to the Stock Option Plan, the Company is authorized to issue option awards to participants. The Compensation Committee is authorized to grant Options to purchase SVS that are either ISOs meaning they are intended to satisfy the requirements of Section 422 of the Code, or NQSOs, meaning they are not intended to satisfy the requirements of Section 422 of the Code. Options granted under the Stock Option Plan will be subject to the terms and conditions established by the Compensation Committee. Under the terms of the Stock Option Plan, unless the Compensation Committee determines otherwise in the case of an Option substituted for another Option in connection with a corporate transaction, the exercise price of the Options will not be less than the fair market value (as determined under the Stock Option Plan) of the shares at the time of grant. Options granted under the Stock Option Plan will be subject to such terms, including the exercise price and the conditions and timing of exercise, as may be determined by the Compensation Committee and specified in the applicable award agreement. The maximum term of an Option granted under the Stock Option Plan will be ten years from the date of grant (or five years in the case of an ISO granted to a 10% shareholder). Payment in respect of the exercise of an Option may be made in cash or by check, by surrender of unrestricted shares (at their fair market value on the date of exercise) or by such other method as the Compensation Committee may determine to be appropriate.

Administration of the Stock Option Plan

The Compensation Committee may impose restrictions on the grant, exercise or payment of an Option as it determines appropriate. Generally, Options granted under the Stock Option Plan shall be nontransferable except by will or by the laws of descent and distribution. No Participant shall have any rights as a shareholder with respect to SVS covered by Options unless and until such Options are settled in SVS.

No Option shall be exercisable, no SVS shall be issued, no certificates for SVS shall be delivered and no payment shall be made under the Stock Option Plan except in compliance with all applicable laws.
