LETTER TO UNITHOLDERS

January 10, 2024

Dear Unitholder:

You are invited to attend a special meeting (the "Trust Meeting") of holders (the "Preferred Trust Unitholders") of preferred units ("Preferred Trust Units") of Enercapita Energy Trust (the "Trust") and a special meeting (the "LP Meeting") of holders (the "Preferred LP Unitholders") of preferred units ("Preferred LP Units") of Enercapita Energy L.P. (the "Partnership") and holders (the "Common A LP Units") of common A units ("Common A LP Units") of the Partnership to consider and approve the Amendments (defined below).

The Trust Meeting and the LP Meeting (collectively, the "Meeting") will be held virtually on February 5, 2024 at 9:00 a.m. and 9:10 a.m. (Calgary time), respectively.

The board of directors (the "Board") of Enercapita Energy GP Ltd. (the "Administrator/GP"), the administrator of the Trust, and the general partner of the Partnership (the Partnership together with the Trust and Enercapita Energy Ltd., "Enercapita"), would like Preferred Trust Unitholders, Preferred LP Unitholders and Common A LP Unitholders to consider a proposal to make certain amendments to the declaration of trust of the Trust (the "Declaration of Trust") and the limited partnership agreement of the Partnership (the "Partnership Agreement") (collectively, the "Amendments").

The Notice of Special Meeting of Preferred Unitholders of the Trust, Notice of Special Meeting of Preferred Unitholders and Common A Unitholders of the Partnership and Joint Information Circular dated January 10, 2024 (the "Information Circular") contain important information with respect to the Meeting and the Amendments. Please give these Meeting materials careful consideration and, if you require assistance, consult your financial, legal, tax and other professional advisors.

The Board unanimously recommends that the Preferred Trust Unitholders vote <u>for</u> the special resolutions attached as "Schedule A" to the Information Circular. The Board unanimously recommends that the Preferred LP Unitholders and Common A LP Unitholders vote <u>for</u> the special resolutions attached as "Schedule B" to the Information Circular.

THE AMENDMENTS

In the last several years, Enercapita has focused on preservation and value growth while returning capital to investors through challenging market conditions, including high volatility and persistently low market valuations. Accordingly, Enercapita has not paid cash distributions and has instead prioritized a combination of debt repayment and providing unitholder liquidity through redemptions. This has proved to be a prudent strategy in light of the high interest rates and a lack of other viable liquidity options.

Meanwhile, investor demand for liquidity remains high. In the fourth quarter of 2023, Enercapita received an unsolicited proposal from an asset management firm which represents a majority of both the Preferred Units (as defined below) and the Common A LP Units. The proposal suggested that Enercapita consider amending the Declaration of Trust and the Partnership Agreement to allow the Trust and the Partnership to redeem the Preferred Trust Units and Preferred LP Units (collectively, the "**Preferred Units**") at par while ensuring investors retain any potential upside through continued ownership of the Common A LP Units. After receipt of the proposal, management developed the Amendments in consultation with such asset management firm and the independent directors. The independent directors have been very engaged and proactive with management on the strategic direction of Enercapita, and have completed their own due diligence with respect to the proposed Amendments. The independent directors were first made aware of the proposal in October 2023 and had various meetings and correspondence with management throughout November and December 2023. The independent directors met with Enercapita's external legal counsel on December 12, 2023, without the presence of management, to discuss the proposed Amendments. Furthermore, the independent directors met Enercapita's independent financial advisor on December 19, 2023, and reviewed financial scenarios and views on the proposed Amendments.

The following is a summary of the relevant terms of the Amendments (if approved):

- the Partnership Agreement will be amended to, among other things, provide that:
 - redemption of Preferred LP Units by the Partnership shall be completed on a pro rata basis (with exceptions for smaller investors holding less than 10,000 Preferred LP Units);
 - o redemption of Preferred LP Units by the Partnership shall be completed at \$1.00 per Preferred LP Unit rather than the lesser of \$1.00 and fair market value;
 - Preferred LP Unitholders shall be entitled to retain their Common A LP Units upon redemption of their Preferred LP Units initiated by the Partnership;
 - the Preferred LP Units will no longer accrue a "Preferred Return";
 - the existing accrued "Preferred Return" of up to \$0.12 per Preferred LP Unit (which would be realized only upon a liquidity event that values the Preferred LP Units at greater than \$1.00 per Preferred LP Unit and only to the extent there is sufficient excess value) will be eliminated;
 - o no distributions shall be made to holders of common units of the Partnership for so long as Preferred LP Units are outstanding;
 - the interest rate for redemption notes issued by the Partnership shall be the yield to maturity on marketable bonds of the same maturity as the applicable redemption note issued by the Government of Canada in Canadian dollars, based on the mid-market closing yields of such bonds as published by the Bank of Canada on the issuance date of the redemption note;

- o upon liquidation of the Partnership, Preferred LP Unitholders shall be entitled to \$1.00 per Preferred LP Unit held (to the extent sufficient assets remain in the Partnership) following payment of liabilities to third parties, provision for reserves and payment of the capital account balance and costs and expenses to the Administrator/GP, and such amount shall be paid before any amount shall be paid to any holder of Common A LP Units or any other common units of the Partnership; and
- o issued and outstanding unit certificates representing the Preferred LP Units and the Common A LP Units will be null, void and of no force and effect and the register of Preferred LP Unitholders and Common A LP Unitholders will be conclusive evidence of the legal owner of Preferred LP Units and Common A LP Units, respectively.
- the Declaration of Trust will be amended to, among other things, provide that:
 - redemption of Preferred Trust Units by the Trust shall be completed on a pro rata basis (with exceptions for smaller investors holding less than 10,000 Preferred Trust Units);
 - the interest rate for redemption notes issued by the Trust shall be the yield to maturity on marketable bonds of the same maturity as the applicable redemption note issued by the Government of Canada in Canadian dollars, based on the midmarket closing yields of such bonds as published by the Bank of Canada on the issuance date of the redemption note; and
 - issued and outstanding unit certificates representing the Preferred Trust Units will be null, void and of no force and effect and the register of Preferred Trust Unitholders will be conclusive evidence of the legal owner of Preferred Trust Units.

The Amendments would allow the Trust and the Partnership to begin returning capital to holders of Preferred Units by redeeming such Preferred Units at par, while allowing such holders to retain any potential upside through continued ownership of the Common A LP Units. Enercapita intends to allocate a portion of free cash flow on a quarterly basis to redemptions, subject to debt levels and obligations pursuant to lender credit/financing agreements.

If the Amendments are approved, the "Preferred Return" on the Preferred LP Units will be eliminated. Accordingly, any equity value in Enercapita in excess of \$1.00 per Preferred Unit will accrue to the common units of the Partnership, including the Common A LP Units. As holders of Preferred Units are expected to also own Common A LP Units (as they were initially sold together as a tied unit), such holders would participate in any equity value in excess of \$1.00 per Preferred Unit in their capacity as holders of Common A LP Units. Any value that accrues to common units of the Partnership would be shared among the common B units and common C units of the Partnership (all of which are held by current or former directors, management and employees of Enercapita). However, such value would accrue to the common units of the Partnership once all Preferred LP Units have been redeemed at par. See "The Amendments – Comparison of Enercapita Before and After the Amendments – Allocation of Proceeds" in the Information Circular for tables that outline, under various enterprise valuations, the difference between the allocation of proceeds before and after the Amendments.

In 2022 and 2023 combined, Enercapita generated approximately \$52 million of free cash flow (average WTI of 85.93 US\$/bbl) and has allocated over \$50 million of such free cash flow to redemptions, reducing the number of outstanding Preferred Units by 22% over two years. As a result, debt levels have remained elevated (approximately \$39 million of net debt as of December 31, 2023).

If the Amendments are approved, Enercapita plans to focus on preserving and enhancing unitholder value by: (a) allocating sufficient cash flow to develop its core assets and execute its strategy to position the company to attract a premium valuation on exit, while maximizing free cash flow to meet its debt reduction and unitholder return of capital objectives; and (b) allocating free cash flow to a combination of debt reduction, to strengthen the balance sheet and reduce interest costs, and returning capital to Preferred Unitholders through *pro rata* redemptions at par, a significant premium to current fair market value. Subject to debt levels and obligations pursuant to lender credit/financing agreements, Enercapita plans to allocate approximately 80% of free cash flow to debt repayment and 20% to redemption of Preferred Units until net debt reaches \$20 million. Management expects that Enercapita will achieve this target in early 2025 (assuming US\$70/bbl WTI; \$1.00 = US\$0.74 fx; realized oil price at 9% differential to WTI; \$2.00/mcf AECO; 5,834 boe/d average production (approximately 70% oil and 30% natural gas); 15% royalties; and \$29.35/boe opex/transportation). Once net debt reaches \$20 million, Enercapita plans to allocate approximately 50% of free cash flow to debt repayment and 50% to redemption of Preferred Units. Once net debt reaches \$10 million, Enercapita plans to allocate approximately 25% of free cash flow to debt repayment and 75% to redemption of Preferred Units.

After a review of the business and careful consideration of a number of factors, including the rationale and market conditions described below, the Board (including the independent directors of the Board) has unanimously determined that, subject to the required unitholder approvals, the Amendments are in the best interests of the Trust and the Partnership.

RATIONALE FOR THE AMENDMENTS

The Board makes its recommendations for the following reasons:

 A liquidity event is not in the best interests of unitholders at the current time due to an extreme disconnect between the underlying business and market valuations.

Enercapita has a strong asset base that: (a) generates sustainable free cash flow; (b) has robust reserves value; and (c) has significant economic drilling upside and value potential. The market is currently valuing assets comparable to those of Enercapita's at a low multiple of cash flow. After consultation with an independent financial advisor to Enercapita and in consideration of Enercapita's recent non-core asset market test, the Board believes that Enercapita would not receive fair value for its assets (and that investors would receive materially less than \$1.00 per Preferred Unit) if it were to pursue a sales event under current market conditions. Therefore, it would not be prudent to pursue a monetization event in the context of current market conditions.

2. <u>Investors will begin receiving redemption proceeds of Preferred Units at par while Enercapita works toward a full liquidity event.</u>

The Amendments will allow investors to begin recovering their initial capital contributions with respect to Preferred Units redeemed by the Trust or the Partnership regardless of their fair market value. Such redemption is expected to generate a tax efficient quarterly cash flow stream for all investors while Enercapita works to position itself to pursue a full liquidity event in the future.

The pursuit of a liquidity event which would provide full return of capital to Preferred Unitholders is largely dependent on commodity prices and market conditions. However, as Enercapita further positions its asset base to attract a premium valuation, reduces debt, and uses free cash flow to return capital to Preferred Unitholders, the likelihood of a subsequent liquidity event which would provide full return of capital and return on investment is expected to increase.

Investors will receive liquidity over time while retaining the ability to participate in the upside of Enercapita.

Prior to the Amendments, an investor that has its Preferred Units redeemed by the Trust or the Partnership will also have its Common A LP Units redeemed at nominal value.

The Amendments will allow investors to retain their Common A LP Units upon redemption of Preferred Units by the Trust or the Partnership. This ensures that investors will participate in any potential equity value of Enercapita beyond \$1.00 per Preferred Unit even as their investment capital is returned.

4. The Amendments will result in better alignment of strategy, investors and management.

Prior to the Amendments, the "Preferred Return" on the Preferred Units was designed to incentivize management to grow Enercapita's asset base through re-investment of cash flow. Management would only be entitled to performance compensation if management could compound the growth of Enercapita's asset base at a rate that exceeds the "Preferred Return". This model does not align with Enercapita's proposed strategy, which is to use free cash flow to reduce debt and return investor capital at par.

The Amendments (by eliminating the "Preferred Return") will align strategy, Preferred Unitholders and management by allowing Enercapita to reduce debt and returning capital to holders of Preferred Units at par (as management, being the holders of common units of the Partnership, can only participate in the value accrued to such units <u>after</u> the Preferred Units have been redeemed at par) rather than using free cash flow to pursue growth in a low value market.

5. Investors will experience less volatility with respect to the redemption price of the Preferred Units.

Prior to the Amendments, the redemption price in respect of Preferred Units redeemed by the Partnership or the Trust is equal to the lesser of \$1.00 per Preferred Unit and the fair market value of such Preferred Unit. This has resulted in a redemption price of less than \$1.00 per Preferred Unit since 2018 (with the exception of three quarters). Further, in a volatile market, the fair market value of the Preferred Units fluctuates significantly from quarter to quarter. Preferred Units are subjected to a "point in time" valuation upon redemption, making it difficult for investors to anticipate the redemption value of their Preferred Units when requesting redemption. There is also significant risks and uncertainties with any method of determining fair market value, which may differ materially from the price realized upon a full liquidity event.

The Amendments will provide more certainty to investors as it pertains to the value of their Preferred Units upon redemption by the Trust or the Partnership, as these redemptions will occur at a fixed price of \$1.00 per Preferred Unit, a significant premium to the current fair market value.

REQUIRED UNITHOLDER APPROVAL

For the Amendments to become effective:

- the special resolution approving the amendments to the Declaration of Trust must be approved by the affirmative vote of more than 66%% of the votes cast by holders of Preferred Trust Units who are entitled to vote and do vote on the resolutions (all classes of Preferred Trust Units voting as a single class);
- (b) the special resolution approving the amendments to the Partnership Agreement must be approved by the affirmative vote of more than 66%% of the votes cast by holders of Preferred LP Units who are entitled to vote and do vote on the resolutions (all classes of Preferred LP Units voting as a single class); and
- (c) the special resolution approving the amendments to the Partnership Agreement must be approved by the affirmative vote of more than 663/4% of the votes cast by holders of Common ALP Units who are entitled to vote and do vote on the resolutions.

As the holders of Preferred Trust Units are not direct holders of Preferred LP Units, the special resolution approving the amendments to the Declaration of Trust, if approved, shall also direct the Administrator/GP, as the administrator of the Trust, to: (a) vote all of the Preferred LP Units held by the Trust in favour of the special resolution approving the amendments to the Partnership Agreement; or (b) execute and deliver a written resolution approving the special resolution approving the amendments to the Partnership Agreement in respect of the Preferred LP Units held by the Trust.

Subject to the required unitholder approvals, the Trust and the Partnership anticipate that the Amendments will become effective on or about February 6, 2024.

Your vote is very important. Whether or not you attend the Meeting, please take the time to vote your Preferred Trust Units, Preferred LP Units and/or Common A LP Units in accordance with the instructions contained in the form of proxy for the Meeting or other voting instruction form, as applicable.

Yours very truly,

"Craig Hruska"

Forward-Looking Statements

This Information Circular contains "forward-looking statements" and "forward-looking information" within the meaning of applicable securities laws (forward-looking statements and forward-looking information being collectively referred to as "forward-looking information") that are based on expectations, estimates and projections as at the date of this Information Circular. Any statements that involve discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions, future events or performance (often, but not always, using words or phrases such as "expects" or "does not expect", "is expected", "anticipates" or "does not anticipate", "plans", "budget", "scheduled", "forecasts", "estimates", "believes" or "intends" or variations of such words and phrases or stating that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved) are not statements of historical fact and may be forwardlooking statements and are intended to identify forward-looking information. This forward-looking information includes, but is not limited to, statements and information concerning: the Amendments; the anticipated timing for completion of the Amendments; the anticipated benefits of the Amendments; the principal steps of the Amendments; the occurrence and outcome of the Meeting; Enercapita's strategy and business objectives if the Amendments are approved; Enercapita's strategy to preserve unitholder value; Enercapita's intention to allocate sufficient cash flow to develop its core assets; Enercapita's intention to use its free cash flow to redeem Preferred LP Units and Preferred Trust Units and reduce indebtedness; Enercapita's intention to position itself to pursue a full liquidity event in the future; the ability of investors to participate in any potential equity value of Enercapita beyond \$1.00 per Preferred Unit; the alignment of strategy, investors and management if the Amendments are approved; the ability of investors to experience less volatility with respect to the redemption price of the Preferred Units upon redemption by the Trust or the Partnership if the Amendments are approved; the payment of the redemption price for the Preferred Units redeemed by the Trust or the Partnership, as applicable; the treatment of the Trust, the Partnership and the Unitholders under governmental regulatory regimes, securities laws and tax laws, including the Trust's qualification as a "mutual fund trust"; and other statements that are not historical facts.

To the extent any forward-looking information constitutes future-oriented financial information or financial outlook, as those terms are defined under applicable securities laws, such statements are being provided to describe the current anticipated effect of the Amendments, and readers are cautioned that these statements may not be appropriate for any other purpose, including investment decisions.

Forward-looking information is based on a number of factors and assumptions which have been used to develop such information but which may prove to be incorrect. Although management believes that the expectations reflected in the forward-looking information are reasonable, it cannot guarantee future results, levels of activity, performance or achievement since such expectations are inherently subject to significant business, economic, competitive, political and social uncertainties and contingencies. In addition to other factors and assumptions which may be identified in this Information Circular, assumptions have been made regarding, among other things: the Trust's qualification as a "mutual fund trust" and not as a "SIFT trust" under the Tax Act; the approval of the Amendments; the benefits of the Amendments; costs to Enercapita, including with respect to production, royalty payments and capital program; free cash flow available to Enercapita; the payment of the advisory services fee; the general stability of the economic and political environment in which the Trust and the Partnership operate; treatment under governmental regulatory regimes and tax laws; the ability of the General Partner of the Partnership to obtain qualified staff, equipment and services in a timely and cost efficient manner; valuation of Enercapita; commodity prices; and currency, exchange and interest rates.

By its nature, forward-looking information, including future-oriented financial information or financial outlook, is based on the current expectations, estimates and projections of management and involves known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements expressed or implied herein to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information, including, without limitation, the risks and uncertainties that Enercapita is currently subject to in its business, the risks and uncertainties described in "Certain Risk Factors Relating to the Amendments" and other economic and business factors, some of which may be beyond the control of Enercapita. These lists are not exhaustive of the factors that may affect any of the forward-looking information contained herein.

Enercapita expressly disclaims any intention or obligation to update or revise any information contained in this Information Circular (including forward-looking information) except as required by applicable laws, and Unitholders should not assume that any lack of update to information contained in this Information Circular means that there has been no change in that information since the date of this Information Circular and should not place undue reliance on forward-looking information.

ABBREVIATIONS

In this Information Circular, the following abbreviations have the meanings set forth below.

API	American Petroleum Institute	Mcf	thousand cubic feet
bbl and bbls	barrel and barrels, each barrel representing 34.972 Imperial gallons or 42 U.S. gallons	Mcf/d	thousand cubic feet per day
bbls/d	barrels per day	Mcfe	thousand cubic feet of natural gas equivalent
Bboe	billions of barrels of oil equivalent	Mcfe/d	thousand cubic feet of natural gas equivalent per day
Bcf	billion cubic feet	MMbbls	millions of barrels
Bcfe	billion cubic feet equivalent	MMboe	millions of barrels of oil equivalent
boe	barrels of oil equivalent	MMBtu	million British thermal units
boe/d	barrels of oil equivalent per day	MMcf	million cubic feet
Btu	British thermal unit	MMcf/d	million cubic feet per day
gpm	gallons per minute	psi	pounds per square inch
kW	thousand watts	Tcf	trillion cubic feet
Mbbls	thousands of barrels	Tcfe	trillion cubic feet of natural gas equivalent
Mboe	thousands of barrels of oil equivalent	M	thousand
		MM	million

Disclosure provided in this Information Circular for barrels of oil equivalent ("boe") and thousand cubic feet of gas equivalent ("Mcfe") may be misleading, particularly if used in isolation. A boe conversion ratio of six Mcf to one bbl and a Mcfe conversion ratio of one bbl to six Mcf are based on an energy equivalency conversion method primarily applicable at the burner tip and do not represent a value equivalency at the wellhead. Given that the value ratio based on the current price of oil as compared to natural gas is significantly different from the energy equivalency conversion ratio of six to one, utilizing a boe conversion ratio of six Mcf to one bbl and a Mcfe conversion ratio of one bbl to six Mcf would be misleading as an indication of value.

Electronic Delivery

Enercapita is providing Meeting materials electronically for both registered and non-registered Unitholders. Instead of mailing Meeting materials to Unitholders, Enercapita has posted the letter to unitholders, this Information Circular and form of proxy on Alliance Trust Company's website at www.alliancetrust.ca/shareholders/. Enercapita has sent the Trust Notice of Meeting, LP Notice of Meeting and a form of proxy to all Unitholders by mail informing them that this Information Circular is available online and explaining how this Information Circular may be accessed.

Enercapita has elected to utilize electronic delivery of Meeting materials because it is more environmentally friendly and also significantly lowered printing and mailing costs associated with this Meeting.

Voting of Proxies

Preferred Trust Units, Preferred LP Units and Common A LP Units represented by properly executed proxies in favour of the persons designated by the Administrator/GP will be voted at the Meeting in accordance with the instructions contained therein. In the absence of such instructions, such Preferred Trust Units, Preferred LP Units and Common A LP Units WILL BE VOTED FOR the Declaration of Trust Amendment Resolution and the Partnership Agreement Amendment Resolution, as applicable.

The enclosed Trust Form of Proxy and LP Form of Proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to the matters identified in the Trust Notice of Meeting and LP Notice of Meeting and with respect to other matters which may properly come before the Meeting in respect of which the proxy is granted or any adjournments of such meeting. As of the date hereof, the Administrator/GP knows of no such amendments, variations or other matters to come before the Meeting.

Record Date and Quorum

The Administrator/GP has fixed the close of business on December 28, 2023 as the Record Date for the purpose of determining which Unitholders are entitled to receive notice of and to vote at the Meeting. Holders of Preferred Trust Units, Preferred LP Units and/or Common A LP Units on the Record Date will be entitled to vote at the Meeting, and no holder of Preferred Trust Units, Preferred LP Units and/or Common A LP Units coming to hold Preferred Trust Units, Preferred LP Units and/or Common A LP Units after the Record Date shall be entitled to vote, unless, in the case of a holder of Preferred LP Units and/or Common A LP Units only, the Administrator/GP determines otherwise.

If your Preferred LP Units and/or Common A LP Units were transferred to you from another Unitholder after the Record Date and you wish to be entitled to vote at the Meeting, you should contact the Administrator/GP. Any holder of Preferred Trust Units, Preferred LP Units and/or Common A LP Units who was a holder of Preferred Trust Units, Preferred LP Units and/or Common A LP Units at the Record Date shall be entitled to receive notice of and to vote at the Meeting, even though he or she has since the Record Date disposed of the Preferred Trust Units, Preferred LP Units and/or Common A LP Units.

The quorum for the Meeting of holders of Preferred Trust Units is one or more holders of Preferred Trust Units present in person or by proxy representing not less than five percent (5%) of all the outstanding Preferred Trust Units of such class of Preferred Trust Units. If within one-half hour from the time appointed for the Trust Meeting, a quorum is not present, then the meeting shall stand adjourned to a day not less than seven (7) days later. If at such adjourned meeting a quorum as defined above is not present, the holders of Preferred Trust Units entitled to vote at such meeting and present either personally or by proxy shall form a quorum.

The quorum for the Meeting of holders of Preferred LP Units is one or more holders of Preferred LP Units present in person or by proxy representing not less than fifty percent (50%) of the outstanding Preferred LP Units of such class of Preferred LP Units. If within one-half hour from the time appointed for the LP Meeting a quorum is not present, then the Meeting shall stand adjourned for not less than seven (7) days or more than twenty-one (21) days later. At the adjourned meeting, the holders of Preferred LP Units present in person or by proxy shall constitute quorum.

The quorum for the Meeting of holders of Common A LP Units is one or more holders of Common A LP Units present in person or by proxy representing not less than fifty percent (50%) of the outstanding Common A LP Units. If within one-half hour from the time appointed for the LP Meeting a quorum is not present, then the Meeting shall stand adjourned for not less than seven (7) days or more than twenty-one (21) days later. At the adjourned meeting, the holders of Common A LP Units present in person or by proxy shall constitute quorum.

If the quorum is not present for the Trust Meeting or the LP Meeting, the Trust Meeting will be adjourned to February 13, 2024 at 9:00 a.m. (Calgary time) virtually via Zoom teleconference and the LP Meeting will be adjourned to February 13, 2024 at 9:10 a.m. (Calgary time) virtually via Zoom teleconference. Advice for Non-Registered Unitholders

The information in this section is of significant importance to many Unitholders, as a substantial number of the Unitholders do not hold their Preferred Trust Units. Preferred LP Units and/or Common A LP Units, as applicable, in their own name.

Unitholders who do not hold their Preferred Trust Units, Preferred LP Units and/or Common A LP Units, as applicable, in their own name should note that only proxies deposited by the Unitholders whose name appears on the records of the Trust or the Partnership, as applicable, as a registered holder of Preferred Trust Units, Preferred LP Units and/or Common A LP Units can be recognized and acted upon at the Meeting. If Preferred Trust Units, Preferred LP Units and/or Common A LP Units are listed in an account statement provided to a Unitholder by a broker, bank, trust company or other intermediary, then in almost all cases those Preferred Trust Units, Preferred LP Units and/or Common A LP Units will not be registered in the Unitholder's name on the records of the Trust or the Partnership. Such Preferred Trust Units, Preferred LP Units and/or Common A LP Units will more likely be registered under the name of the Unitholder's broker, bank, trust company or other intermediary or an agent of that intermediary.

In order for a beneficial holder of Preferred Trust Units, Preferred LP Units and/or Common A LP Units to have its Preferred Trust Units, Preferred LP Units and/or Common A LP Units voted at the Meeting, it must complete and sign the voting instruction form provided by its broker, bank, trust company or other intermediary and return such voting instruction form in accordance with the instructions provided therein in advance of the Meeting. Failure to do so will result in such Preferred Trust Units, Preferred LP Units and/or Common A LP Units not being voted at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

As at the Record Date, there were no Preferred Trust Units of any other class issued and outstanding. Each Preferred Trust Unit will entitle the holder of record thereof to one (1) vote at the Meeting.

To the knowledge of Management, the following persons beneficially own, directly or indirectly, or exercise control or direction over, more than ten percent (10%) of the voting rights attached to each class of Units of the Trust entitled to be voted at the Meeting:

Name	Class of Securities	Number of Securities Owned or Controlled	Percentage of Class of Outstanding Voting Securities
Skrepnek Family Capital Corp.	PTUs	24,066,199	12%

As at the Record Date, there were no Preferred LP Units or Common LP Units of any other class issued and outstanding. Each Preferred LP Unit and Common A LP Unit will entitle the holder of record thereof to one (1) vote at the Meeting.

To the knowledge of Management, the following persons beneficially own, directly or indirectly, or exercise control or direction over, more than ten percent (10%) of the voting rights attached to each class of Units of the Partnership entitled to be voted at the Meeting.

Skrepnek Family Capital Corp.	Common A LP Units	12,920,481	12%

As the holders of Preferred Trust Units are not direct holders of Preferred LP Units, the Declaration of Trust Amendment Resolution, if approved, shall also direct the Administrator/GP, as the administrator of the Trust, to: (a) vote all of the Preferred LP Units of the Partnership held by the Trust in favour of the Partnership Agreement Amendment Resolution; or (b) execute and deliver a written resolution approving the Partnership Agreement Amendment Resolution in respect of the Preferred LP Units held by the Trust. The Trust holds a sufficient number of Preferred C1 LP Units to approve the Partnership Agreement Amendment Resolution on behalf of the holders of Preferred LP Units.

Each outstanding class of Preferred Trust Units is invested in the corresponding class of Preferred LP Units shown adjacent to such class of Preferred Trust Units in the chart below.

THE AMENDMENTS

The information in this section is qualified in its entirety by the more detailed disclosure found elsewhere in this Information Circular and the full text of the Declaration of Trust and the Partnership Agreement attached hereto. See "*Terms of Securities*" below.

A blackline copy of the form of Declaration of Trust (as would be amended by the Declaration of Trust Amendment Resolution), compared to the current Declaration of Trust is included as "Schedule C" to the Information Circular. A blackline copy of the form of Partnership Agreement (as would be amended by the Partnership Agreement Amendment Resolution), compared to the current Partnership Agreement, is included as "Schedule D" to the Information Circular.

Background to the Amendments

In the last several years, Enercapita has focused on preservation and value growth while returning capital to investors through challenging market conditions, including high volatility and persistently low market valuations. Accordingly, Enercapita has not paid cash distributions and has instead prioritized a combination of debt repayment and providing unitholder liquidity through redemptions. This has proved to be a prudent strategy in light of the high interest rates and a lack of other viable liquidity options.

Meanwhile, investor demand for liquidity remains high. In the fourth quarter of 2023, Enercapita received an unsolicited proposal from an asset management firm which represents a majority of both the Preferred Units and the Common A LP Units. The proposal suggested that Enercapita consider amending the Declaration of Trust and the Partnership Agreement to allow the Trust and the Partnership to redeem the Preferred Units at par while ensuring investors retain any potential upside through continued ownership of the Common A LP Units. After receipt of the proposal, management developed the Amendments in consultation with the investor and the independent directors. The independent directors have been very engaged and proactive with management on the strategic direction of Enercapita, and have completed their own due diligence with respect to the proposed Amendments. The independent directors were first made aware of the proposal in October 2023 and had various meetings and correspondence with management throughout November and December 2023. The independent directors met with Enercapita's external legal counsel on December 12, 2023, without the presence of management, to discuss the proposed Amendments. Furthermore, the independent directors met Enercapita's independent financial advisor on December 19, 2023, and reviewed financial scenarios and views on the proposed Amendments.

Steps for the Amendments

The Amendments, if approved, involve two (2) major implementation steps, the first of which will take place at the Trust level and the second of which will take place at the Partnership level. The following provides a summary of these steps.

Trust Level Step

Pursuant to the Declaration of Trust Amendment Resolution, the Declaration of Trust will be amended as follows:

- redemption of Preferred Trust Units by the Trust shall be completed on a pro rata basis;
- notwithstanding the foregoing, the Trust shall be able to complete from time to time a full redemption with respect to smaller investors that hold less than 10,000 Preferred Trust Units. This is expected to reduce the number of holders of Preferred Trust Units that would only receive nominal redemptions due to their comparatively smaller holdings;
- the interest rate for redemption notes issued by the Trust shall be the Redemption Note Interest Rate; and

• issued and outstanding unit certificates representing the Preferred Trust Units will be null, void and of no force and effect and the register of Preferred Trust Unitholders will be conclusive evidence of the legal owner of Preferred Trust Units. This is expected to reduce the administrative burden associated with *pro rata* redemption of Preferred Trust Units.

While amendment to the Declaration of Trust is expected to be minimal, the amendments to the Limited Partnership Agreement will have the following effects:

- holders of Preferred Trust Units shall not be entitled to Preferred Return on Corresponding Partnership Units: (a) with respect to
 distributions on Corresponding Partnership Units (including unpaid Cash Flow Available for Distribution in respect of the
 Corresponding Partnership Units); or (b) upon liquidation, dissolution or winding up of the Partnership; and any existing accrued
 Preferred Return on Corresponding Partnership Units will be eliminated;
- holders of Preferred Trust Units shall be entitled to a redemption price of \$1.00 per Corresponding Partnership Unit (rather than the lesser of: (a) the fair market value of the Corresponding Partnership Unit; and (b) \$1.00 per Corresponding Partnership Unit) upon redemption of their Corresponding Partnership Unit initiated by the Partnership, with the corresponding redemption of the Preferred Trust Unit initiated by the Trust; and
- upon liquidation, holders of Preferred Trust Units shall be entitled to \$1.00 per Corresponding Partnership Unit held (to the extent sufficient assets remain in the Partnership), and such amount shall be paid before any amount shall be paid to any holder of Common A LP Units or any other common units of the Partnership.

Partnership Level Step

Pursuant to the Partnership Agreement Amendment Resolution, the Partnership Agreement will be amended as follows:

- redemption of Preferred LP Units by the Partnership shall be completed on a pro rata basis;
- notwithstanding the foregoing, the Partnership shall be able to complete from time to time a full redemption with respect to smaller investors that hold less than 10,000 Preferred LP Units. This is expected to reduce the number of holders of Preferred LP Units that would only receive nominal redemptions due to their comparatively smaller holdings;
- holders of Preferred LP Units shall be entitled to a redemption price of \$1.00 per Preferred LP Unit (rather than the lesser of: (a)
 the fair market value of the Preferred LP Unit; and (b) \$1.00 per Preferred LP Unit) upon redemption of their Preferred LP Units
 initiated by the Partnership;
- holders of Preferred LP Units shall be entitled to retain their Common A LP Units upon redemption of their Preferred LP Units initiated by the Partnership;
- holders of Preferred LP Units shall not be entitled to accrue a Preferred Return: (a) with respect to distributions on Preferred LP
 Units (including unpaid Cash Flow Available for Distribution in respect of the Preferred LP Units); or (b) upon liquidation, dissolution
 or winding up of the Partnership;
- any existing accrued Preferred Return of up to \$0.12 per Preferred LP Units (which would be realized only upon a liquidity event
 that values the Preferred LP Units at greater than \$1.00 per Preferred LP Unit and only to the extent there is sufficient excess
 value) will be eliminated;
- no distributions shall be made to Common LP Unitholders for so long as Preferred LP Units are outstanding;
- the interest rate for redemption notes issued by the Partnership shall be the Redemption Note Interest Rate;
- upon liquidation of the Partnership, Preferred LP Unitholders shall be entitled to \$1.00 per Preferred LP Unit held (to the extent sufficient assets remain in the Partnership) following payment of liabilities to third parties, provision for reserves and payment of the capital account balance and costs and expenses to the Administrator/GP, and such amount shall be paid before any amount shall be paid to any holder of Common A LP Units or any other common units of the Partnership; and
- issued and outstanding unit certificates representing the Preferred LP Units and the Common LP Units will be null, void and of no force and effect and the register of Preferred LP Unitholders and Common LP Unitholders will be conclusive evidence of the legal owner of Preferred LP Units and Common LP Units, respectively.

Allocation of Proceeds

Upon a liquidity event, if sales proceeds are sufficient enough to exceed debt and an amount equal to \$1.00 per Preferred Unit, the Amendments will result in a change in the proceeds to be distributed to investors due to the elimination of the Preferred Return. The following tables outline, under various enterprise valuations (columns outlined in red most reflective of current market conditions), the difference between the allocation of proceeds before and after the Amendments:

Purpose of the Amendments and Post-Amendment Business Strategy

The Amendments would allow the Trust and the Partnership to begin returning capital to holders of Preferred Units by redeeming such Preferred Units at par, while allowing such holders to retain any potential upside through continued ownership of the Common A LP Units. Enercapita intends to allocate a portion of free cash flow on a quarterly basis to redemptions, subject to debt levels and obligations pursuant to lender credit/financing agreements.

If the Amendments are approved, the Preferred Return on the Preferred LP Units will be eliminated. Accordingly, any equity value in Enercapita in excess of \$1.00 per Preferred Unit will accrue to the Common LP Units, including the Common A LP Units. As holders of Preferred Units are expected to also own Common A LP Units (as they were initially sold together as a tied unit), such holders would participate in any equity value in excess of \$1.00 per Preferred Unit in their capacity as holders of Common A LP Units. Any value that accrues to common units of the Partnership would be shared among the Common B LP Units and Common C LP Units (all of which are held by current or former management and employees of Enercapita). However, such value would accrue to the Common LP Units once all Preferred LP Units have been redeemed at par.

In 2022 and 2023 combined, Enercapita generated approximately \$52 million of free cash flow (average WTI of 85.93 US\$/bbl) and has allocated over \$50 million of such free cash flow to redemptions, reducing the number of outstanding Preferred Units by 22% over two years. As a result, debt levels have remained elevated (approximately \$39 million of net debt as of December 31, 2023).

If the Amendments are approved, Enercapita plans to focus on preserving and enhancing unitholder value by: (a) allocating sufficient cash flow to develop its core assets and execute its strategy to position the company to attract a premium valuation on exit, while maximizing free cash flow to meet its debt reduction and unitholder return of capital objectives; and (b) allocating free cash flow to a combination of debt reduction, to strengthen the balance sheet and reduce interest costs, and returning capital to Preferred Unitholders through *pro rata* redemptions at par, a significant premium to current fair market value. Subject to debt levels and obligations pursuant to lender credit/financing agreements, Enercapita plans to allocate approximately 80% of free cash flow to debt repayment and 20% to redemption of Preferred Units until net debt reaches \$20 million. Management expects that Enercapita will achieve this target in early 2025 (assuming US\$70/bbl WTI; \$1.00 = US\$0.74 fx; realized oil price at 9% differential to WTI; \$2.00/mcf AECO; 5,834 boe/d average production (approximately 70% oil and 30% natural gas); 15% royalties; and \$29.35/boe opex/transportation). Once net debt reaches \$20 million, Enercapita plans to allocate approximately 50% of free cash flow to debt repayment and 50% to redemption of Preferred Units. Once net debt reaches \$10 million, Enercapita plans to allocate approximately 25% of free cash flow to debt repayment and 75% to redemption of Preferred Units.

Recommendation of the Board of Directors

After a review of the business and careful consideration of a number of factors, including the rationale and market conditions described below, the Board unanimously determined that, subject to the approval of the holders of Preferred Trust Units, Preferred LP Units and Common A LP Units, the Amendments are in the best interests of the Trust and the Partnership.

The Board unanimously recommends that the holders of Preferred Trust Units vote <u>for</u> the special resolutions attached as "Schedule A" hereto approving the Amendments. The Board unanimously recommends that the holders of Preferred LP Units and Common A LP Units vote for the special resolutions attached as "Schedule B" hereto approving the Amendments.

Rationale for the Amendments

The Board makes its recommendations to the holders of Preferred Trust Units, Preferred LP Units and Common A LP Units for the following reasons:

1. A liquidity event is not in the best interests of unitholders at the current time due to an extreme disconnect between the underlying business and market valuations.

Enercapita has a strong asset base that: (a) generates sustainable free cash flow; (b) has robust reserves value; and (c) has significant economic drilling upside and value potential. The market is currently valuing assets comparable to those of Enercapita's at a low multiple of cash flow. After consultation with an independent financial advisor to Enercapita and in consideration of Enercapita's recent non-core asset market test, the Board believes that Enercapita would not receive fair value for its assets (and that investors would receive materially less than \$1.00 per Preferred Unit) if it were to pursue a sales event under current market conditions. Therefore, it would not be prudent to pursue a monetization event in the context of current market conditions.

2. <u>Investors will begin receiving redemption proceeds of Preferred Units at par while Enercapita works toward a full liquidity event.</u>

The Amendments will allow investors to begin recovering their initial capital contributions with respect to Preferred Units redeemed by the Trust or the Partnership regardless of their fair market value. Such redemption is expected to generate a tax efficient quarterly cash flow stream for all investors while Enercapita works to position itself to pursue a full liquidity event in the future.

The pursuit of a liquidity event which would provide full return of capital to Preferred Unitholders is largely dependent on commodity prices and market conditions. However, as Enercapita further positions its asset base to attract a premium valuation, reduces debt, and uses free cash flow to return capital to Preferred Unitholders, the likelihood of a subsequent liquidity event which would provide full return of capital and return on investment is expected to increase.

3. Investors will receive liquidity over time while retaining the ability to participate in the upside of Enercapita.

Prior to the Amendments, an investor that has its Preferred Units redeemed by the Trust or the Partnership will also have its Common A LP Units redeemed at nominal value.

The Amendments will allow investors to retain their Common A LP Units upon redemption of Preferred Units by the Trust or the Partnership. This ensures that investors will participate in any potential equity value of Enercapita beyond \$1.00 per Preferred Unit even as their investment capital is returned.

The Amendments will result in better alignment of strategy, investors and management.

Prior to the Amendments, the "Preferred Return" on the Preferred Units was designed to incentivize management to grow Enercapita's asset base through re-investment of cash flow. Management would only be entitled to performance compensation if management could compound the growth of Enercapita's asset base at a rate that exceeds the "Preferred Return". This model does not align with Enercapita's proposed strategy, which is to use free cash flow to reduce debt and return investor capital at par.

The Amendments (by eliminating the "Preferred Return") will align strategy, Preferred Unitholders and management by allowing Enercapita to reduce debt and returning capital to holders of Preferred Units at par (as management, being the holders of common units of the Partnership, can only participate in the value accrued to such units <u>after</u> the Preferred Units have been redeemed at par) rather than using free cash flow to pursue growth in a low value market.

5. Investors will experience less volatility with respect to the redemption price of the Preferred Units.

Prior to the Amendments, the redemption price in respect of Preferred Units redeemed by the Partnership or the Trust is equal to the lesser of \$1.00 per Preferred Unit and the fair market value of such Preferred Unit. This has resulted in a redemption price of less than \$1.00 per Preferred Unit since 2018 (with the exception of two quarters). Further, in a volatile market, the fair market value of the Preferred Units fluctuates significantly from quarter to quarter. Preferred Units are subjected to a "point in time" valuation upon redemption, making it difficult for investors to anticipate the redemption value of their Preferred Units when requesting redemption. There is also significant risks and uncertainties with any method of determining fair market value, which may differ materially from the price realized upon a full liquidity event.

The Amendments will provide more certainty to investors as it pertains to the value of their Preferred Units upon redemption by the Trust or the Partnership, as these redemptions will occur at a fixed price of \$1.00 per Preferred Unit, a significant premium to the current fair market value.

Required Unitholder Approval

At the Meeting:

- the Preferred Trust Unitholders will be asked to consider and, if deemed advisable, to pass, the Declaration of Trust Amendment Resolution to approve the Amendments; and
- the Preferred LP Unitholders and Common A LP Unitholders will be asked to consider and, if deemed advisable, to pass, the Partnership Agreement Amendment Resolution to approve the Amendments.

For the Amendments to become effective:

- (a) the Declaration of Trust Amendment Resolution must be approved by the affirmative vote of more than 66%% of the votes cast by holders of Preferred Trust Units who are entitled to vote and do vote on the resolutions (all classes of Preferred Trust Units voting as a single class);
- (b) the Partnership Agreement Amendment Resolution must be approved by the affirmative vote of more than 66%% of the votes cast by holders of Preferred LP Units who are entitled to vote and do vote on the resolutions (all classes of Preferred LP Units voting as a single class); and
- (c) the Partnership Agreement Amendment Resolution must be approved by the affirmative vote of more than 66%% of the votes cast by holders of Common A LP Units who are entitled to vote and do vote on the resolutions.

Further, as the holders of Preferred Trust Units are not direct holders of Preferred LP Units, the Declaration of Trust Amendment Resolution, if approved, shall also direct the Administrator/GP, as the administrator of the Trust, to: (a) vote all of the Preferred LP Units held by the Trust in favour of the Partnership Agreement Amendment Resolution; or (b) execute and deliver a written resolution approving the Partnership Agreement Amendment Resolution in respect of the Preferred LP Units held by the Trust. The Trust holds a sufficient number of Preferred C1 LP Units to approve the Partnership Agreement Amendment Resolution on behalf of the holders of Preferred C1 LP Units. See "Voting Securities and Principal Holders of Voting Securities" above.

Notwithstanding the foregoing, the Declaration of Trust Amendment Resolution and Partnership Agreement Amendment Resolution proposed for consideration by the Preferred Trust Unitholders, Preferred LP Unitholders and Common A LP Unitholders authorizes the Board, without further notice to, or approval of, such Preferred Trust Unitholders, Preferred LP Unitholders and Common A LP Unitholders, to decide not to proceed with the Amendments at any time prior to the Amendments becoming effective.

Effective Date

The Administrator/GP currently expects the Effective Date to occur on or about February 6, 2024. However, it is not possible to determine with certainty when the Effective Date will occur.

CERTAIN CANADIAN FEDERAL INCOME TAX CONSIDERATIONS

This information in this section is of a general nature only and is not intended to be relied on as legal or tax advice or representations to any particular Unitholder. Consequently, Unitholders are urged to seek independent tax advice in respect of the consequences to them of an investment in Units having regard to their particular circumstances.

General

The following summary has been prepared by Norton Rose Fulbright Canada LLP ("Counsel") and describes the principal Canadian federal income tax considerations pursuant to the Tax Act relating to the Amendments. This summary is generally applicable to a Unitholder who is an individual (other than a trust) who, for purposes of the Tax Act, is resident in Canada, beneficially owns Preferred Trust Units, Preferred LP Units or Common A LP Units (collectively, "Units") as capital property and deals at arm's length, and is not affiliated with the Trust or the Partnership, as applicable. Generally, Units will be capital property of a Unitholder provided the Unitholder does not hold the Units in the course of carrying on a business of trading or dealing in securities and has not acquired them in one or more transactions considered to be an adventure in the nature of trade.

This summary is not applicable to a Unitholder: (a) an interest in which would be a "tax shelter investment" as defined in section 143.2 of the Tax Act; (b) that is a "financial institution" as defined in section 142.2 of the Tax Act; (c) that has elected to determine its Canadian tax results in a "functional currency" other than the Canadian dollar; or (d) that has entered or will enter into a "synthetic disposition arrangement" or "derivative forward agreement" with respect to the Units, all within the meaning of the Tax Act. Such Unitholders should contact their own tax advisors having regard to their own particular circumstances.

This summary is based upon information set out in this Information Circular, the provisions of the Tax Act in force as of the date hereof, all specific proposals to amend the Tax Act that have been publicly announced by or on behalf of the Minister of Finance (Canada) prior to the date hereof (the "**Proposed Amendments**") and Counsel's understanding of the current published administrative and assessing policies of the Canada Revenue Agency (the "**CRA**") that have been made publicly available as of the date hereof. There can be no assurance that the Proposed Amendments will be enacted in the form proposed, or at all. This summary is not exhaustive of all possible Canadian federal income tax considerations applicable to the Trust, the Partnership or the Amendments and, except for the Proposed Amendments, does not take into account or anticipate any changes in the law, whether by legislative, governmental or judicial action or changes in the administrative policies or assessing practices of the CRA. This summary does not take into account provincial, territorial or foreign tax considerations, which may differ significantly from those discussed herein.

This summary is not exhaustive of all possible Canadian federal tax considerations and is not intended to constitute legal or tax advice to any particular Unitholder. Unitholders should consult their own tax advisors for advice with respect to the tax consequences based on their particular circumstances.

Trust Amendments

Although the matter is not free from doubt, based in part on the published administrative policies of the CRA, the proposed amendments to the Declaration of Trust should not, in and of themselves, result in a disposition by a Preferred Trust Unitholder of their Preferred Trust Units or a disposition by the Trust of any of its property. However, there can be no assurance that the CRA or a Canadian court will concur in this view and, accordingly, Preferred Trust Unitholders should consult their own tax advisors in this regard. Further, the proposed amendments to the Declaration of Trust should not, in and of themselves, cause the Trust to cease to qualify as a mutual fund trust for purposes of the Tax Act.

Partnership Amendments

Although the matter is not free from doubt, it is possible that the proposed amendments to the Partnership Agreement could be considered to be so fundamental that their adoption results in the disposition by Preferred LP Unitholders or Common A LP Unitholders (collectively, "Partnership Unitholders") of their Partnership Units and the acquisition of different Preferred LP Units or Common A LP Units (collectively, "Partnership Units"). Partnership Unitholders should consult their own tax advisors in this regard. If there is a disposition of Partnership Units, a Partnership Unitholder would realize a capital loss (or a capital gain) for the year in which such amendments were effected equal to the amount by which the proceeds of disposition of the Partnership Units, net of any reasonable costs of disposition, is less than (or exceeds) the adjusted cost base of the Partnership Units to the Partnership Unitholder. In this case, the proceeds of disposition of the Partnership Units and the cost to the Partnership Unitholder of any different Partnership Units would be equal to the fair market value of such different Partnership Units at the time the amendments to the Partnership Agreement become effective.

Management is of the view that the fair market value of the Partnership Units is less than their issue price.

The taxation of capital gains and capital losses is discussed under "

Certain Canadian Federal Income Tax Considerations - Capital Gains and Capital Losses" below.

Capital Gains and Capital Losses

Generally, one-half of any capital gain realized or deemed to be realized by a Unitholder in a taxation year will be included in the Unitholder's income for the year as a taxable capital gain. Subject to specific rules in the Tax Act, one-half of any capital loss realized or deemed to be realized by a Unitholder in a taxation year is an allowable capital loss which is deducted from any taxable capital gain realized by the holder in the year of disposition. Allowable capital losses for a taxation year in excess of taxable capital gains for that year generally may be carried back and deducted in any of the three preceding taxation years or carried forward and deducted in any subsequent taxation year against net taxable capital gains realized in such years to the extent and under the circumstances provided for in the Tax Act. Capital gains realized by a Unitholder may affect a Unitholder's liability for alternative minimum tax.

If a Unitholder disposes of Units, and the Unitholder, the Unitholder's spouse or another person affiliated with the Unitholder (including a corporation controlled by the Unitholder) has also acquired Units of any class or series within thirty (30) days before or after the Unitholder disposes of the Unitholder's Units (such newly acquired Units being considered "substituted property"), the Unitholder's capital loss may be deemed to be a "superficial loss". If so, the Unitholder's loss will be deemed to be nil and the amount of the loss will instead be added to the adjusted cost base of the Units which are "substituted property".

CERTAIN RISK FACTORS RELATING TO THE AMENDMENTS

Unitholders should carefully consider the risk factors relating to the Amendments before deciding to vote or instruct their vote to be cast to approve the matters relating to the Amendments. All of the risk factors described below should be considered by Unitholders in conjunction with the other information included in this Information Circular.

Completion Risk

The completion of the Amendments is subject to a number of conditions precedent, some of which are outside the control of Enercapita, including, without limitation, approval of the Declaration of Trust Amendment Resolution and the Partnership Agreement Amendment Resolution at the Meeting. There can be no certainty that these conditions will be satisfied or, if satisfied, when they will be satisfied. If the Amendments do not proceed, it may have an adverse effect on the business and affairs of Enercapita. For example, Enercapita may have to pursue a liquidity event that is not in the best interests of Unitholders.

Possible Failure to Realize Anticipated Benefits of the Amendments

There can be no assurance that the anticipated benefits of the Amendments as described under "The Amendments – Rationale for the Amendments" will be realized.

Costs

Enercapita expects to incur a number of non-recurring costs associated with completing the Amendments which will be incurred whether or not the Amendments are completed, including accounting, legal fees and costs of the preparation, printing and mailing of this Information Circular. Such costs may offset any expected benefits from the Amendments.

Amendments May Divert the Attention of Management

The pending Amendments could cause the attention of Management to be diverted from day-to-day operations. These disruptions could be exacerbated by a delay in the completion of the Amendments and could have an adverse effect on the business, operating results or prospects of Enercapita regardless of whether the Amendments are ultimately completed.

Interests of Certain Persons

In considering the recommendation of the Board to vote for the Declaration of Trust Amendment Resolution and the Partnership Agreement Amendment Resolution, Unitholders should be aware that Gregory Tisdale, Craig Hruska, Greg Tooth, Michael Cook and Stephen Johnston have interests in connection with the Amendments that may present them with actual or potential conflicts of interest in connection with the Amendments. Gregory Tisdale and Craig Hruska are currently the Trustees of the Trust and the directors and officers of the Administrator/GP and Investco. Greg Tooth, Michael Cook and Stephen Johnston are former trustees of the Trust and former directors and officers of the Administrator/GP. See "Interests of Certain Persons or Companies in the Amendments" above.

Legal Risks

Enercapita may be exposed to legal risks resulting from the Amendments, including under securities or other laws and pursuant to disputes regarding the terms of the Amendments. There is also the possibility that Unitholders may claim that the Trust and/or the Partnership improperly failed to inform them of the risks involved in the Amendments or that the Amendments were not properly authorized and as such, are not enforceable. These risks are often difficult to assess or quantify and their existence and magnitude may remain unknown for substantial periods of time. Enercapita could incur significant legal costs and other expenses in defending against litigation involved with any of these risks and may be required to pay substantial damages for settlement and/or adverse judgments. Substantial legal liability could affect the ability of the Trust and the Partnership to realize the potential benefits of the Amendments.

TERMS OF SECURITIES

Preferred Trust Units

After the completion of the Amendments, the Preferred Trust Units will have those rights, privileges, restrictions and conditions ascribed thereto as set forth in the Declaration of Trust (as amended), including the following:

Voting Rights

Except as provided in the Declaration of Trust, no Preferred Trust Unitholder shall be entitled to receive notice of or to attend any meeting of unitholders of the Trust or to vote at any such meeting or to vote in respect of any matter whatsoever requiring unitholder approval pertaining to the Trust (whether at a meeting or by written resolution). The Trust shall call and hold a meeting of unitholders, at which only Preferred Trust Unitholders may attend and vote separately as a class, where the matter for which approval is being sought is:

- (a) to amend the rights, privileges, restrictions and conditions attaching to the Preferred Trust Units, including amendments to:
 - (i) remove or change rights to distributions in a manner materially prejudicial to holders of Preferred Trust Units;
 - (ii) add, remove or change, redemption rights in a manner materially prejudicial to holders of Preferred Trust Units;

- (iii) reduce or remove a distribution preference or a liquidation preference; or
- (iv) add, remove or change, in a manner materially prejudicial to holders of Preferred Trust Units, voting, transfer or preemptive rights, or rights to acquire other securities.
- (b) to carry out and give effect to any of the following actions if the resulting effect to the holders of Preferred Trust Units would be materially prejudicial thereto:
 - (i) effect an exchange, reclassification or cancellation of all or part of the Preferred Trust Units;
 - (ii) increase the rights or privileges of any Units of the Trust having rights or privileges equal or superior to the Preferred Trust Units:
 - (iii) create a new class or series of units of the Trust equal or superior to the Preferred Trust Units;
 - (iv) make any class or series of units of the Trust having rights or privileges inferior to the Preferred Trust Units equal or superior to the Preferred Trust Units; or
 - (v) effect an exchange or create a right of exchange of all or part of the units of another class or series of units of the Trust into the Preferred Trust Units:

provided however, that all matters set forth above must also be approved by the Common Trust Unitholders, voting separately as a class, in accordance with the terms of the Declaration of Trust.

At all such meetings of Preferred Trust Unitholders, matters put forth at such meetings, to be approved, must be approved by Special Resolution of the holders of Preferred Trust Units, voting separately as a class. At all such meetings, each Preferred Trust Unitholder shall be entitled to one (1) vote in respect of each Preferred Trust Unit held thereby.

Distributions

The holders of the Preferred Trust Units shall be entitled to receive distributions out of the Distributable Cash on the following terms:

- (a) The Trustees, on behalf of the Trust, in respect of each Distribution Period, shall declare payable to holders of each class or series of Preferred Trust Units of record as at the close of business on the Distribution Record Date for such Distribution Period, all, any part, or none of the Distributable Cash in respect of such class or series of Preferred Trust Units for such Distribution Period.
- (b) Each Preferred Trust Unit issued and outstanding on the Distribution Record Date for a particular Distribution Period shall be entitled, without preference or priority, to the Distribution Per Preferred Trust Unit in respect of such class or series of Preferred Trust Units. The share of such Distribution Amount in respect of such class or series of Preferred Trust Units distributable to a particular holder of Preferred Trust Units shall be an amount equal to the Distribution Per Preferred Trust Unit multiplied by the number of Preferred Trust Units owned of record by such holder of Preferred Trust Units on such Distribution Record Date.
- (c) In the event that a Preferred Trust Unit was not issued and outstanding on each day within such Distribution Period then the Distribution Amount in respect of such Preferred Trust Unit shall be adjusted to be the product obtained when the Distribution Amount is multiplied by the quotient obtained when (i) the number of days in the Distribution Period during which such Preferred Trust Unit was issued and outstanding, is divided by (ii) the total number of days in the Distribution Period, and such amount shall be payable as the distribution in respect of Preferred Trust Unit. Such adjustment calculation shall be made in respect of each Preferred Trust Unit which was not issued and outstanding on each day within the Distribution Period.
- (d) Notwithstanding the above, when determining the Distribution Per Preferred Trust Unit, the Trustees may make any variation or adjustment so as to ensure where possible that Preferred Trust Unitholders are treated equitably and fairly taking into account such considerations as the Trustees, in their discretion, acting reasonably and in good faith, deem appropriate in the circumstances and determine to be equitable and fair (including for greater certainty, the distributions from the Partnership).

Each class of Preferred Trust Units is or would be invested in the corresponding class of Preferred LP Units shown adjacent to such class of Preferred Trust Units in the chart below. The Distributable Cash of each class of Preferred Trust Units is entirely dependent on the class of Preferred LP Units in which such class of Preferred Trust Units invests. See "Terms of Securities – Preferred LP Units and Common A LP Units" below.

Class of Preferred Trust Units	Corresponding Class of Preferred LP Units
Preferred A Trust Units	Preferred A1 LP Units
Preferred B Trust Units	Preferred B1 LP Units
PTUs	Preferred C1 LP Units
Preferred D Trust Units	Preferred D1 LP Units
Preferred E Trust Units	Preferred E1 LP Units

The ability of the Trust to make cash distributions on the Preferred Trust Units is dependent upon the Trust receiving payment from the Partnership in respect of the Preferred LP Units held by the Trust. If the Trust does not receive payment from the Partnership in respect of the Preferred LP Units held by it, the Trust will likely not have sufficient cash flow to make cash distributions to Preferred Trust Unitholders.

Redemption Rights

Right of the Preferred Trust Unitholder: A Preferred Trust Unitholder is entitled to require the Trust to redeem, at any time and from time to time at the demand of the holder, all or any part of the Preferred Trust Units registered in the name of the Preferred Trust Unitholder. There are certain procedural requirements, set forth in the Declaration of Trust, which must be adhered to in connection with any redemption of Preferred Trust Units. Subject to an aggregate maximum of \$10,000 in cash in respect of all redemptions in any calendar month as described below, the Trust shall pay the redemption price in respect of the Preferred Trust Units accepted for redemption within forty-five (45) days after receipt of the notice of redemption.

The redemption price per Preferred Trust Unit to be received on redemption by Preferred Trust Unitholders is the redemption proceeds received by the Trust from the Partnership with respect to a redemption by the Trust of the Corresponding Partnership Unit. See "Terms of Securities – Preferred LP Units and Common A LP Units – Redemption Rights" below.

In the case of a redemption of Preferred Trust Units by a Trust Unitholder, the payment of the redemption price shall be paid by cash, provided that the Trust shall only be obligated to pay up to \$10,000 in cash in respect of redemptions in any calendar month, unless the Administrator/GP determines a greater cash amount. Such cash amount shall be paid *pro rata* to redeeming Trust Unitholders. The balance of the redemption price will be paid through the issuance of Redemption Notes and/or distribution, *in specie*, of Trust Property.

Upon the tender of Preferred Trust Units for redemption, the Preferred Trust Unitholder shall thereafter cease to have any rights with respect to the Preferred Trust Units tendered for redemption (including no right to receive distributions in respect of units where such distributions are declared payable to Preferred Trust Unitholders of record on a date which is on or subsequent to the date upon which such Preferred Trust Units were tendered for redemption), other than to receive the redemption price, and the right to receive any distributions thereon which have been declared payable to Preferred Trust Unitholders of record on a date which is prior to the date upon which such Preferred Trust Units have been tendered for redemption.

Notwithstanding the above paragraph, a Preferred Trust Unitholder may advise the Trust that such Unitholder only wishes to receive cash in payment of the redemption price pursuant to the Declaration of Trust. In such event, only the Units tendered for redemption by such Unitholder for which the redemption price can be satisfied by the \$10,000 cash amount limit (or a greater cash amount as the Administrator/GP so determines) in respect of such calendar month will be redeemed by the Trust and the remainder of the Units tendered for redemption by such Unitholder that have not been redeemed by the Trust shall be deemed not to have been tendered for redemption by such Unitholder. The Preferred Trust Unitholder may request that the remainder of the Units that were previously tendered for redemption that have not been redeemed by the Trust be automatically re-tendered for redemption each month until all such Units have been redeemed for cash, or withdraw its request for redemption with respect to such Units.

Right of the Trust: The Trust is entitled at any time and from time to time, to redeem all or any part of the issued and outstanding Preferred Trust Units, provided that, after the completion of the Amendments and subject to the following paragraph and certain other circumstances set forth in the Declaration of Trust, any such right to redeem Preferred Trust Units is exercised on a *pro rata* basis with respect to all holders of Preferred Trust Units at the time of such redemption. There are certain procedural requirements, set forth in the Declaration of Trust, which must be adhered to by the Trust in connection with any redemption of Preferred Trust Units. The Trust shall pay the redemption price in respect of the Preferred Trust Units to be redeemed within forty-five (45) days after the date specified for redemption by the Trust.

Upon completion of the Amendments, notwithstanding the requirement to redeem Preferred Trust Units on a *pro rata* basis, the Trust may, from time to time, in the sole discretion of the Trustees, exercise its right of redemption in respect of Preferred Trust Unitholders holding less than 10,000 Preferred Trust Units to the exclusion of all other Preferred Trust Unitholders, provided that the Corresponding Partnership Unit for each Preferred Trust Unit is first redeemed by the Partnership.

The redemption price per Preferred Trust Unit to be received upon such redemption by the Trust is the redemption proceeds received by the Trust from the Partnership with respect to a redemption by the Partnership of the Corresponding Partnership Unit. See "Terms of Securities – Preferred LP Units and Common A LP Units – Redemption Rights" below.

In the case of a redemption of Preferred Trust Unit by the Trust. the payment of the redemption price shall be paid by any combination of cash, the issuance of Redemption Notes and/or distribution, *in specie*, of Trust Property, provided that any cash amount shall be paid *pro rata* to redeeming Trust Unitholders.

From and after the date specified for redemption by the Trust, such Preferred Trust Units being redeemed shall cease to be entitled to distributions or any other participation in the assets of the Trust and the holders thereof shall not be entitled to exercise any of their other rights as Trust Unitholders in respect thereof.

Suspension of Redemption Rights in Certain Circumstances: The Trustees may, as an extraordinary measure, from time to time, suspend the redemption of Preferred Trust Units or payment of redemption proceeds if the Trustees, taking into account the advice of the Administrator/GP, determine the suspension to be appropriate in the circumstances. Examples of circumstances which may require a suspension of redemptions include, without limitation, if the Trustees reasonably determine that: (a) the Trust's assets are invested in such a manner so as to not reasonably permit immediate liquidation of sufficient assets; (b) there exists a state of affairs that constitutes circumstances under which liquidation by the Trust of part or all of its investments is not reasonable or practicable, or would be prejudicial to the Trust or Trust Unitholders generally; (c) not suspending redemptions would have an adverse effect on continuing Trust Unitholders; or (d) they are unable to value the assets of the Trust. The Trustees may also suspend the redemption of Preferred Trust Units upon an announcement by the Trustees that the Trust will be terminated. For greater certainty, the intention of the suspension is not to generally restrict the ability of Trust Unitholders to redeem Preferred Trust Units, but rather to permit the Trustees to protect the Trust and/or its Unitholders from the harm that would be caused by permitting redemptions when extraordinary and unusual circumstances are present.

With respect to any suspension as a result of the above, such suspension shall also apply to all requests for redemption received prior to the suspension date but as to which payment has not been made, as well as to all requests received while the suspension is in effect. All Trust Unitholders making such requests shall be advised by the Administrator/GP, on behalf of the Trustees, of the suspension.

During the suspension period, requests for redemptions of Preferred Trust Units may be withdrawn. To the extent that a request for redemption is not withdrawn, such request will be acted upon on the first business day following the recommencement of redemptions, as determined by the Trustees. All such non-withdrawn requests for redemption shall be treated on a *pro rata* basis regardless of when the original notice of redemption was provided.

Participation upon Liquidation, Dissolution or Winding Up

In the event of the liquidation, dissolution or winding up of the Trust or other distribution of assets of the Trust among its Unitholders for the purpose of winding up its affairs, the holders of the Preferred Trust Units shall, subject to the rights of the holders of any other class or series of Units entitled to receive assets of the Trust upon such a distribution in priority to, or concurrently with, the holders of the Preferred Trust Units, be entitled to participate in the distribution. Each class or series of Preferred Trust Units shall be entitled to a portion of such distribution determined in the same manner as set forth in the Declaration of Trust.

Reference should be made to the Declaration of Trust for a complete description of all the terms of the Preferred Trust Units. See also "Terms of Securities – Preferred Trust Units – Distributions" below.

Rights of Unitholders

Unitholders of the Trust do not have the protections, rights and remedies as an investor would have as a shareholder of a corporation (such as one governed by the ABCA). Unlike shareholders of an ABCA corporation, unitholders of the Trust do not have a comparable right to make a unitholder proposal at a meeting of unitholders of the Trust. The matters in respect of which unitholder approval is required under the Declaration of Trust are generally less extensive than the rights conferred on the shareholders of an ABCA corporation. Unitholders of the Trust do not have recourse to a dissent right under which shareholders of an ABCA corporation are entitled to receive the fair value of their shares where certain fundamental changes affecting the corporation are undertaken. As an alternative, unitholders of the Trust seeking to terminate their investment in the Trust are entitled to redeem their Units, as described above. Unitholders of the Trust similarly do not have recourse to the statutory oppression remedy that is available to shareholders of an ABCA corporation where the corporation undertakes actions that are oppressive, unfairly prejudicial or in disregard to the interests of securityholders and certain other parties. Shareholders of an ABCA corporation may apply to a court to order the liquidation and dissolution of the corporation in those circumstances, whereas unitholders of the Trust can rely only on the general provisions of the Declaration of Trust or any applicable common law rights. Finally, unlike unitholders, shareholders of an ABCA corporation can bring a "derivative action" in the name of the corporation or may apply to a court for the appointment of an inspector, subject to court oversight and other investigative procedures, to investigate the manner in which the business of the corporation and its affiliates is being carried on where there is reason to believe that fraudulent, dishonest or oppressive conduct has occurred.

Preferred LP Units and Common A LP Units

After the completion of the Amendments, the Preferred LP Units and Common A LP Units will have those rights, privileges, restrictions and conditions ascribed thereto as set forth in the Partnership Agreement (as amended), including the following:

Voting Rights

Except as provided in the Partnership Agreement, no holder of Preferred LP Units or Common A LP Units shall be entitled to receive notice of or to attend any meeting of Limited Partners or to vote at any such meeting or to vote in respect of any matter whatsoever requiring Limited Partner approval pertaining to the Partnership (whether at a meeting or by written resolution). The Partnership shall call and hold a meeting of the Limited Partners, at which only holders of Preferred LP Units or Common A LP Units, as applicable, may attend and vote separately as a class, where the matter for which approval is being sought is:

- (a) to amend the rights, privileges, restrictions and conditions attaching to the Preferred LP Units or Common A LP Units, as applicable, including amendments to:
 - (i) remove or change rights to distributions in a manner materially prejudicial to holders of Preferred LP Units or Common A LP Units;
 - (ii) add, remove or change, redemption rights in a manner materially prejudicial to holders of Preferred LP Units or Common A LP Units;
 - (iii) reduce or remove a distribution preference or a liquidation preference; or
 - (iv) add, remove or change, in a manner materially prejudicial to holders of Preferred LP Units or Common A LP Units, voting, transfer or pre-emptive rights, or rights to acquire other securities.
- (b) to carry out and give effect to any of the following actions if the resulting effect to the holders of Preferred LP Units or Common A LP Units, as applicable, would be materially prejudicial thereto:
 - (i) effect an exchange, reclassification or cancellation of all or part of the Preferred LP Units or Common A LP Units;
 - (ii) increase the rights or privileges of any Units of the Partnership having rights or privileges equal or superior to the Preferred LP Units or Common A LP Units;
 - (iii) create a new class or series of units of the Partnership equal or superior to Preferred LP Units or Common A LP Units;
 - (iv) make any class or series of Units of the Partnership having rights or privileges inferior to Preferred LP Units or Common A LP Units equal or superior to the Preferred LP Units or Common A LP Units; or

(v) effect an exchange or create a right of exchange of all or part of the units of another class or series of Units of the Partnership into the Preferred LP Units or Common A LP Units;

provided however, that all matters set forth above must also be approved by the holders of Common B LP Units, voting separately as a class, in accordance with the terms of the Partnership Agreement.

At all such meetings of holders of Preferred LP Units or Common A LP Units, matters put forth at such meetings, to be approved, must be approved by Special Resolution of the holders of Preferred LP Units or Common A LP Units, as applicable, each voting separately as a class. At all such meetings, each holder of Preferred LP Units or Common A LP Units shall be entitled to one (1) vote in respect of each Preferred LP Unit or Common A LP Unit held thereby, respectively.

Distributions

Preferred LP Unitholders and Common A LP Unitholders shall be entitled to receive distributions if, as and when declared by the Administrator/GP. The Administrator/GP, in respect of any LP Distribution Period, may in its discretion declare payable to Preferred LP Unitholders and/or Common A LP Unitholders of record as at the close of business on the LP Distribution Record Date for such LP Distribution Period, all or any part of the LP Distributable Cash for such LP Distribution Period.

Upon completion of the Amendments, all distributions of the LP Distribution Amount will be distributed in the following amounts and order of priority and, in all cases, without duplication:

- (a) to the holders of Preferred LP Units issued and outstanding on the LP Distribution Record Date for a particular LP Distribution Period shall be entitled to an equal proportionate share of a portion of the LP Distribution Amount determined by the Administrator/GP, which share shall be determined by dividing the amount determined by the Administrator/GP by the number of Preferred LP Units issued and outstanding as of the LP Distribution Record Date; and
- (b) to the holders of Common A LP Units, Common B LP Units and Common C LP Units. Each Common A LP Unit, Common B LP Unit and Common C LP Unit issued and outstanding on the LP Distribution Record Date for a particular LP Distribution Period shall be entitled to an equal proportionate share of the remaining LP Distribution Amount, which share shall be determined by dividing the remaining LP Distribution Amount by the number of Common A LP Units, Common B LP Units and Common C LP Units issued and outstanding as of the LP Distribution Record Date.

For greater certainty, the Administrator/GP shall not make a distribution to holders of Common LP Units pursuant to paragraph (a) for so long as any Preferred LP Unit is issued and outstanding.

The distributions per Unit payable to Unitholders in respect of an LP Distribution Period shall be paid in cash on or before the LP Distribution Payment Date which immediately follows an LP Distribution Record Date attributable to such LP Distribution Period, provided that if the LP Distribution Record Date is on or after October 1 in any calendar year, then the distributions payable to Unitholders in respect of such distributions for the LP Distribution Period pertaining to such LP Distribution Record Date shall be due and payable as of 5:00 p.m. (Calgary time) on December 31 in such year and shall be paid forthwith.

Redemption Rights

Right of the Preferred LP Unitholder: For so long as the Preferred LP Units are not a security that is an "exchange-traded security" or a "foreign exchange-traded security" (as those terms are defined in National Instrument 21-101 of the Canadian Securities Administrators), each Preferred LP Unitholder shall be entitled to require the Partnership to redeem at any time and from time to time at the demand of the holder, all or any part of the Preferred LP Units registered in the name of the Preferred LP Unitholder. There are certain procedural requirements, set forth in the Partnership Agreement, which must be adhered to by the Preferred LP Unitholder in connection with any redemption of Preferred LP Units. The redemption price per Preferred LP Unit, to be received on redemption by Preferred LP Unitholders is: (a) in the case of a Preferred LP Unit that was issued on a date that was five years or less prior to the date upon which such Preferred LP Unit was tendered for redemption, the lesser of: (i) 90% of the fair market value of such Preferred LP Unit that was issued on a date that was more than five years prior to the date upon which such Preferred LP Unit was tendered for redemption, the lesser of: (i) the fair market value of such Preferred LP Unit as at the date upon which such Preferred LP Unit was tendered for redemption; and (ii) \$1.00.

In the case of a redemption of Preferred LP Units by a Preferred LP Unitholder, the payment of the redemption price shall be paid by cash, provided that the Partnership shall only be obligated to pay up to \$10,000 in cash in respect of redemptions in any calendar month, unless the Administrator/GP determines a greater cash amount. Such cash amount shall be paid *pro rata* to redeeming Preferred LP Unitholders. The balance of the redemption price will be paid through the issuance of Redemption Notes and/or distribution, *in specie*, of Partnership Property.

Upon the tender of Preferred LP Units for redemption, the Preferred LP Unitholder shall thereafter cease to have any rights with respect to the Preferred LP Units tendered for redemption (including no right to receive distributions in respect of units where such distributions are declared payable to Preferred LP Unitholders of record on a date which is on or subsequent to the date upon which such Preferred LP Units were tendered for redemption), other than to receive the redemption price, and the right to receive any distributions thereon which have been declared payable to Preferred LP Unitholders of record on a date which is prior to the date upon which such Preferred LP Units have been tendered for redemption.

Notwithstanding the above paragraph, a Preferred LP Unitholder may advise the Partnership that such Unitholder only wishes to receive cash in payment of the redemption price pursuant to the Partnership Agreement. In such event, only the Units tendered for redemption by such Unitholder for which the redemption price can be satisfied by the \$10,000 cash amount limit (or a greater cash amount as the Administrator/GP so determines) in respect of such calendar month will be redeemed by the Partnership and the remainder of the Units tendered for redemption by such Unitholder that have not been redeemed by the Partnership shall be deemed not to have been tendered

for redemption by such Unitholder. The Preferred LP Unitholder may request that the remainder of the Units that were previously tendered for redemption that have not been redeemed by the Partnership be automatically re-tendered for redemption each month until all such Units have been redeemed for cash, or withdraw its request for redemption with respect to such Units.

In the event that any Preferred LP Units tendered for redemption by a holder of Preferred LP Units (including for greater certainty, a redemption by the Trust in connection with Preferred Trust Units being tendered for redemption), the Partnership is entitled to also redeem any Common A LP Units that were issued in connection with the Preferred LP Units being redeemed (including for greater certainty, Preferred LP Units that were issued to the Trust in connection with the issuance by the Trust of Preferred Trust Units), in accordance with the terms and conditions set forth in the Partnership Agreement. In the event less than all of the Preferred LP Units held by a Preferred LP Unitholder (and where the Preferred LP Unitholder is the Trust, less than all of the Preferred LP Units that were issued to the Trust in connection with subscriptions of Preferred Trust Units by a particular Unitholder) are redeemed, then the Partnership may redeem up to such number of Common A LP Units that were issued in connection with such Preferred LP Units, which number shall be determined by multiplying the number of Common A LP Units that were issued in connection with the Preferred LP Units being redeemed by a fraction, (A) the numerator of which is the number of Preferred LP Units held (or to be held) by such Preferred LP Unitholder (or a particular unitholder of the Trust, as applicable) subsequent to the redemption; and (B) the denominator of which is the number of Preferred LP Units held by such Preferred LP Unitholder (or a particular unitholder of the Trust, as applicable) immediately prior to such redemption.

The redemption price per Common A LP Unit to be received on redemption of such Common A LP Unit in connection with corresponding Preferred LP Units being tendered for redemption, is the lesser of: (A) the fair market value of such Common A LP Unit as at the date of the redemption notice; and (B) the purchase price of such Common A LP Unit.

Right of the Partnership: The Partnership is entitled at any time, and from time to time, to redeem all or any part of the issued and outstanding Preferred LP Units, provided that, after the completion of the Amendments and subject to the following paragraph and certain other circumstances set forth in the Partnership Agreement, any such right to redeem Preferred LP Units is exercised on a *pro rata* basis with respect to all holders of Preferred LP Units at the time of such redemption. There are certain procedural requirements, set forth in the Partnership Agreement, which must be adhered to by the Partnership in connection with any redemption of Preferred LP Units. The redemption price per Preferred LP Unit to be received on redemption by the Partnership is \$1.00.

Upon completion of the Amendments, notwithstanding the requirement to redeem Preferred LP Units on a *pro rata* basis, the Partnership may, from time to time, in the sole discretion of the Administrator/GP, exercise its right of redemption in respect of Preferred LP Unitholders holding less than 10,000 Preferred LP Units to the exclusion of all other Preferred LP Unitholders.

In the case of a redemption of Preferred LP Units by the Partnership, the payment of the redemption price shall be paid by any combination of cash, the issuance of Redemption Notes and/or distribution, *in specie*, of Partnership Property, provided that any cash amount shall be paid *pro rata* to redeeming Preferred LP Unitholders.

From and after the date specified for redemption by the Partnership, such Preferred LP Units being redeemed shall cease to be entitled to distributions or any other participation in the assets of the Partnership and the holders thereof shall not be entitled to exercise any of their other rights as Preferred LP Unitholders in respect thereof.

In the event that any Preferred LP Units are redeemed by the Partnership, any Common A LP Units that were issued in connection with the Preferred LP Units being redeemed shall be retained by the former Preferred LP Unitholder.

Suspension of Redemption Rights in Certain Circumstances: The Administrator/GP may, as an extraordinary measure, from time to time, suspend the redemption of Preferred LP Units or payment of redemption proceeds if the Administrator/GP determines the suspension to be appropriate in the circumstances. Examples of circumstances which may require a suspension of redemptions include, without limitation, if the Administrator/GP reasonably determines that: (a) the Partnership's assets are invested in such a manner so as to not reasonably permit immediate liquidation of sufficient assets; (b) there exists a state of affairs that constitutes circumstances under which liquidation by the Partnership of part or all of its investments is not reasonable or practicable, or would be prejudicial to the Partnership or Limited Partners generally; (c) not suspending redemptions would have an adverse effect on continuing Limited Partners; or (d) it is unable to value the assets of the Partnership. The Administrator/GP may also suspend the redemption of Preferred LP Units upon an announcement by the Administrator/GP that the Partnership will be dissolved. For greater certainty, the intention of the suspension is not to generally restrict the ability of Limited Partners to redeem Preferred LP Units, but rather to permit the Administrator/GP to protect the Partnership and/or its Limited Partners from the harm that would be caused by permitting redemptions when extraordinary and unusual circumstances are present.

With respect to any suspension as a result of the above, such suspension shall also apply to all requests for redemption received prior to the suspension date but as to which payment has not been made, as well as to all requests received while the suspension is in effect. All Unitholders making such requests shall be advised by the Administrator/GP of the suspension.

During the suspension period, requests for redemptions of Units may be withdrawn. To the extent that a request for redemption is not withdrawn, such request will be acted upon on the first business day following the recommencement of redemptions, as determined by the Trustees. All such non-withdrawn requests for redemption shall be treated on a *pro rata* basis regardless of when the original notice of redemption was provided.

Participation upon Liquidation or Winding Up

Upon completion of the Amendments, in the event of the liquidation, dissolution or winding up of the Partnership, or other distribution of assets of the Partnership among Unitholders for the purpose of winding up the affairs of the Partnership, each holder of Preferred LP Units shall be entitled to receive from the assets of the Partnership, an amount equal to \$1.00 per Preferred LP Unit held by such holder (to the extent sufficient assets remain in the Partnership) following payment of expenses, debts and liabilities of the Partnership to creditors, provision of reserves and payment to the Administrator/GP of its capital account balance together with any costs and expenses that the Administrator/GP is entitled to receive from the Partnership, and all such amounts shall be paid before any amount shall be paid to any holder of Common A LP Units, Common B LP Units, Common C LP Units or partnership units of any other class or series ranking junior to

the Preferred LP Units. After all payments as provided in the Partnership Agreement have been made to the holders of the Preferred LP Units, such holders shall have no further entitlement to participate in any further distributions of the Partnership Property upon any such liquidation, dissolution or winding up of the affairs of the Partnership.

In the event of the liquidation, dissolution or winding up of the Partnership or other distribution of assets of the Partnership among its Unitholders for the purpose of winding up its affairs, the holders of the Common A LP Units shall, subject to the rights of the holders of any other class or series of Units entitled to receive assets of the Partnership upon such a distribution in priority to, or concurrently with, the holders of the Common A LP Units, be entitled to participate in the distribution. Such distribution to which the holders of Common A LP Units are entitled shall be made in equal amounts per Common A LP Unit, Common B LP Unit and Common C LP Unit on all the Common A LP Units, Common B LP Units and Common C LP Units at the time outstanding without preference or distinction.

See "Terms of Securities - Preferred LP Units and Common A LP Units - Distributions" above.

Except as otherwise disclosed herein, no: (a) director or officer of the Administrator/GP, (b) Trustee of the Trust, (c) person or company who beneficially owns, directly or indirectly, units of the Trust or the Partnership, or who exercises control or direction of units of the Trust or the Partnership, carrying more than ten percent (10%) of the voting rights attached to a class of the outstanding units of the Trust or the Partnership (an "Insider"), or (d) associate or affiliate of any of the directors or officers of the Administrator/GP, Trustees or Insiders, has had any material interest, direct or indirect, in any transaction since the commencement of the Trust's or the Partnership's most recently completed financial year or in any proposed transaction which has materially affected or would materially affect the Trust or the Partnership or their subsidiaries.

Each holder of Voting Exchangeable Securities, subject to the terms of the instrument creating the particular Voting Exchangeable Securities, shall be entitled to that number of votes equal to the number of votes attached to the number of Trust Units for which the Voting Exchangeable Securities held by such holder are exchangeable, exercisable or convertible.
- (b) The Administrator shall be responsible to prepare, for each meeting of Unitholders, a list showing, as of the record date for a meeting of Unitholders, those persons who are holders of Voting Exchangeable Securities together with the number of votes which each such holder is entitled to exercise at such meeting, and the Trustees are entitled to rely on such list for purposes of determining the holders of Voting Exchangeable Securities entitled to attend and vote at meetings of Unitholders (and to exercise other rights in connection with voting at meetings of Unitholders, such as requisitioning meetings). In preparing such list of holders of Voting Exchangeable Securities the Administrator shall use and rely on the information appearing in the books and records of the Trust, and where information pertaining to one or more holders of Voting Exchangeable Securities is known by the Administrator to not be contained in the books and records of the Trust, then the Administrator shall use commercially reasonable efforts to ascertain the required information pertaining to such holder(s); provided that the Administrator shall have no liability whatsoever to the Trust, the Trustees, Unitholders or any holder of Voting Exchangeable Securities for the completeness or accuracy of such list of holders of Voting Exchangeable Securities that is compiled in accordance with the foregoing.
- (c) All notices, documents and other communications required to be given or otherwise sent to holders of Trust Units under this Declaration of Trust or by applicable law, shall be concurrently given or sent to each holder of Voting Exchangeable Securities in the same manner as is provided pursuant to Section 15.1 for the sending of notices, documents or other communications to Unitholders; provided that for addressing purposes, where a mailing address, facsimile number or email address is required in light of the method of

communication undertaken in accordance with Section 15.1, there shall be used the mailing address, facsimile number or email address for such holder last appearing in the books and records of the Trust or, where the holder does not appear in the books and records of the Trust, the mailing address, facsimile number or email address last known to the Trust or contained on the records of, or last known to, the affiliates of the Trust, failing which the Trust shall exercise such other commercially reasonable efforts to bring the notice, communication or other documentation to the attention of the holder.

- (d) Notwithstanding anything contained herein, no holder of Voting Exchangeable Securities, solely in the capacity as such, shall be entitled to any interest or share in any distribution from the Trust (whether of net income, net realized capital gains or other amounts, including additional Units) or to any assets of the Trust in the event of termination or winding-up of the Trust or otherwise. Further, no Voting Exchangeable Security shall constitute, or be construed as constituting, a Unit.
- (e) With respect to the rights conferred upon holders of Voting Exchangeable Securities under this Declaration of Trust, in particular the rights contained in this Section 2.9, all parties hereto acknowledge and agree that the Administrator is acting as agent for and on behalf of each such holder of Voting Exchangeable Securities, and that such rights of a holder of Voting Exchangeable Securities, as herein contained, are not only intended to be exercisable and enforceable directly by each such holder of a Voting Exchangeable Security but shall be exercisable and enforceable by the Administrator, upon direction from such holder, for the benefit of the holder.

2.10 Unitholders Bound

This Declaration of Trust shall be binding upon all persons who become Unitholders from time to time. Upon completion of a purchase of any Trust Units by a subscriber, as evidenced by the Trust's acceptance of the subscriber's subscription for Units and receipt of the subscription price therefore, the subscriber becomes a Unitholder hereunder and shall be deemed to agree to be bound, and shall be so bound, by this Declaration of Trust. Furthermore, where applicable, this Declaration of Trust shall be binding upon all persons who from time to time hold Other Trust Securities, and upon issuance of a certificate thereto for such Other Trust Securities or confirmation of purchase of such Other Trust Securities in whatever manner, the holder of Other Trust Securities shall be deemed to agree to be bound, and shall be so bound, by the applicable provisions of this Declaration of Trust.

ARTICLE 3 CREATION, ISSUE AND SALE OF UNITS

3.1 Nature of Units

(a) The beneficial interests in the Trust shall be represented and constituted by six classes of units described and designated herein as "Common Units", "Preferred A Units", "Preferred B Units", "Preferred D Units" and "Preferred E Units", respectively. Each class may be divided into one or more series. Provided that the rights of the Unitholders are not materially prejudiced thereby, the Trustees shall have sole discretion in creating additional classes or series of Units and determining the attributes that shall attach to such classes or series of Units and whether any class or series of Units may or will be redesignated as a different class or series of Units from time to time. Any class or series of Units created and authorized for the Trust and not

set out above shall be as shown from time to time in a supplemental document pursuant to Article 14.

- (b) Each holder of a Common Unit shall be entitled to the rights and privileges and be subject to the limitations, restrictions and conditions pertaining to the Common Units as set out in this Declaration of Trust, including those set forth in Schedule A hereto, and the proportionate interest in the Trust of each holder of Common Units, in relation to the aggregate interest of all holders of Common Units, shall be determined by the number of Common Units registered in the name of such holder and recorded on the Register for the Common Units.
- Each holder of a Preferred Trust Unit shall be entitled to the rights and privileges and be subject to the limitations, restrictions and conditions pertaining to the Preferred Trust Units as set out in this Declaration of Trust, including those set forth in Schedule A hereto, and except as set forth herein, the proportionate interest in the Trust of each holder of Preferred Trust Units of a particular class or series, in relation to the aggregate interest of all holders of such class or series of Preferred Trust Units, shall be determined by the number of Preferred Trust Units registered in the name of such holder and recorded on the Register for the Preferred Trust Units.

3.2 Authorized Number of Securities

The aggregate number of Common Units which are authorized and may be issued hereunder is unlimited. The aggregate number of Preferred Trust Units which are authorized and may be issued hereunder is unlimited. The aggregate number of Other Trust Securities which are authorized and may be issued hereunder is unlimited.

3.3 Issue of Securities

Trust Units and Other Trust Securities may be created, issued, sold and delivered at the times, to the persons (subject to Section 3.8), in the jurisdictions, for the consideration and otherwise on the terms and conditions (including, in the case of Exchangeable Securities, the applicable conversion or exercise price thereof) that the Trustees determine in their absolute discretion, including pursuant to Unitholder rights plans, distribution reinvestment plans, unit purchase plans or incentive option or other compensation plans. The Trustees may provide for the payment by the Trust of commissions in connection with the distribution of Trust Units and/or Other Trust Securities from the Trust or from any other person or procuring or agreeing to procure purchasers for Trust Units or Other Trust Securities, or may allow for discounts to persons as consideration for such persons subscribing, or agreeing to subscribe, whether absolutely or conditionally, for Trust Units or Other Trust Securities or as consideration for such persons agreeing to procure subscriptions for Trust Units or Other Trust Securities, whether absolute or conditional, all of the foregoing on such terms and conditions as the Trustees determined in their discretion.

3.4 Subdivision or Consolidation of Trust Units

The Trustees may, in their discretion at any time and from time to time, (a) subdivide each class or series, or any one of the classes or series, of Trust Units outstanding at any time so that the number of outstanding Trust Units in such class or series may be increased, or (b) consolidate each class or series, or any one of the classes or series, of Trust Units outstanding at any time so that the number of outstanding Trust Units in such class or series may be decreased.

3.5 Trust Units Fully Paid and Non-Assessable

- (a) Subject to allowable discounts (if any) as referred to in Section 3.3, Trust Units are only to be issued when fully paid, and are not to be subject to future calls or assessments; provided that any Trust Units issued under any Offering may be issued for consideration payable in installments and that the Trust may take security over any Trust Units as security for unpaid installments and assign the benefit of all or part of such security.
- (b) The consideration for any Trust Unit issued by the Trust may be paid in money, property (which may include a promissory note or a promise to pay given by the allottee, including an obligation to pay consideration in installments) or past services that are not less in value than the fair equivalent of the money that the Trust would have received if the Trust Unit had been issued for money, provided that property may include a promissory note or promise to pay given by the allottee. In determining whether property or past services are the fair equivalent of monetary consideration, the Trustees or the Administrator may take into account reasonable charges and expenses of organization and reorganization and payments for property and past services reasonably expected to benefit the Trust, and the resolution of the Trustees or the Administrator allotting and issuing those Units shall express the fair equivalent in money of the non-cash consideration received.

3.6 No Conversion, Retraction, Redemption or Pre-Emptive Rights

No person shall be entitled, as a matter of right, to subscribe for or purchase any Trust Unit, and except as expressly set forth herein, there are no conversion, retraction, redemption or pre-emptive rights attaching to either the Common Units or the Preferred Trust Units as a class.

3.7 Exchangeable Securities

Concurrent with the issuance of any Exchangeable Securities, the Trust may enter into such agreements, including exchange agreements and exchangeable security support agreements, as may be necessary or desirable to properly provide for the terms and conditions of the Exchangeable Securities, including voting rights at meetings of Unitholders, coattail provisions for the Trust Units in the event of a non-exempt take-over bid for the Exchangeable Securities and the conversion, exercise, redemption or exchange of such Exchangeable Securities for Trust Units.

3.8 Limitation on Non-Resident Ownership

(a) It is in the best interest of the Unitholders that the Trust always qualify as a mutual fund trust and this requires, among other things, that the Trust shall not be established or maintained primarily for the benefit of Non-Residents. Accordingly, for so long as it is required by the Income Tax Act for the Trust to maintain its status as a mutual fund trust, at no time may Non-Residents be the beneficial owners of more than 49% of the outstanding Trust Units, on a non-diluted basis, on a fully-diluted basis (which includes, for greater certainty, Trust Units issuable pursuant to outstanding Other Trust Securities) and on a fair market value basis. The Trustees shall inform the Transfer Agent of this restriction (the "Non-Resident Restriction"), and it shall be the responsibility of the Administrator to monitor compliance by the Trust with the Non-Resident Restriction in accordance with the published policies of the relevant

taxation authority, and to take all such actions as may be reasonably be undertaken on behalf of the Trust to cause the Trust to retain its mutual fund trust status.

- Notwithstanding anything herein contained, the Trustees or Administrator (or any (b) delegate thereof) may (at the expense of the Trust), at any time and from time to time, take all such actions as it determines in its discretion to be reasonable and practicable in the circumstances in order to maintain and facilitate compliance by the Trust with the Non-Resident Restriction, including (i) obtaining declarations from Unitholders, Beneficial Unitholders and holders of Other Trust Securities as to whether such securities held thereby are held by or for the benefit of Non-Residents, or declarations from Unitholders, Beneficial Unitholders and holders of Other Trust Securities as to the jurisdictions in which beneficial owners of such securities of the Trust are resident for Canadian income tax purposes, (ii) performing residency searches of securityholder and beneficial holder mailing address lists to determine or estimate, to the extent practicable, the residence for Canadian income tax purposes of Beneficial Unitholders and beneficial holders of Other Trust Securities, and (iii) placing such other limits on ownership of Units and Other Trust Securities by Non-Residents as the Trustees or Administrator may deem necessary or appropriate in their sole discretion to maintain the Trust's status as a mutual fund trust.
- (c) If at any time the Administrator determines that it is in the interest of the Trust, the Administrator may:
 - (i) require the Trust and the Transfer Agent (if one has been appointed) to refuse to accept a subscription for securities of the Trust from, or issue or register a transfer of securities of the Trust to, a person unless the person provides a declaration to the Administrator and the Transfer Agent (if appointed), in form and substance satisfactory to the Administrator, that the securities of the Trust to be issued or transferred to such person will not when issued or transferred be beneficially owned by a Non-Resident;
 - (ii) send a notice to registered holders of securities of the Trust that are beneficially owned by Non-Residents, chosen in inverse order to the order of acquisition or registration of such securities beneficially owned by Non-Residents, or chosen in such other manner as the Administrator may consider equitable and practicable, requiring such Non-Resident holders to sell or redeem their securities of the Trust, or a specified portion thereof, to a Resident or Residents within a specified period of not less than 60 days or such shorter period as may be, in the Administrator's opinion, required to preserve the status of the Trust as a mutual fund trust. The Administrator may also refuse the issuance of Units to facilitate a conversion, exchange or exercise of Other Trust Securities if to do so might, in the Administrator's opinion, cause the Trust to lose its status as a mutual fund trust. If the holders of securities of the Trust receiving such notice have not, within such specified period, sold the specified number of such securities or provided the Administrator and the Transfer Agent (if appointed) with evidence satisfactory to the Administrator that such securities are not beneficially owned by Non-Residents, the Administrator may, on behalf of such registered holder of securities of the Trust, sell such securities and, in the interim and to the extent applicable, the voting and distribution rights attached to such securities of the Trust shall, notwithstanding anything to the contrary contained herein, be deemed to have been suspended. Any such sale shall be made in such manner

the Administrator shall determine, and upon such sale, the affected securityholders shall cease to be holders of such securities so disposed of and their rights shall be limited to receiving the net proceeds of sale (net of applicable taxes, withholding taxes and costs of sale) upon surrender of the certificates representing such securities, if applicable;

- (iii) redeem Trust Units in accordance with Article 6 hereof, mutatis mutandis; and
- (iv) take any and all such other actions as the Administrator determines may be necessary or appropriate in the circumstances to reduce or limit the number of securities of the Trust held by Non-Residents to ensure that the Trust is not established or maintained primarily for the benefit of Non-Residents.
- (d) None of the Administrator, the Trustees or the Transfer Agent, or any of their respective directors, officers, employees or agents, shall have any liability in connection with sales of securities of the Trust made pursuant to this Section 3.8 and 5.9, including in respect of the amounts received upon such sales and the costs incurred in connection with such sales, or otherwise be liable for any determinations whatsoever made pursuant to this Section 3.8, and no such liability shall accrue to or be borne by the Trust.
- (e) Notwithstanding anything contained herein, none of the Administrator, the Trustees or the Transfer Agent, or any of their respective directors, officers, employees or agents, or any Unitholder, Beneficial Unitholder or annuitant, shall be liable for a determination that the Trust is established or maintained primarily for the benefit of Non-Residents during the term of the Trust, and no such liability shall accrue to or be borne by the Trust.
- (f) It is acknowledged that at any time that Units are registered in the name of depositories or other non-beneficial holders, the ability of the Administrator to monitor compliance by the Trust with the Non-Resident Restriction will be limited, and in this regard the Administrator shall be entitled to rely on information respecting the residency of Unitholders and Beneficial Unitholders provided to the Administrator by the Transfer Agent and CDS Participants and the Administrator may exercise its discretion in making any determination or taking any action under this Section 3.8, and any reasonable and bona fide exercise of such discretion shall be binding for the purpose of this Section 3.8.
- (g) Neither the Trustees nor the Administrator shall be deemed to have notice of any violation of this Section 3.8 unless and until it has been provided with written notice of such violation. The Trustees shall only be required to act in respect of this Section 3.8 upon first being provided with a satisfactory indemnity from the Trust in addition to that provided pursuant to Article 12.
- (h) Notwithstanding any other provision of this Declaration of Trust, unless determined otherwise by the Administrator, Non-Residents, whether registered holders or beneficial holders of securities of the Trust, shall not be entitled to vote in respect of any Special Resolution to amend this Section 3.8.
- (i) The Trustees, upon determining at any time that it is advisable to do so to assist maintaining the status of the Trust as a mutual fund trust, may proceed to reclassify the outstanding Units of each class of Units of the Trust into two separate classes of units

such that the ownership of one such class would be restricted to Residents while ownership of the other such class would not be subject to any restriction on ownership. If the Trustees were to proceed with this amendment, the Trustees may also amend the Declaration of Trust to provide that the number of outstanding Units owned by Residents must at all times exceed the number of outstanding Units owned by Non-Residents for so long as such restriction may be required by the Income Tax Act for the Trust to maintain its status as a mutual fund trust.

- (j) The Trustees, upon determining at any time that it is advisable to do so because classification of the outstanding Units of each class of Units of the Trust into two separate classes of units, as described above, is no longer advisable or necessary to assist the Trust in maintaining its status as a mutual fund trust, may proceed to declassify the Units of each class of Units of the Trust.
- (k) If the Income Tax Act is (or is proposed to be) amended in a manner which places new restrictions on Non-Residents beneficially owning Units, the Trustees may take any action they consider necessary to ensure, to the extent practicable, that the Trust maintains its status as a mutual fund trust.

3.9 Declaration as to Beneficial Owner

The Trustees or Administrator may require any Unitholder as shown on the register of Unitholders to provide a declaration, in a form prescribed by the Trustees, as to the beneficial owner of Trust Units registered in such Unitholder's name and as to the jurisdiction in which such beneficial owner is resident for Canadian income tax purposes, and the Unitholder shall comply with any such request.

3.10 Use of Book-Entry System

The Trustees may, at any time that they so determine and without the necessity for any prior approval by Unitholders, commence utilization of the Book-Entry System with respect the Common Units, Preferred Trust Units or both, and thereupon the Units (whether Common Units, Preferred Trust Units or both, as the case may be) shall be represented in the form of one or more global unit certificates which shall be registered in the name of, and deposited with, CDS or a nominee thereof (collectively, the "Depositary"), as custodian of such global unit certificate. Beneficial interests in such global unit certificate will be represented only through the Book-Entry System and transfers of Units between CDS Participants shall occur in accordance with the Depositary's rules and procedures.

Global unit certificate(s) shall be in such form as is from time to time authorized by the Trustees or Administrator and may be in English only and may be engraved, printed or lithographed, or partly in one form and partly in another, as the Trustees or Administrator may determine, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may be required hereunder, or as may be necessary to comply with applicable laws, or as may be determined by the Administrator or Trustees. In connection with any removal, or request for removal, of any legend or endorsement on a global unit certificate(s), the Administrator shall be entitled to require, among other things, such declarations and such opinions, from appropriate persons, as it considers prudent or necessary.

3.11 Unit Certificates

Each Unitholder, with respect to each class or series of Trust Units held thereby while not held within the Book Entry System, shall be entitled to a Unless otherwise determined by the Manager, no

Unit Certificates bearing an identifying serial number in respect of the Trust Units of such class(es) or series held by it and signed in the manner hereinafter prescribed. The Trust is not obligated to issue a Unit Certificate to a Unitholder for the Trust Units owned thereby until such Unitholder requests receipt of a Unit Certificate to evidence theheld by a Trust Unitholder shall be issued, provided that every subscriber (including each Trust Unitholder who reinvests distributions in additional Trust Units) and every redeeming or redesignating Trust Unitholder is advised as soon as is practicable, following such subscription, redemption or redesignation, of the number and series of Trust Units owned therebyheld by them. The non- issue of a Unit Certificate to evidence Trust Units owned by a Unitholder shall not affect the interest of that Unitholder in the Trust, which interest shall be determined by the number of Units owned by such Unitholder as recorded on the Registers.

The Trust is not bound to issue more than one Unit Certificate in respect of any Trust Unit(s) held jointly or in common by two or more persons, and delivery of a Unit Certificate to one of them shall be sufficient delivery to all.

3.12 Execution of Unit Certificates

Unit Certificates for Trust Units, if any, shall be signed on behalf of the Trust by the Trustees or the Administrator and by the Transfer Agent, if one has been appointed by the Trust, in respect of the particular class or series of Trust Units in question. The signature of the Trustees or Administrator required on Unit Certificates may be printed or otherwise mechanically reproduced thereon and Unit Certificates so signed are as valid as if they had been signed manually. If a Unit Certificate contains a printed or mechanically reproduced signature of a person, then the Trust may issue the Unit Certificate even though the person has ceased to be an authorized representative of the Trustees or Administrator, as the case may be, and such Unit Certificate is as valid as if the person continued to be an authorized representative of the Trustees or Administrator at the date of its issue. Provided a Transfer Agent has been appointed by the Trust, no Unit Certificates representing Trust Units shall be valid unless countersigned by or on behalf of the applicable Transfer Agent.

3.13 Certificate Fee

The Trustees may establish a reasonable fee to be charged for every Unit Certificate issued.

3.14 Form of Unit Certificate

Unit Certificates shall be in such form as is from time to time authorized by the Trustees. The definitive form(s) of the Unit Certificates for each class or series of Trust Units may be in English only or, in the discretion of the Trustees, in the English and French languages. Unit Certificates may be engraved, printed or lithographed, or partly in one form and partly in another, as the Trustees may determine and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may be required hereunder or as may be necessary to comply with applicable law and the rules of any securities regulatory authority or marketplace, or as may otherwise be determined by the Trustees or the Administrator. In connection with any removal, or request for removal, of any legend or endorsement on the Unit Certificates the Trustees or the Administrator shall be entitled to require, among other things, such declarations as to residency and such opinions, from appropriate persons (including Unitholders), as it considers necessary or desirable.

Until another form of Unit Certificate for the Common Units is authorized by the Trustees, the form of Unit Certificate set forth in Schedule A is hereby approved as the Unit Certificate for the Common Units issued hereunder.

Until another form of Unit Certificate for the Preferred Trust Units is authorized by the Trustees, the form of Unit Certificate set forth in Schedule B is hereby approved as the Unit Certificate for the Preferred Trust Units issued hereunder.

3.15 Fractional Units

If as a result of any act of the Trustees hereunder any person becomes entitled to a fraction of a Trust Unit, such person shall not be entitled to receive a Unit Certificate therefor. Fractional Trust Units of a class or series which entitle the holders thereof to vote at meetings of Unitholders shall not, except to the extent that they may represent in the aggregate one or more whole Trust Units held by the same holder, entitle the holders thereof to notice of, or to attend or to vote at, meetings of Unitholders. Subject to the foregoing, fractional Trust Units of a particular class or series shall have attached thereto the rights, restrictions, conditions and limitations attaching to whole Trust Units of such class or series in the proportion that they bear to a whole Trust Unit.

3.16 Trust Unit Register

A register (the "**Register**" and where more than one, the "**Registers**") shall be kept by, or on behalf and under the direction of, the Trustees in respect of each class of Trust Units, and each Register shall contain the names and addresses of Unitholders, the respective numbers of Trust Units held by such Unitholders, a record of all transfers of such Trust Units, and the certificate numbers of the Unit Certificates, if any, held by each such Unitholder if, in accordance with Section 3.11, a Unit Certificate has been requested and issued to a Unitholder in respect of the Trust Units held thereby.

There shall be a Transfer Agent to act as transfer agent and registrar for each class or series of Units and to provide for the transfer of Units in Alberta and at such other places in Canada as the Trustees may request and the Transfer Agent has offices. The Trustees shall designate which branch registers will be maintained, if any. The Trustees may, in their discretion, remove and replace the Transfer Agent for the Units.

The Transfer Agent shall keep all necessary registers and other books (which may be kept in a bound or loose-leaf book or may be entered or recorded by any system of mechanical or electronic data processing or any other information storage device) for recording original issues and registering and transferring those Trust Units in respect of which it acts as registrar and transfer agent. Except as may otherwise be provided in this Declaration of Trust, only persons whose Trust Units are recorded on the Registers shall be entitled to vote or to receive distributions, as the case may be, or otherwise exercise or enjoy the rights of Unitholders.

3.17 Entry on Register

Upon any issue of Trust Units, the name of the subscriber or other person entitled to such Trust Units shall be promptly entered on the appropriate Register as the owner of the number of Trust Units issued to such subscriber or other person, or if the subscriber is already a Unitholder, the Register(s) shall be amended to include such subscriber's additional Trust Units.

3.18 Transfer of Units

(a) Subject to the provisions of this Article 3, Trust Units shall be transferable on the applicable Register or one of the branch transfer registers of Unitholders of the Trust

only by the Unitholders of record thereof or their executors, administrators or other legal representatives or by their agents hereunto duly authorized in writing.

- (b) No Unitholder shall sell, transfer, assign or otherwise dispose of its Units, in whole or in part, to any other person (herein a "Transferee") except with the consent of the Administrator and in compliance with applicable securities laws and this Declaration of Trust. No such sale, transfer, assignment or other disposition of Trust Units shall be effective as against the Trustees or shall be in any way binding upon the Trustees unless the following terms and conditions are met:
 - (i) delivery to the Transfer Agent of (i) a duly executed instrument of transfer and accompanied by all necessary transfer or other taxes imposed by law, and (ii) the Unit Certificate(s), if any, representing such Trust Units being transferred (if certificates representing such Trust Units have been issued) properly endorsed, and, in each case, accompanied by evidence of the genuineness of such endorsement, execution and authorization;
 - (ii) reporting to the Trustees or Administrator the details concerning the transfer, including name, address, citizenship and country of residence of the Transferee, as well as the price per Unit at which the sale and transfer has occurred together with such other information as the Trustees or Administrator may reasonably request, and evidenced by appropriate documentation;
 - (iii) any outstanding liabilities of the transferor to the Trust shall have been paid, or arrangements made satisfactory to the Trustees or Administrator for the assumption of such liabilities by the Transferee; and
 - (iv) the transfer has been recorded on the applicable Register or one of the branch transfer registers maintained by the Transfer Agent.
- (c) The Trustees or Administrator may, in their discretion, waive any or all of the aforementioned terms and conditions, in whole or in part, in respect to a transfer of Units.

3.19 Successors in Interest to Unitholders

Upon a person becoming entitled to any Trust Units as a consequence of the death, bankruptcy or incapacity of any Unitholder or otherwise by operation of law, and upon production by such person of such documentation as the Trustees may reasonably require in order to evidence such entitlement of such person, such person shall be recorded in the Registers as the holder of such Trust Units and shall receive (subject to the Book-Entry System not being applicable to such Trust Units), upon request, a new Unit Certificate therefor upon production of evidence of such entitlement satisfactory to the Trustees and delivery of the existing Unit Certificate to the Transfer Agent (if certificates representing such Trust Units have been issued), but until such record is made, the Unitholder of record shall continue to be and be deemed to be the holder of such Trust Units for all purposes whether or not the Trust, the Trustees, the Administrator or the Transfer Agent shall have actual or other notice of such death, bankruptcy, incapacity or other event.

3.20 Trust Units Held Jointly or in Fiduciary Capacity

The Trust may treat two or more persons holding any Trust Unit as joint owners of the entire interest therein unless the ownership is expressly otherwise recorded on the Registers, but no entry shall be made in the Registers or on any Unit Certificate that any person is in any other manner entitled to any future, limited or contingent interest in any Unit; provided, however, that any person recorded in the Registers as a Unitholder may, subject to the provisions herein contained, be described in the Registers or on any Unit Certificate as a fiduciary of any kind and any customary words may be added to the description of the holder to identify the nature of such fiduciary relationship; provided further that none of the Trust, the Trustees, the Administrator or the Transfer Agent shall be required to recognize a person as having any interest in the Unit, other than the person recorded in the Registers as the holder of such Unit.

3.21 Performance of Trusts

None of the Trustees, the Administrator, the Unitholders, the Transfer Agent or other agent of the Trust shall have a duty to inquire into any claim that a transfer of a Trust Unit was or would be wrongful or that a particular adverse person is the owner of or has an interest in the Trust Unit or any other adverse claim, or be bound to see to or ensure the performance of any trust, express, implied or constructive, or of any charge, pledge or equity to which any of the Trust Units or any interest therein are or may be subject, or to ascertain or inquire whether any sale or transfer of any such Trust Units or interest therein by any Unitholder or their personal representatives is authorized by or under such trust, charge, pledge or equity, or to recognize any person as having any interest therein except for the person recorded as Unitholder of such Unit.

3.22 Lost Unit Certificates

In the event that any Unit Certificate is lost, stolen, destroyed or mutilated, the Trustees may authorize the issuance of a new Unit Certificate for the same number and class or series of Trust Units in lieu thereof and the Trustees may in their discretion, before the issuance of such new Unit Certificate, require the owner of the lost, stolen, destroyed or mutilated Unit Certificate, or the legal representative of the owner, to make such affidavit or statutory declaration, setting forth such facts as to the loss, theft, destruction or mutilation as the Trustees deem necessary and may require the applicant to supply to the Trust a "lost certificate" or similar bond in such reasonable amount as the Trustees direct indemnifying the Trustees and the Transfer Agent for so doing. The Trustees shall have the power to acquire from an insurer or insurers a blanket lost certificate security bond or bonds in respect of the replacement of lost, stolen, destroyed or mutilated Unit Certificates. The Trust shall pay all premiums and other sums of money payable for such purpose out of the property of the Trust with such contribution by the owner of the lost, stolen, destroyed or mutilated Unit Certificate as may be determined by the Trustees. If such blanket lost certificate security bond is acquired, the Trustees may authorize and direct (upon such terms and conditions as they may from time to time impose) the Transfer Agent, the Trustees, or others to whom the indemnity of such bond extends, to take such action to replace such lost, stolen, destroyed or mutilated Unit Certificates without further action or approval by the Trustees.

3.23 Death of Unitholders

The death of a Unitholder during the continuance of the Trust shall not terminate the Trust or any of the mutual or respective rights and obligations created by or arising under this Declaration of Trust nor give such Unitholder's personal representatives, or the heirs of the estate of the deceased Unitholder, a right to an accounting or to take any action in the courts or otherwise against other Unitholders or the Trustees or the property of the Trust, but shall only entitle the personal representatives or the heirs of the

estate or succession of the deceased Unitholder, in accordance and upon compliance with the provisions of Section 3.19, to succeed to all rights of the deceased Unitholder under this Declaration of Trust.

3.24 Unclaimed Payments

In the event that the Trustees shall hold any money or property distributable or otherwise payable hereunder which is unclaimed or which cannot be paid for any reason, neither the Trustees nor any distribution disbursing agent shall be under any obligation to invest or reinvest the same and they shall only be obliged to hold the same in a current or other non-interest-bearing account pending payment to the person or persons entitled thereto. The Trustees may at any time pay all or part of such amounts so held, net of any amount required to be withheld by the Income Tax Act, to the public trustee or a court in the province where the Trust has its head office (or to such other appropriate government official or agency) whose receipt shall be a good release, acquittance and discharge of the obligations of the Trustees with respect thereto. If any such amount of money or property distributable or otherwise payable hereunder is not claimed by and paid to the person entitled thereto within two (2) years from the date on which the amount became distributable or payable, the amount, to the extent not lodged with the public trustee, court or other government official or agency (as aforesaid), shall be forfeited to, and retained by, the Trust and any right or claim to payment of such amount by the person previously entitled thereto shall cease to represent a right or claim of any kind or nature by such person.

3.25 Exchanges of Trust Unit Certificates

Unit Certificates representing any number of Trust Units may be exchanged for Unit Certificates representing an equivalent number of Trust Units of the same class or series, in the aggregate. Any exchange of Unit Certificates may be made at the offices of the Trustees or at the offices of any Transfer Agent where registers are maintained for the Unit Certificates pursuant to the provisions of this Article 3. Any Unit Certificates tendered for exchange shall be surrendered to the Trustees or appropriate Transfer Agent and shall be cancelled. The Unitholder shall be responsible for all transfer and exchange fees associated with any such exchange.

3.25 3.26 Adjustments and Lien

If any Unitholder receives a distribution of Distributable Cash or otherwise receives monies from the Trust which exceed its entitlement hereunder, then that Unitholder shall forthwith repay to the Trust such excess amount upon demand by the Trustees or Administrator and, in the absence of such repayment, the Trust shall be entitled to deduct such excess amount from any subsequent distribution from the Trust to such Unitholder. Further, where any Unitholder is indebted to the Trust for any reason, the Trustees or the Administrator shall be entitled to set off such indebtedness in whole or in part as against any distribution such Unitholder would otherwise be entitled to hereunder. In the event that a Unitholder is indebted to the Trust for any reason, the Trust shall have, without the necessity of any notice, demand, formality or act whatsoever, a lien and security interest against and in respect of the Trust Units and other securities of the Trust (if any) registered in the name of or beneficially owned by that Unitholder and the Trust shall be entitled to take all actions, in accordance with law, to protect and enforce such lien or security interest.

3.26 3.27 Repurchase of Securities

The Trust has the right and entitlement, and is authorized and empowered, to offer to any one or more holders of Trust Units or Other Trust Securities, as the Trustees determine, and upon acceptance of such offer by the holder of such Trust Units or Other Trust Securities (as the case may be) to whom such offer was made, to purchase for cancellation, at any time, by private agreement or otherwise, the whole

or from time to time any part of the outstanding Trust Units, or Other Trust Securities, in respect of which the offer was accepted, at a price per security and on a basis as determined by the Trustees but in compliance with all applicable laws, rules, regulations or policies governing same. For greater certainty, such offers may be made to one or more holders of Trust Units to the exclusion of other holders of Trust Units. In addition, the Trust has the right to undertake and complete all purchases as may be necessitated as a result of subscribers exercising, in connection with any Offering, their statutory or contractual (as the case may be) rights of withdrawal or rescission. Trust Units purchased by the Trust will be cancelled. The Trustees may from time to time adopt policies governing the repurchase of Trust Units or Other Trust Securities by the Trust.

3.27 3.28 Take-Over Bids

- In the event of a take-over bid for any Units, any holder of Exchangeable Securities (a) which are convertible, exercisable or exchangeable for Units (as provided for through agreements entered into by the Trust) may, unless prohibited by the terms and conditions of the Exchangeable Security, convert, exercise or exchange such Exchangeable Security, as applicable, for the purpose of tendering to the bid Units subject to the take-over bid on the condition that such Units are taken up under such bid, unless an identical offer (in terms of price per Unit issuable upon the conversion, exercise or exchange of the Exchangeable Security and percentage of outstanding securities to be taken up exclusive of securities owned immediately prior to the offer by the offeror, or associates or affiliates of the offeror, and in all other material respects) is made concurrently by the offeror to purchase the Exchangeable Securities, which identical offer has no condition attached other than the right not to take up and pay for securities tendered if no securities are purchased pursuant to the offer for Units. In the event that a holder of Exchangeable Securities elects to conditionally convert, exercise or exchange such Exchangeable Securities for the purpose of tendering the underlying Units to such take-over bid, the tendering of a certificate issued by the Trust indicating that the Unit is issuable upon and subject to completion of the take-over bid shall be good delivery under such bid and after payment of the consideration therefor to the former holder of the Exchangeable Security such holder shall cease to have any rights as a holder of Exchangeable Securities or underlying Units to the extent that the Units issuable upon the conversion, exercise or exchange of such Exchangeable Securities have been taken up.
- (b) If there is a take-over bid for all of the outstanding Units and, within 60 days after the date of such take-over bid, the bid is accepted by holders holding not less than 90% of the Units (which includes (i) where the bid includes a bid for Exchangeable Securities, Units issuable upon conversion, exercise or exchange of Exchangeable Securities, and (ii) where the bid does not include a bid for Exchangeable Securities, Units issuable upon conversion, exercise or exchange of Exchangeable Securities unless conversion, exercise or exchange of such Exchangeable Securities for the purpose of tendering the underlying Units to the bid is expressly prohibited by the terms and conditions of the Exchangeable Securities) (collectively such Units subject to the bid are herein referred to as the "Bid Units"), other than Bid Units held by or on behalf of, or issuable to, the offeror or an affiliate or associate of the offeror on the date of the take-over-bid, the offeror is entitled, on complying with this Section 3.287, to acquire the Bid Units held by the non-tendering offerees.

- (c) An offeror may acquire Bid Units held by a non-tendering offeree by sending by registered mail within 30 days after the date of termination of the take-over bid, an offeror's notice to each non-tendering offeree stating that:
 - (i) offerees holding not less than 90% of the Bid Units accepted the take-over bid;
 - (ii) the offeror is bound to take up and pay for, or has taken up and paid for, the Bid Units of the offerees who accepted the take-over bid;
 - (iii) a non-tendering offeree is required to transfer his Bid Units to the offeror on the terms on which the offeror acquired the Bid Units of the offerees who accepted the take-over bid; and
 - (iv) a non-tendering offeree who is a Unitholder and who does not transfer his Bid Units within 21 days after it receives the offeror's notice hereunder is deemed to have elected to transfer, and to have transferred, his Bid Units on the same terms that the offeror acquired Bid Units from the offerees who accepted the take-over bid, and a non-tendering offeree who is a holder of Exchangeable Securities and who does not transfer his Bid Units underlying the Exchangeable Securities within 21 days after it receives the offeror's notice hereunder is deemed to have converted, exercised or exchanged such Exchangeable Securities and to have elected to transfer, and to have transferred, the underlying Bid Units to the offeror on the same terms that the offeror acquired the Bid Units issuable pursuant to outstanding Exchangeable Securities from the offerees who accepted the take-over bid.
- (d) Concurrent with sending the offeror's notice under Section 3.287(c), the offeror shall send to the Trust a notice of adverse claim disclosing the name and address of the offeror and the name of the non-tendering offeree with respect to each Bid Unit held by a non-tendering offeree.
- (e) A non-tendering offeree to whom an offeror's notice is sent under Section 3.287(c) shall, within 21 days after it receives that notice, send its Bid Units and/or Exchangeable Securities which are convertible, exercisable or exchangeable for Bid Units (or, if the non-tendering offeree has converted, exercised or exchanges such Exchangeable Securities, the underlying Bid Units), or cause same to be sent, to the Trust.
- (f) Within 21 days after the offeror sends an offeror's notice under Section 3.287(c), the offeror shall pay or transfer to the Trust the amount of money or other consideration that the offeror would have had to pay or transfer to a non-tendering offeree if the non-tendering offeree had tendered under the take-over bid.
- (g) The Trust is deemed to hold on behalf of the non-tendering offeree the money or other consideration it receives under Section 3.287(f), and the Trust shall deposit the money in a separate account in a bank or other body corporate any of whose deposits are insured by the Canada Deposit Insurance Corporation (or any successor thereof), and shall place the other consideration in the custody of a bank or such other body corporate. No such monies or other consideration shall form any part of the Trust Property.

- (h) If the money or other consideration is deposited with the Trust as required by Section 3.287(f) above, then:
- (i) with respect to each of those non-tendering offerees who have complied with Section 3.287(e), (i) Bid Units held by a non-tendering offeree shall be deemed to be cancelled and the Trust shall, without delay upon being satisfied that the Bid Units have been received by or transferred to the Trust in accordance with Section 3.287(e), send to such non- tendering offeree the portion of the money or other consideration deposited with the Trust as required by Section 3.287(f) above and to which such non-tendering offeree is entitled, and (ii) Exchangeable Securities held by a non-tendering offeree shall be deemed converted, exercised or exchanged and the underlying Bid Units deemed to be cancelled and the Trust shall, without delay upon being satisfied that the Exchangeable Securities or the underlying Bid Units (where such non-tendering offeree has converted, exercised or exchanged such Exchangeable Securities) have been received by or transferred to the Trust in accordance with Section 3.287(e), send to such non-tendering offeree the portion of the money or other consideration deposited with the Trust as required by Section 3.287(f) above and to which such non-tendering offeree is entitled; and
 - (i) with respect to each of those non-tendering offerees who have not complied with Section 3.287(e), the Trust shall send to each such non-tendering offeree a notice stating that:
 - (A) his or her Bid Units and/or Exchangeable Securities have been transferred to the offeror;
 - (B) the Trustees or some other person designated in such notice are holding in trust the consideration for such Bid Units and/or Exchangeable Securities; and
 - (C) the Trustees, or such other person, will send the consideration to such non-tendering offeree as soon as practicable after receiving such non-tendering offeree's Bid Units and/or Exchangeable Securities which are convertible, exercisable or exchangeable for Bid Units (or, if the non-tendering offeree has converted, exercised or exchanges such Exchangeable Securities, the underlying Bid Units), together with such other documents as the Trustees or such other person may require;

and the Trustees (with the ability to act individually) are hereby appointed the agent and attorney of the non-tendering offerees for the purposes of giving effect to the foregoing provisions.

(ii) The Trust shall cause the terms, conditions, restrictions, rights and obligations of Exchangeable Securities to contain corresponding provisions as may be reasonably necessary or desirable to give effect to this Section 3.287, including, without limitation, provisions to effect the automatic conversion, exercise or exchange of Exchangeable Securities by a non-tendering offeree holder thereof or redemption by the issuer of such Exchangeable Securities.

3.28 3.29 Power of Attorney

Each Unitholder hereby grants to the Trustees a power of attorney constituting the Trustees (whether acting individually or collectively), with full power of substitution, as his true and lawful attorney to act on his behalf, with full power and authority in his name, place and stead, to execute, under seal or otherwise, swear to, acknowledge, deliver, make, file or record (and to take all requisite actions in connection with such matters), when, as and where required:

- (a) this Declaration of Trust and any other instrument required or desirable to qualify, continue and keep in good standing the Trust as a mutual fund trust in all jurisdictions that the Trustees deem appropriate and to ensure that the Trust is not a SIFT trust in all jurisdictions that the Trustees deem appropriate;
- (b) any instrument, deed, agreement or document in connection with carrying on the affairs of the Trust as authorized in this Declaration of Trust, including all conveyances, transfers and other documents required to effect any sale, transfer, repurchase or other disposition of Trust Units necessitated, required or permitted under Section 3.8, 3.18, 5.9 or 5.10;
- (c) all conveyances, transfers and other documents required in connection with the dissolution, liquidation or termination of the Trust in accordance with the terms of this Declaration of Trust;
- (d) any and all elections, determinations or designations whether jointly with third parties or otherwise, under the Income Tax Act or any other taxation or other legislation or similar laws of Canada or of any other jurisdiction in respect of the affairs of the Trust or of a Unitholder's interest in the Trust;
- (e) any instrument, certificate and other documents necessary or appropriate to reflect and give effect to any amendment to this Declaration of Trust which is authorized from time to time as contemplated by Article 9; and
- (f) all transfers, conveyances and other documents required to deal with Trust Units and/or Exchangeable Securities of non-tendering offerees pursuant to Section 3.287, including to facilitate transfers, acquisitions and dispositions of such securities; and
- (g) any instrument, deed, agreement or document as may be necessary or appropriate in connection with carrying on the business and undertaking of the Trust;

and, for further certainty, it is acknowledged and agreed by each Unitholder that the Trustees may exercise any of the powers granted under this power of attorney irrespective of whether the Administrator has been expressly authorized herein to take any such actions referred to above, and that the Trustees may substitute the Administrator as a delegate, in whole or in part, of the powers granted herein.

The power of attorney granted herein is, to the extent permitted by applicable law, irrevocable, is a power coupled with an interest, and shall survive the insolvency, death, mental incompetence, disability and any subsequent legal incapacity of the Unitholder and shall survive the assignment by the Unitholder of all or part of the Unitholder's interest in the Trust and will extend to and bind the heirs, executors, administrators and other legal representatives and successors and assigns of the Unitholder. Each Unitholder agrees to be bound by any representations or actions made or taken by the Trustees or its

delegate pursuant to this power of attorney and hereby waives any and all defences which may be available to contest, negate or disaffirm any actions taken by the Trustees in good faith under this power of attorney. The Trustee may require, in connection with the subscription for, or any transfer of, Units, that the subscription form or transfer form be accompanied by a certificate of legal advice signed by a lawyer or that the execution of the subscription form or transfer form be witnessed as may be required by any applicable laws. This power of attorney shall continue in respect of each and every one of the Initial Trustees so long as they are a Trustee of the Trust, and shall also continue in respect of a new Trustee as if the new Trustee was an Initial Trustee hereunder.

Without limiting any other manner in which this power of attorney may be exercised by the Trustees, whether acting individually or collectively, on behalf of one or more Unitholders (irrespective of class or series), the Trustees may (i) in executing any instrument on behalf of all Unitholders or all Unitholders of one class, execute such instrument (irrespective of whether the Unitholders are referred to collectively as "Unitholders", or whether there is a listing of all of the Unitholders on whose behalf the instrument is being executed) with the signature of one or more Trustees indicating such execution is as attorney and agent for all of such Unitholders, and (ii) in executing any instrument on behalf of one or more but less than all the Unitholders or all the Unitholders of one class or series, execute such instrument with the signature of one or more Trustees indicating such execution is as attorney and agent for those Unitholders on whose behalf the instrument is being executed, and then listing the names of each such Unitholder.

4.3 Investment Restrictions

The Trustees shall exercise commercially reasonable efforts to: (a) ensure that the Trust complies at all times with the requirements of paragraph 108(2)(a) and Section 132(6) and (7) of the Income Tax Act; (b) ensure that the Trust does not take any action, or acquire or retain any investment, that would result in the Trust not being considered either a unit trust or a mutual fund trust for purposes of the Income Tax Act; and (c) ensure that the Trust does not take any action, or acquire, retain, or hold any investment in any entity or other property that would result in the Trust being a SIFT trust, other than in connection with a transaction, or series of transactions in respect of the redemption or all or substantially all of the Preferred Trust Units, or the wind-up and termination of the Trust.

4.4 Different Investments

Each class or series of Preferred Trust Units will be invested in a separate class or series of securities of the Partnership, as may be further provided in an offering memorandum of the Trust from

time to time. The Trustees or the Administrator may take any actions that it, in their sole discretion, considers necessary in order to equitably reflect the fact that different classes or series of Preferred Trust Units are invested in a separate class or series of securities of the Partnership. Such actions include, but are not limited to, making such adjustments to the amounts distributable to Preferred Unitholders pursuant to Article 5 as is necessary to permit the Trustees or the Administrator, to the extent possible, to take into account the assets, liabilities, income (including realized capital gains), losses and expenses determined by the Trustee or the Administrator to be attributable to each class or series of Preferred Trust Units.

ARTICLE 5 DISTRIBUTIONS

5.1 Computation of Distributable Cash of the Trust

The "Distributable Cash" of each class or series of Preferred Trust Units for, or in respect of, a Distribution Period shall be equal to:

(a) all cash or cash equivalents which are received by the Trust for such class or series of Preferred Trust Units for, or in respect of, such Distribution Period, including amounts on account of interest, income, dividends, returns of capital, amounts paid on debt held by the Trust, capital gains, and such other amounts as may be determined from time to time by the Trustees or the Administrator to be included in "Distributable Cash" of such class or series of Preferred Trust Units (which may include amounts taken, in the discretion of the Trustees' or the Administrator, out of the Trust's reserves as well as amounts from the proceeds of any Offering);

less the sum of:

- (b) all amounts paid on account of expenses and liabilities attributable to such class or series of Preferred Trust Units for, or in respect of, such Distribution Period as well as an amount for all expenses and liabilities of the Trust which, in the opinion of the Trustees or Administrator, may reasonably be considered to have accrued and become owing in respect of, or which relate to, such Distribution Period or a prior Distribution Period if not accrued in such prior period including, without limitation, any accrued liability in respect of undeclared and accumulated distributions on such class or series of Preferred Trust Units;
- (c) all amounts which relate to the repayment of any amount (principal or interest) in respect of any indebtedness of the Trust during such Distribution Period attributable to such class or series of Preferred Trust Units;
- (d) all cash amounts used during such Distribution Period for or in connection with loans, advances, investments or other acquisitions of assets by the Trust attributable to such class or series of Preferred Trust Units;
- (e) the aggregate amount of all cash amounts used, or to be used, in respect of the redemption or repurchase of such class or series of Preferred Trust Units called for redemption or repurchase;
- (f) any amount, in addition to those amounts set forth in Sections 5.1(b) to 5.1(d) (inclusive), which the Administrator may reasonably consider to be necessary to

provide for the payment of any liabilities which have been or will be incurred by the Trust attributable to such class or series of Preferred Trust Units, including any tax liability of the Trust (to the extent that such liabilities have not otherwise been taken into account in determining the Distributable Cash hereunder), or for pursuing any purpose or activity of the Trust; and

(g) an amount as determined in the discretion of the Trustees or the Administrator for reasonable reserves to be maintained for the purposes of satisfying payment of any amounts or liabilities of the Trust attributable to such class or series of Preferred Trust Units.

5.2 Computation of Income and Net Realized Capital Gains

- (a) The "Income of the Trust" for any taxation year shall be the income of the Trust for the year computed in accordance with the provisions of the Income Tax Act; provided, however, that capital gains and capital losses shall be excluded and provided further that:
 - (i) the portion of the Trust's income comprised of taxable dividends received from corporations resident in Canada shall be calculated on the basis that the amount included in the Trust's income is the actual amount of the dividend received, which excludes the gross-up adjustment provided in paragraph 82(1)(b) of the Income Tax Act:
 - (ii) no amount shall be deducted in respect of amounts paid or payable to Unitholders; and
 - (iii) the Trust shall deduct the maximum amount available to it as deductions under the relevant law, unless the Trustees or Administrator determines otherwise.
- (b) The "Net Realized Capital Gains" of the Trust for any taxation year shall be determined as the amount, if any, by which the aggregate of the capital gains realized by the Trust in the year exceeds the aggregate of (i) the capital losses incurred by the Trust in the year, and (ii) the amount of any net capital losses for prior taxation years which the Trust is permitted by the Income Tax Act to deduct in computing the taxable income of the Trust for the year.
- (c) Notwithstanding Sections 5.2(a) and (b), Income of the Trust and Net Realized Capital Gains shall not include any income ("Redemption Income") or capital gains ("Redemption Gains"), respectively, which are realized by the Trust, in accordance with the Income Tax Act, on a distribution of Trust Property to a Unitholder pursuant to an *in specie* redemption of a Unitholder's Trust Units under Section 6.5.

5.3 Distributions

(a) Distribution to Holders of Preferred Trust Units: The Trustees, on behalf of the Trust, in respect of each Distribution Period, shall declare payable to holders of each class or series of Preferred Trust Units of record as at the close of business on the Distribution Record Date for such Distribution Period, all any part, or none of the Distributable Cash in respect of such class or series of Preferred Trust Units for such Distribution

Period (such aggregate amount so declared being herein referred to as the "Distribution Amount").

(b) Distribution Policy:

- Each Preferred Trust Unit issued and outstanding on the Distribution Record (i) Date for a particular Distribution Period shall be entitled, without preference or priority, to an equal share of the amount of the Distribution Amount in respect of such class or series of Preferred Trust Units which is declared payable to the holders of such class or series of Preferred Trust Units pursuant to Section 5.3(a) above for such particular Distribution Period, which share shall be determined by dividing the amount of such Distribution Amount in respect of such class or series of Preferred Trust Units declared payable to the holders of such class or series of Preferred Trust Units by the number of issued and outstanding Preferred Trust Units of such class or series on such Distribution Record Date (the "Distribution Per Preferred Trust Unit"). The share of such Distribution Amount in respect of a class or series of Preferred Trust Units distributable to a particular Preferred Unitholder shall be an amount equal to the Distribution per Preferred Trust Unit multiplied by the number of Preferred Trust Units owned of record by such Preferred Unitholder on such Distribution Record Date.
- (ii) In the event that a Preferred Trust Unit was not issued and outstanding on each day within such Distribution Period then the Distribution Amount in respect of such Preferred Trust Unit shall be adjusted to be the product obtained when the Distribution Amount is multiplied by the quotient obtained when (i) the number of days in the Distribution Period during which such Preferred Trust Unit was issued and outstanding, is divided by (ii) the total number of days in the Distribution Period, and such amount shall be payable as the distribution in respect of such Preferred Trust Unit. Such adjustment calculation shall be made in respect of each Preferred Trust Unit which was not issued and outstanding on each day within the Distribution Period.
- (iii) Notwithstanding the above, when determining the Distribution Per Preferred Trust Unit, the Trustees may make any variation or adjustment so as to ensure where possible that Preferred Unitholders are treated equitably and fairly taking into account such considerations as the Trustees, in their discretion, acting reasonably and in good faith, deem appropriate in the circumstances and determine to be equitable and fair (including for greater certainty, the distributions from the Partnership).
- (c) Distribution to Common Unitholders: The holders of the Common Units shall not be entitled to receive distributions.
- (d) Change of Distribution Period: The Distribution Period in respect of distributions pursuant to Section 5.3(a) above may be changed at any time, and from time to time, by the Trustees or the Administrator in their discretion and without notice to the Unitholders.

5.4 Other Distributions

- In addition to the distributions which are payable to Preferred Unitholders pursuant to Section 5.3, the Trustees may, in their sole and absolute discretion, declare to be payable and pay distributions to Preferred Unitholders (in a manner consistent with Section 5.3 or as otherwise determined by the Trustees or the Administrator), who are holders of record as at the close of business on the dDistribution Record dDate established by the Trustees for purposes of such distribution, out of Income of the Trust, Net Realized Capital Gains, the capital of the Trust or otherwise, in any year, in such amount or amounts, and on such dates as the Trustees may determine.
- (b) Year-End: So as to ensure the allocation and distribution, to Unitholders, of all of the Income of the Trust, Net Realized Capital Gains and any other applicable amounts so that the Trust will not have any material liability for tax under Part I of the Income Tax Act in any year, the amount, if any (hereinafter the "Year-End Distribution Amount") by which the aggregate of Income of the Trust, Net Realized Capital Gains, Redemption Income and Redemption Gains exceeds the aggregate of:
 - (i) such part of the taxable capital gains of the Trust for the calendar year required to be retained by the Trust to maximize its capital gains refund for such year, unless the Trustees have determined, by the end of the year, that this clause is not to apply to the Trust for that year; and
 - (ii) any amount that became payable by the Trust during the calendar year to Unitholders in respect of their Trust Units, including amounts that became payable to Unitholders on the redemption of their Trust Units and all distributions due and payable on or prior to December 31 pursuant to Section 5.3(a) or 5.4(a) above;

shall be allocated to the Preferred Unitholders in the same manner as a distribution made pursuant to Section 5.3, without any further action on the part of the Trustees or the Administrator and subject as hereinafter provided, be due and payable to the holders of Preferred Trust Units of record as of 5:00 p.m. (Calgary time) on December 31 in such year (the "Year-End Distribution Date") and shall be paid forthwith.

- (c) All or part of the Year-End Distribution Amount may, at the option of the Trustees, be satisfied by the issuance of additional Trust Units in accordance with Section 5.8.
- (d) Each Unitholder entitled to a distribution pursuant to Section 5.4(b) has the right to enforce payment of its share of such distribution on the Year-End Distribution Date.

5.5 Character of Distribution

(a) Distributions or amounts paid or payable to Unitholders pursuant to this Article 5 or Article 6 shall be deemed to be distributions out of Income of the Trust, Net Realized Capital Gains, trust capital or other items, in such amounts as the Trustees shall determine. For greater certainty, it is hereby declared that any distribution of Net Realized Capital Gains and Redemption Gains shall include the non-taxable portion of the capital gains of the Trust which are comprised in such distribution.

(b) In addition to the distributions which are made payable to Unitholders otherwise hereunder, the Trust shall allocate any Redemption Income and Redemption Gains realized by the Trust in connection with the redemption of Trust Units of a particular Unitholder, to that Unitholder, so that an amount equal to such Redemption Income and Redemption Gains shall be allocated to and shall be treated as an amount paid to the redeeming Unitholder. In addition, one-half (or any other proportion that may be provided for from time to time under section 38 of the Income Tax Act) of such Redemption Gains shall be designated as taxable capital gains of that Unitholder under subsection 104(21) of the Income Tax Act, and any portion of the Redemption Income and Redemption Gains in respect of that Unitholder as may be income from a source in a country other than Canada, within the meaning of subsection 104(22) of the Income Tax Act, shall be designated as that Unitholder's income from that source in accordance with that subsection.

5.6 Designation of Taxable Capital Gains and Other Amounts

In accordance with and to the extent permitted by the Income Tax Act, the Trustees in each year shall make designations in respect of the amounts payable to holders of Trust Units in such amounts that the Trustees consider to be reasonable in all of the circumstances, including, without limitation, designations relating to taxable dividends received by the Trust in the year on shares of taxable Canadian corporations, net capital gains realized by the Trust in the year and foreign source income of the Trust for the year.

5.7 Enforceability of Right to Receive Distributions and Redemption Payments

For greater certainty, it is hereby declared that each Unitholder shall have the legal right to enforce payment of any amount payable to such Unitholder as a result of any distribution or amount which becomes due and payable to such Unitholder pursuant to this Article 5 or pursuant to Article 6, as of the date on which such amounts become payable.

5.8 Method of Payment of Distributions

- (a) The Trust shall make payment, in cash, of distributions which have been declared or deemed to be payable pursuant to this Article 5, provided that where the Trustees determine that the Trust does not have cash in an amount sufficient to make payment of the full amount of any distribution which has been declared or deemed to be payable pursuant to this Article on the due date for such payment, or where cash payment is otherwise determined undesirable in the discretion of the Trustees, the payment may, at the option of the Trustees, include the issuance of additional Units, or fractions of Units, if necessary. In each case, such Trust Units so issued shall have an aggregate value equal to the difference between the amount of the distribution in question and the amount of cash (if any) which has been determined by the Trustees to be available for the payment of such distribution, provided, however, that a Unitholder is only entitled to receive Units of the same class or series as the class or series in respect of which such distribution to him was declared.
- (b) The following shall be applicable in respect to the calculation of the value of each Trust Unit which is issued pursuant to Section 5.8(a):
- (c) Value of the Preferred Trust Units Issued: The value of each Preferred Trust Unit which is issued pursuant to Section 5.8(a) shall be deemed to be the fair market value of a

Preferred Trust Unit as calculated in accordance with Section 6.3 as at, (1) the applicable Distribution Record Date in respect of a distribution pursuant to Section 5.3 or 5.4(a), or (2) December 31 in respect of a distribution under Section 5.4(b).

5.9 Consolidation of Units

Unless the Trustees determined otherwise, immediately after any distribution of additional Trust Units of any class or series to Unitholders pursuant to Section 5.8(a), the number of the outstanding Trust Units of such class or series will be automatically consolidated without further act of the Trustees or Unitholders such that each Unitholder will hold after the consolidation the same number of Trust Units of such class or series as the Unitholder held before the distribution of such additional Trust Units. In this case, each issued Unit Certificate (if any) which represents a number of Trust Units of such class or series prior to the distribution of additional Trust Units of that class or series is deemed to represent the same number of Trust Units of that class or series after the distribution of such additional Trust Units and the consolidation. Notwithstanding the foregoing, where the Trust is required to withhold tax in respect of a Unitholder's share of the distribution the Trust may, as authorized pursuant to Section 5.10, withhold and sell all or a portion of the additional Trust Units otherwise to be distributed to such Unitholder, and the consolidation of the Trust Units held by such Unitholder will then result in such Unitholder holding that number of Trust Units of such class or series as is equal to (i) the number of Trust Units of the same class or series as is held by such Unitholder prior to the distribution of additional Trust Units plus the number of Trust Units received by such Unitholder in connection with the distribution (net of the number of whole and part Trust Units withheld on account of withholding taxes) multiplied by (ii) the fraction obtained by dividing the aggregate number of Trust Units of such class or series outstanding prior to the distribution by the aggregate number of Trust Units of such class or series that would be outstanding following the distribution and before the consolidation if no withholding were required in respect of any part of the distribution payable to such Unitholder. Such Unitholder will be required to surrender the Unit Certificates, if any, representing such Unitholder's original Units of such class or series, in exchange for a Unit Certificate representing such Unitholder's post-consolidation Units of such class or series.

5.10 Withholdings by the Trustees

The Trustees shall deduct or withhold from payments and distributions (including redemptions) payable to any Unitholder all amounts required by law to be withheld from such payment or distribution, whether such payment or distribution is in the form of cash, additional Units or otherwise. The Trustees may rely on advice of Counsel or the Administrator in making all such determinations. To the extent that amounts are so deducted or withheld, such amounts shall be treated for all purposes as having been paid to the Unitholder in respect of which such deduction and withholding was made. In the event of a distribution in the form of additional Units, the Trustees may sell such number of Units of those Unitholders required to pay those withholding taxes and to pay all of the Trustees' reasonable expenses with regard thereto and the Trustees shall have the power of attorney of the Unitholder to do so. Upon the sale being made, the affected Unitholder shall cease to be the holder of those Units. No liability shall accrue to the Trust, the Trustees or the Administrator, and no resort shall be had to the Trust Property, (i) for satisfaction of any obligation or claim against the Trustees or the Trust in connection with the sale of Units pursuant to this Section 5.10, (ii) if Units or other assets sold or disposed of pursuant to this Section 5.10 are sold at a loss to such affected Unitholder or the Beneficial Unitholder of such Units, or (iii) if Units or other assets so sold or disposed of are sold or disposed of for an amount which may be less than might otherwise have been obtained if sold or disposed of at a different point in time or in different circumstances. Any amounts realized on such sale of Units in excess of the amounts required to satisfy the obligations of the Trustees hereunder, including reasonable expenses, shall be paid to the applicable Unitholder.

5.11 Trust Unit Plans

Subject to any approvals required under applicable law, the Trustees may, in their discretion and at any time and from time to time, establish and implement Unitholder rights plans, distribution reinvestment plans, Trust Unit purchase plans, and incentive option and other compensation plans.

- (b) Each Preferred Unitholder shall be entitled to require the Trust to redeem at any time and from time to time at the demand of the holder, in accordance with the terms and conditions set forth in this Article 6, all or any part of the Preferred Trust Units registered in the name of the Preferred Unitholder.

- (a) For a Preferred Unitholder or Common Unitholder to exercise its right to require redemption under this Article 6, a duly completed and properly executed notice requiring the Trust to redeem such Redemption Units, in a form approved by the Trustees, which shall initially be in the form set forth in Schedule "D", shall be sent to the Trust at the head office of the Trust or any of the principal offices of the Transfer Agent at which it has agreed to act as registrar for the Units being redeemed, together with the Unit Certificate or Unit Certificates, if any, representing the Redemption Units. No form or manner of completion or execution shall be sufficient unless the same is in all respects satisfactory to the Trustees and is accompanied by any further evidence that the Trustees may reasonably require with respect to the identity, capacity or authority of the person giving such notice. The Trust shall pay the Redemption Price (as defined below) in respect of such Redemption Units accepted for redemption within forty-five (45) days after receipt of such notice.
- (b) Upon the tender of Redemption Units for redemption, the Unitholder shall thereafter cease to have any rights with respect to the Redemption Units tendered for redemption (including no right to receive distributions in respect of Preferred Trust Units where such distributions are declared payable to Preferred Unitholders of record on a date which is on or subsequent to the date upon which such Preferred Trust Units of the Unitholder have been tendered for redemption), other than to receive the Redemption Price (as defined herein) therefor, and the right to receive any distributions thereon which have

been declared payable to Preferred Unitholders of record on a date which is prior to the date upon which such Preferred Trust Units of the Unitholder have been tendered for redemption. Units shall be considered to be tendered for redemption on the date the Trust has, to the satisfaction of the Trustees, received the notice, Unit Certificates, if any, and all other required documents or evidence as aforesaid.

(c) Notwithstanding Section 6.2(b), a Unitholder may advise the Trust that such Unitholder only wishes to receive cash in payment of the Redemption Price pursuant to Section 6.5(b). In such event, only the Redemption Units which Redemption Price can be satisfied by the Cash Amount determined as set forth in Section 6.5(b)(i) in respect of such calendar month will be redeemed by the Trust and the remainder of the Redemption Units that have not been redeemed by the Trust shall be deemed not to have been tendered for redemption by the Unitholder. The Unitholder may request that the remainder of the Redemption Units that have not been redeemed by the Trust be automatically re-tendered for redemption each month until all such Redemption Units have been redeemed for cash, or withdraw its request for redemption with respect to such units.

6.3 Exercise of Redemption Right by the Trust

- (a) Subject to Sections 3.8 and 6.3(d), the Trust's right to redeem Preferred Trust Units pursuant to Section 6.1(a) shall be exercised on a *pro rata* basis with respect to all holders of Preferred Trust Units at the time of such redemption.
- (a) For the Trust to exercise its right to redeem all or any part of the issued and (b) outstanding Preferred Trust Units under this Article 6, the Trust shall, at least 21 upon the date specified by the Trust for redemption (or such number of days before the date specified for redemption, send by prepaid mail or personally deliver (or, with the consent of any particular holder, otherwise deliver) as determined by the Trustees in their sole discretion), send a notice in writing of the intention of the Trust to redeem such Redemption Units ("Redemption Notice") to each person who, at the record-date for the determination of Preferred Unitholders entitled to receive notice (to be a date no more than 10 days prior to the date of mailing or delivery of the specified for Rredemption Notice), is a registered holder of the Redemption Units. In the case of the mailing of such Redemption Notice, it shall (subject to the consent of any particular holder referred to above) be mailed by letter, postage prepaid, addressed to each such holder at the holder's address as it appears on the records of the Trust or in the event of the address of any such holder not so appearing then to the last known address of such holder; provided, however, that accidental failure or omission to give any such Redemption Notice to one or more of such holders shall not affect the validity of such redemption. Such Redemption Notice shall set out the Redemption Price, the date on which redemption is to take place, and if part only of the Preferred Trust Units held by the person to whom the Redemption Notice is addressed is to be redeemed the number thereof so to be redeemed. On or within forty-five (45) days after the date so specified for redemption, the Trust shall pay or cause to be paid to or to the order of the holders of the Redemption Units the Redemption Price thereof on presentation and surrender at the registered office of the Trust or any other place designated in the Redemption Notice of the and the Unit eCertificates representing the Redemption Units, if any, shall be considered null, void and of no force and effect. registered holder. If only a part of the Preferred Trust Units represented by any certificate are to be redeemed, a new certificate representing the balance of such Preferred Trust Units shall be issued to the holder thereof at the expense of the Trust upon presentation and surrender of the first mentioned certificate.

- (c) (b)—From and after the date specified for redemption in any such Redemption Notice, such Redemption Units shall cease to be entitled to distributions or any other participation in the assets of the Trust and the holders thereof shall not be entitled to exercise any of their other rights as Preferred Unitholders in respect thereof.
- (d) Notwithstanding Section 6.3(a), the Trust may, from time to time, in the sole discretion of the Trustees, exercise its right of redemption in respect of Preferred Unitholders holding less than 10,000 Preferred Trust Units to the exclusion of all other Preferred Unitholders, provided that the Corresponding Partnership Unit for each Preferred Trust Unit is first redeemed by the Partnership.

6.4 Calculation of Redemption Price

- (a) A Preferred Unitholder whose Preferred Trust Units are being redeemed shall be entitled to receive a price per Redemption Unit (herein referred to as the "Redemption Price") equal to:
 - (i) In the case of a Redemption Unit being redeemed pursuant to Section 6.1(a) hereof, the redemption proceeds received by the Trust from the Partnership with respect to a redemption by the Partnership of the Corresponding Partnership Unit:
 - (ii) in the case of a Redemption Unit being redeemed pursuant to Section 6.1(b) hereof, the redemption proceeds received by the Trust from the Partnership with respect to a redemption by the Trust of the Corresponding Partnership Unit;
 - (iii) in the case of a Redemption Unit being redeemed pursuant to Section 6.1(c) hereof, the lesser of: (A) the fair market value of such Redemption Unit as at the date upon which such Redemption Unit was tendered for redemption; and (B) \$1.00;
- (b) The fair market value of a Redemption Unit shall be determined by the Administrator in its sole discretion, acting reasonably, but having regard to:
 - (i) all prices at which trades of Trust Units of the same class or series as the Redemption Units have been transacted, as reported to the Trust pursuant to Section 3.18, and which have occurred during the 6 month period (or such other period as the Administrator determines relevant and reasonable) immediately preceding the date on which such Redemption Units tendered for redemption or the date of the Redemption Notice, as applicable;
 - (ii) the issue prices for Trust Units of the same class or series as the Redemption Units issued in any Offering during the 6 month period (or such other period as the Administrator determines relevant and reasonable) immediately preceding

- the date on which such Redemption Units tendered for redemption or the date of the Redemption Notice, as applicable;
- (iii) the fair market value of equity interests in, or enterprise values of, comparable entities substantially similar to the Trust; and
- (iv) any other considerations which the Administrator, in its discretion, determines relevant for purposes of determining the fair market value of such Redemption Units.

6.5 Payment of Redemption Price

- (a) The Redemption Price payable in respect of the Redemption Units redeemed pursuant to Section 6.1(a) hereof shall be paid, at the discretion of the Trustees, by any combination of:
 - (i) An amount payable by cheque, drawn on a Canadian chartered bank or a trust company in lawful money of Canada, or electronic funds transfer, payable at par to or to the order of the Preferred Unitholder holding such Redemption Units (the amount of such payment being the "Cash Amount"), provided that the Cash Amount in respect of Redemption Units to be redeemed shall be paid *pro-rata* to Preferred Unitholders whose Preferred Trust Units are being redeemed based upon the proportion which the total redemption amount payable to a Preferred Unitholder bears in relation to the aggregate Redemption Price which is payable in respect of all Redemption Units to be redeemed in any calendar month; and
 - (ii) an amount equal to the difference between the Redemption Price payable in respect of the Redemption Units and the Cash Amount (the "Remainder Amount") through the issuance of Redemption Notes and/or distribution, in specie, of Trust Property to Preferred Unitholders holding such Redemption Units, with such notes and/or Trust Property (as the case may be) having an aggregate fair market value equal to the Remainder Amount.
- (b) The Redemption Price payable in respect of the Units redeemed pursuant to Section 6.1(b) or 6.1(c) hereof shall be paid by:
 - (i) a Cash Amount, but in the event that the Cash Amount in respect of Redemption Units tendered for redemption in the same calendar month exceeds \$10,000, then the Trust shall only be obligated to pay the Cash Amount up to a maximum of \$10,000, unless the Trustees determines a greater Cash Amount, provided that the Cash Amount shall be paid *pro-rata* to redeeming Unitholders based upon the proportion which the total redemption amount payable to a redeeming Unitholder bears in relation to the aggregate Redemption Price which is payable in respect of all Redemption Units tendered for redemption in any calendar month; and
 - (ii) to the extent that the aggregate Redemption Price which is payable in respect of the Redemption Units tendered for redemption in such calendar month exceeds the Cash Amount, the difference shall be paid by the Trust to Unitholders via the Remainder Amount, through the issuance of Redemption Notes and/or distribution, *in specie*, of Trust Property to Unitholders holding such

Redemption Units, with such notes and/or Trust Property (as the case may be) having an aggregate fair market value equal to the Remainder Amount.

- (c) Payments of the Cash Amount by the Trust are conclusively deemed to have been made in the case of payment by a cheque, upon the mailing of a cheque in a postage pre-paid envelope addressed to the redeeming Unitholder at its last address appearing on the Register unless such cheque is dishonoured upon presentment, or in the case of payment by an electronic funds transfer, upon receipt by the Trust of confirmation of completion of such electronic funds transfer to the bank account of the redeeming Unitholder at its last bank account provided to the Trust by the redeeming Unitholder. Upon such payment, the Trust shall be discharged from all liability to the redeeming Unitholder in respect of the Redemption Units so redeemed except with respect to any outstanding payments in respect of such Redemption Units pertaining to distributions payable thereon to such redeeming Unitholder(s) of record on a date which was prior to the date upon which such Redemption Units were tendered to the Trust for redemption.
- (d) Payments of the Remainder Amount by the Trust are conclusively deemed to have been made, as applicable, in the case of payment by a cheque, upon the mailing of a cheque in a postage pre-paid envelope addressed to the redeeming Unitholder at its last address appearing on the Register unless such cheque is dishonoured upon presentment, in the case of payment by an electronic funds transfer, upon receipt by the Trust of confirmation of completion of such electronic funds transfer to the bank account of the redeeming Unitholder at its last bank account provided to the Trust by the redeeming Unitholder, upon issuance of the Redemption Notes or upon the mailing of the documents evidencing ownership of the property of the Trust so distributed by registered mail in a postage prepaid envelope addressed to the redeeming Unitholder at its last address appearing on the Register. Upon such occurrence, the Trust shall be discharged from all liability to the redeeming Unitholder in respect of the Redemption Units so redeemed except with respect to any outstanding payments in respect of such Redemption Units pertaining to distributions payable thereon to such redeeming Unitholder(s) of record on a date which was prior to the date upon which such Redemption Units were tendered to the Trust for redemption. In respect of any property of the Trust being transferred in respect of payments of the Remainder Amount by the Trust, the Trust shall be entitled to all interest paid or accrued and unpaid in respect of such property (if applicable and if any) to and including the date of transfer thereof.

6.6 Fair Market Value

(a) The fair market value of Trust Property distributed *in specie* as part of the Remainder Amount in satisfaction of the Redemption Price of any Redemption Units pursuant to Section 6.5 hereof, as at the date upon which such Redemption Units were tendered for redemption, shall be determined by the Trustees in their sole discretion, acting reasonably, provided that in the event that such Trust Property consist of securities ("Listed Securities") that are listed, traded or quoted on a stock exchange or market which the Trustees consider, in their sole discretion, provides representative fair market value prices for such Trust Property (such exchange or market being herein referred to as the "Principal Market"), then the fair market value of such Listed Securities shall be the "market price" of such Listed Securities, as determined on the Principal Market on which such Listed Securities are listed and/or quoted for trading during the period of the last

- ten (10) trading days immediately prior to the date on which the Redemption Units were tendered for redemption.
- (b) For the purposes of this Section 6.6, the "market price" of a Listed Security shall be: (i) an amount equal to the volume weighted average trading price of such Listed Security for each of the ten (10) trading days referred to in Section 6.6(a); (ii) if the Principal Market does not provide information necessary to compute a volume weighted average trading price, an amount equal to the volume weighted average of the closing prices of such a Listed Security for each of the ten (10) trading days on which there was a closing price; provided that if the Principal Market does not provide a closing price, but only provides the highest and lowest prices of such Listed Securities traded on a particular day, the "market price" shall be an amount equal to the volume weighted average of the average of the highest and lowest prices for each of the trading days on which there was a trade; and (iii) if there was trading on the Principal Market for fewer than five (5) of the ten (10) trading days, the "market price" shall be the volume weighted average of the following prices established for each of the ten (10) trading days; (1) the average of the last bid and last asking prices for each day on which there was no trading; (2) the closing price of such Listed Security for each day that there was trading if the Principal Market provides a closing price; and (3) the average of the highest and lowest prices of such Listed Security for each day that there was trading, if the Principal Market provides only the highest and lowest prices of such Listed Securities traded on a particular day.
- (c) For the purposes hereof, (i) where there is more than one exchange or market on which the Listed Securities are listed or quoted for trading, the "Principal Market" shall be the exchange or market on which the Listed Securities are listed or quoted for trading as is designated by the Trustees, and (ii) if the Principal Market is not open for trading on the date on which the Listed Securities are tendered for redemption, then the reference date shall be the last day on which such Principal Market was open for trading.

6.7 Suspension of Redemption Rights in Certain Circumstances

- The Trustees may, as an extraordinary measure, from time to time, suspend the (a) redemption of Units or payment of redemption proceeds if the Trustees, taking into account the advice of the Administrator, determine the suspension to be appropriate in the circumstances. Examples of circumstances which may require a suspension of redemptions include, without limitation, if the Trustees reasonably determine that: (i) the Trust's assets are invested in such a manner so as to not reasonably permit immediate liquidation of sufficient assets; (ii) there exists a state of affairs that constitutes circumstances under which liquidation by the Trust of part or all of its investments is not reasonable or practicable, or would be prejudicial to the Trust or Unitholders generally; (iii) not suspending redemptions would have an adverse effect on continuing Unitholders; or (iv) they are unable to value the assets of the Trust. The Trustees may also suspend the redemption of Trust Units upon an announcement by the Trustees that the Trust will be terminated. For greater certainty, the intention of this provision is not to generally restrict the ability of Unitholders to redeem Trust Units, but rather to permit the Trustees to protect the Trust and/or its Unitholders from the harm that would be caused by permitting redemptions when extraordinary and unusual circumstances are present.
- (b) With respect to any suspension as a result of Section 6.7(a) hereof, such suspension shall also apply to all requests for redemption received prior to the suspension date but

as to which payment has not been made, as well as to all requests received while the suspension is in effect. All Unitholders making such requests shall be advised of the suspension by the Administrator on behalf of the Trustees. During the suspension period, requests for redemptions of Units may be withdrawn. To the extent that a request for redemption is not withdrawn, such request will be acted upon on the first be usiness d pay following the recommencement of redemptions, as determined by the Trustees. All such non-withdrawn requests for redemption shall be treated on a pro rata basis regardless of when the original notice of redemption was provided.

6.8 Cancellation of Certificates for all Redeemed Redemption Units

All Unit Certificates representing Redemption Units which are redeemed under this Article 6 shall be cancelled and such Redemption Units shall no longer be outstanding.

Any Trustee who executes and delivers a counterpart of a written consent or resolution by facsimile transmission shall thereafter forthwith deliver, to the Trust, an original counterpart execution page with their original execution located thereon; provided, however, that any failure by a Trustee to so deliver such original signature page shall not affect the validity or enforceability of the written consent or resolution, as the case may be.

Any Trustees may participate in a meeting of the Trustees or any committee thereof by means of a conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and a Trustee so participating shall be considered for the purposes of this Declaration of Trust to be present in person at that meeting.

ARTICLE 8 TRUSTEES' POWERS AND DUTIES

8.1 General Powers

The Trustees, subject only to the specific limitations and restrictions contained in this Declaration of Trust and to any grant of powers to the Administrator contained in this Declaration of Trust, are hereby vested with and have, without any further authorization, action or consent required, full, continuing, absolute and exclusive power, control and authority over the Trust Property and over the business and undertaking of the Trust to the same extent as if the Trustees were the sole and absolute beneficial owners of the Trust Property, to do all such acts and things as in their sole judgment and discretion are necessary or incidental to, or desirable for, carrying out the trust created hereunder. For greater certainty, the Trustees have the capacity and the rights, powers and privileges of a natural person.

In construing the provisions of this Declaration of Trust, presumption shall be in favour of the grant to the Trustees of any power or authority in question. Notice of all meetings of the Unitholders shall be given or sent by unregistered mail postage prepaid addressed to each Unitholder at his registered address, mailed at least 21 days and not more than 60 days before the meeting (or within such other time periods as required or permitted by applicable securities laws). The attendance of a Unitholder at a meeting (whether in person or by proxy) shall constitute a waiver of notice, or defect therein, with respect to such meeting except where a Unitholder attends a meeting for the express purpose of objecting to the transaction of any business on the ground

that the meeting has not been lawfully called or convened. Such notice shall set out the time when, and the place where, such meeting is to be held and shall state the purposes of the meeting. The accidental omission to give notice to or the non-receipt of such notice by the Unitholders shall not invalidate any business undertaken or any resolution passed at any such meeting.

10.4 Quorum; Chairman

A quorum for any meeting of Unitholders shall be one or more persons present in person and being Unitholders or representing, by proxy, Unitholders, and who hold in the aggregate not less than 5% of all votes entitled to be voted at the meeting. In the event of such quorum not being present at the appointed place on the date for which the meeting is called within 30 minutes after the time fixed for the holding of such meeting, the meeting, if convened on requisition of Unitholders, shall be terminated and, if otherwise called, shall stand adjourned to a day not less than 7 days later and to such place and time as may be determined by the chairman of the meeting. At least three (3) Business Days' notice of the adjournment meeting shall be given to Unitholders, either in writing or verbally, but such notice need not set forth the matters to be considered at the adjourned meeting. If at such adjourned meeting a quorum as above defined is not present, the Unitholders entitled to vote at such meeting and present either personally or by proxy shall form a quorum, and any business may be brought before or dealt with at such an adjourned meeting which might have been brought before or dealt with at the original meeting in accordance with the notice calling the same. The President of the Administrator, or such other individual as may be appointed by the Trustees, shall be the chairman of any meeting of Unitholders failing which the Unitholders present in person or represented by proxy at the meeting and eligible to vote thereat shall appoint a chairman of the meeting of Ordinary Resolution.

10.5 Voting

- (a) Except for meetings of Preferred Unitholders called for the purposes set forth in Section 2(b) of Schedule CA, only the holders of the Common Units shall be entitled to receive notice of and to attend all meetings of the Unitholders of the Trust, either in person or by proxy, and shall be entitled to one (1) vote in respect of each Common Unit held at all such meetings.
- (b) Every question submitted to a meeting, other than questions to be decided by Special Resolution, shall, unless a poll vote is demanded, be decided by a show of hands on which every person present and entitled to vote shall be entitled to one vote. On a poll vote at any meeting of Unitholders, each Trust Unit shall be entitled to the number of votes set out in Schedule A and each Voting Exchangeable Security shall be entitled to that number of votes equal to the number of votes attached to the number of Trust Units into which such Voting Exchangeable Security is exchangeable, exercisable or convertible. A poll vote may be demanded either before or after a vote by show of hands.
- (c) Any action taken or resolution passed in respect of any matter at a meeting of Unitholders shall be by Ordinary Resolution, unless the contrary is otherwise expressly provided under any specific provision of this Declaration of Trust.
- (d) The chairman of any meeting of Unitholders shall not have a second or casting vote.

10.6 Record Dates

For the purpose of determining the Unitholders who are entitled to receive notice of and vote at any meeting or any adjournment thereof, or for the purpose of any other action, the Trustees may from time to time, without notice to Unitholders, close the transfer books for such period, not exceeding 30 days, as the Trustees may determine. With or without closing the transfer books, the Trustees may fix a date not more than 60 days prior to the date of any meeting of Unitholders (whether a meeting of Common Unitholders or Preferred Unitholders, as the case may be) or any other action to be taken by the Trust, as a record date for the determination of Unitholders (whether Common Unitholders or Preferred Unitholders, as the case may be) entitled to receive notice of and to vote at such meeting or any adjournment thereof or to be treated as Unitholders of record for purposes of such other action, as the case may be. Any Unitholder who was a Unitholder (in respect of the class or series of Units in respect of which such meeting has been called) at the record date so fixed shall be entitled to receive notice of and vote at such meeting or any adjournment thereof, or to be treated as a Unitholder of record for purposes of such other action, even though he has since that date disposed of his Trust Units or Voting Exchangeable Securities, and no person who becomes a Unitholder after that date shall be entitled to receive notice of and vote at such meeting or any adjournment thereof, or to be treated as a Unitholder of record for purposes of such other action. In the event that the Trustees do not fix a record date for any meeting of Unitholders, the record date for such meeting shall be the Business Day immediately preceding the date upon which notice of the meeting is given in accordance with Article 10.

10.7 Proxies

Whenever the vote or consent of Unitholders is required or permitted under this Declaration of Trust, such vote or consent may be given either directly by the Unitholder or by a proxy in written form, electronic or other technologically enhanced form, or such other form as is acceptable to the Trustees acting reasonably. A proxy holder need not be a Unitholder. The Trustees may solicit such proxies from the Unitholders or any of them in respect of any matter requiring or permitting the Unitholders' vote, approval or consent in such manner as the Trustees determine, subject to applicable law.

Provided not contrary to applicable law, the Trustees may adopt, amend or repeal such rules relating to proxies, including pertaining to the appointment of proxy holders and the solicitation, execution, validity, revocation and deposit of proxies, as they in their discretion from time to time determine and such rules may be contained in the Trustees' Regulations.

10.8 Mandatory Solicitation of Proxies

The Trustees shall solicit proxies from Unitholders in connection with all meetings of Unitholders. In connection therewith, the Trustee shall comply with all mandatory provisions of applicable laws applicable to the solicitation of proxies.

10.9 Resolution in Lieu of Meeting

A resolution signed in writing by Unitholders holding such number of Units eligible to be voted at a meeting to which are attached such proportion of all votes eligible to be cast at the meeting as is equal to or greater than the proportion of votes required to be cast in favour such resolution at a meeting of Unitholders to approve that resolution, is as valid as if it had been passed at a meeting of Unitholders duly called and convened for the purpose of approving that resolution.

10.10 Voting of Trust Units by Administrator

Nothing herein contained shall prevent or diminish the right of the Administrator or its affiliates or associates to vote any Trust Units or Voting Exchangeable Securities which may be beneficially owned by it or them in its or their own capacity in its or their absolute discretion.

10.11 Binding Effect of Resolutions

Every Ordinary Resolution and every Special Resolution of a class or series of Unitholders passed in accordance with the provisions of this Declaration of Trust shall be binding upon all Unitholders of that class or series, and each and every such Unitholder shall be bound to give effect to every such Ordinary Resolution and Special Resolution.

10.12 No Breach

Notwithstanding any provisions of this Declaration of Trust, the Unitholders shall not have the power to effect any amendment hereto which would require the Trustees to take any action or conduct the affairs of the Trust in a manner which would constitute a breach or default by the Trust or the Trustees under any law or under any agreement binding on the Trust or the Trustees.

10.13 Resolutions Binding the Trustee

- (a) Unitholders shall be entitled to pass resolutions that will bind the Trustee only with respect to the following matters:
 - (i) the election, appointment or removal of the Trustee by Common Unitholders;
 - (ii) the appointment or removal of the Administrator by Common Unitholders;
 - (iii) any other matter referred to in Section 8.5; and
 - (iv) any other matters required by applicable laws or this Declaration of Trust to be submitted to Unitholders for approval.
- (b) Except with respect to the above matters set out in this Section 10.13, no action taken by the Unitholders or any resolution of the Unitholders at any meeting shall in any way bind the Trustees.

10.14 Conduct of Meetings

To the extent that the rules and procedures for the conduct of meetings of Unitholders are not prescribed in this Declaration of Trust or the Trustees' Regulations, such rules and procedures shall be determined by the chairman of the meeting.

10.15 Minutes of Meetings

Minutes, when signed by the chairman of the meeting at which resolutions are passed or proceedings held, or by the chairman of the next succeeding meeting of Unitholders, will be prima facie evidence of the matters therein stated until the contrary is proved. Every meeting in respect of which minutes are made and signed will be deemed, unless the contrary is proved, to have been duly held and convened, and all resolutions passed or proceedings taken as referred to in the minutes will be deemed to have been duly passed and taken in accordance with this Declaration of Trust.

ARTICLE 11 TERMINATION

11.1 Term of the Trust

Subject to earlier termination in accordance with the other provisions of this Declaration of Trust, the Trust shall continue for a term ending 21 years after the date of death of the last surviving issue of Her Majesty, Queen Elizabeth II, alive on February 27, 2014.

11.2 Events of Termination

The Trust shall commence its wind-up and termination upon the first of the following to occur:

- (a) a proposal by the Trustees or the Administrator, to wind up and terminate the Trust, which proposal is approved by way of Special Resolution of the Common Unitholders; or
- (b) the date upon which each of the material entities in which the Trust holds an interest, or has otherwise invested, have been liquidated; which generally means such entities have been wound-up and their net assets distributed to those so entitled upon a wind-up, dissolution or termination of such entities (hereinafter referred to as an "Event of Termination").

11.3 Wind-Up

- (a) Upon the occurrence of an Event of Termination the Trustees shall commence the wind-up and termination of the affairs of the Trust and will use their reasonable commercial efforts to, as soon as practicable, liquidate and distribute (in accordance with the terms hereof) all the Trust Property and wind-up the Trust.
- (b) The Administrator or, in the event the Administrator is unable or unwilling to act, the Trustees shall serve as the receiver of the Trust, provided that if neither are able or willing to act in such capacity then the Common Unitholders shall appoint by Ordinary Resolution an appropriate person to act as the receiver of the Trust. The receiver shall be paid its reasonable fees and disbursements in carrying out its duties.
- (c) Except as specifically provided in this Declaration of Trust, in no event and under no circumstances shall a Unitholder be entitled to compel a partition, judicial or otherwise, of any of the assets of the Trust, either in kind or otherwise.

11.4 Powers of the Trustees Upon Wind-Up

During the wind-up of the affairs of the Trust, the Administrator and the Trustees shall carry on no activities on behalf of the Trust except those for the purpose of, and ancillary to, winding-up and terminating the affairs of the Trust as hereinafter provided and, for this purpose, the Administrator and the Trustees shall be vested with and may exercise all or any of the powers conferred upon the Trustees under this Declaration of Trust.

11.5 Liquidation of Investments

For the purposes of winding-up and terminating the affairs of the Trust the Administrator shall, subject to any direction to the contrary in respect of a wind-up and termination authorized under Section 11.2(a), sell and convert into money the Trust Property (to the extent not already then comprising cash or cash equivalents) and do all other acts appropriate to liquidate the Trust. If the Administrator is unable to sell all or any of the Trust Property or other assets which comprise part of the Trust within a reasonable period of time, the Administrator may, subject to obtaining all necessary regulatory or other approvals, distribute undivided interests in the remaining Trust Property or other assets directly to the holders of the Common Units and the Preferred Trust Units in accordance with their respective entitlements to the Trust Property on a wind-up or termination of the Trust, as such entitlements are determined in accordance with the rights, privileges, restrictions and conditions attaching to the Common Units and the Preferred Trust Units.

11.6 Distribution of Proceeds

- (a) Once the Administrator is able to determine, with a reasonable degree of certainty, the time at which the Trust will be in a position to distribute the net assets of the Trust, then the Administrator shall give notice of the timing of such anticipated distribution. Such notice shall designate the time or times at which Unitholders may surrender their Trust Units for cancellation and the date at which the Registers of Trust Units of the Trust shall be closed.
- (b) After paying, retiring or discharging or making provision for the payment, retirement or discharge of all known liabilities and obligations of the Trust (including expenses relating to the wind-up and termination of the Trust) and providing for an indemnity against any other outstanding liabilities and obligations, the Administrator shall distribute the remaining Trust Property to the holders of the Common Units and the Preferred Trust Units in accordance with their respective entitlements to the Trust Property on a wind-up or termination of the Trust, as such entitlements are determined in accordance with the rights, privileges, restrictions and conditions attaching to the Common Units and the Preferred Trust Units. Any such distribution to a class or series of Units shall be distributed *pro-rata* across the class or series.

11.7 Further Notice of Unitholders

In the event that less than all of the Unitholders have surrendered their Trust Units for cancellation within six (6) months after the time specified in the notice referred to in Section 11.6(a), the Administrator shall give further notice to the remaining Unitholders to surrender their Trust Units for cancellation and if, within six (6) months after the further notice, all the Trust Units shall not have been surrendered for cancellation, such remaining Trust Units shall be deemed to be cancelled without prejudice to the rights of the holders of such Trust Units to receive their proper entitlements to the Trust Property on a wind-up or termination of the Trust, as such entitlements are determined in accordance with the rights, privileges, restrictions and conditions attaching to the Common Units and the Preferred Trust Units, and the Administrator may either take appropriate steps, or appoint an agent to take appropriate steps, to contact such Unitholders (deducting all expenses thereby incurred from the amounts to which such Unitholders are entitled as aforesaid) or, in the discretion of the Administrator, the Administrator may at any time pay all or part of such amounts so held, net of any amount required to be withheld by the Income Tax Act, to the public trustee or a court in the province where the Trust has its head office (or to such other appropriate government official or agency) whose receipt shall be a good release, acquittance and discharge of the obligations of the Trustees and the Administrator with respect

thereto. If any such amount of money or property distributable or otherwise payable hereunder is not claimed by and paid to the Unitholder(s) entitled thereto within two (2) years from the date on which the amount became distributable or payable, the amount, to the extent not lodged with the public trustee, court or other government official or agency (as aforesaid), shall be forfeited to, and retained by, the Trust and any right or claim to payment of such amount by the person previously entitled thereto shall cease to represent a right or claim of any kind or nature by such person. Neither the Administrator nor the Trustees shall be under any obligation to invest or reinvest any such money and they shall only be obliged to hold the same in a current non-interest-bearing account pending payment to the Unitholder(s) entitled thereto.

11.8 Responsibility on Wind-Up

Neither the Administrator nor the Trustees shall be under any obligation to invest the proceeds of any sale of investments or other assets or cash forming part of the Trust Property after the date of commencement of the wind-up and termination of the Trust.

ARTICLE 12 <u>LIABILITY OF TRUSTEES, ADMINISTRATOR, UNITHOLDERS AND OTHER MATTERS</u>

12.1 Acting on Behalf of the Trust

If required by the Trustees, the Administrator shall file with the Trustees a certificate of incumbency setting forth the names and titles of parties authorized to give instructions or directions to the Trustees together with specimen signatures of such persons and the Trustees shall be entitled to rely on the latest such certificate of incumbency filed with them. The Trustees, the Administrator and each affiliate of the Trust and their respective directors, officers, trustees, shareholders, employees and agents shall not be liable to any Beneficiary or other

- (a) Limit on Liability: In addition to those limits on the liability of the Trustees set forth in Section 12.2, each Trustee, as a trustee of the Trust, shall to the greatest extent permitting by applicable laws, have no liability whatsoever (whether direct or indirect, absolute or contingent) in tort, contract or otherwise to any Beneficiary or any other person, and no resort shall be had to such Trustees' property or assets for satisfaction of any obligation, liability or claim against them or the Trust (and the Trust only shall be liable, and the Trust Property subject to levy or execution in respect thereof), where such obligation, liability or claim arises, directly or indirectly, out of or in connection with being or having been a trustee of the Trust, including (1) any action or failure to act by such Trustee in respect of their duties, responsibilities, powers, authorities and discretion under this Declaration of Trust, and (2) any depreciation of, or loss to, the Trust incurred by reason of the retention or sale of any Trust Property; provided that the limit of liability set forth in this Section 12.3(a) shall not apply if:
 - (i) the obligation, liability or claim arises from a criminal or administrative action or proceeding that is enforced by monetary penalty, and the Trustee did not have reasonable grounds for believing that his conduct was lawful; and
 - (ii) in all other circumstances other than that in subparagraph (i) above, the obligation, liability or claim arises from the breach by such Trustee of the standard of care and duty prescribed by Section 8.6.
- (b) Indemnity: If a Trustee is held liable to any person, or the Trustees' property or assets are subject to levy, execution or other enforcement, resulting in personal loss to the Trustee in circumstances where there is to be no liability on a Trustee pursuant to the provisions of this Declaration of Trust (including Section 12.3(a) above), then the Trustee shall be entitled to indemnity and reimbursement out of the Trust Property, in accordance with Section 12.6, to the full extent of such liability and the costs of any action, suit or proceeding or threatened action, suit or proceeding, including without limitation, the reasonable legal fees and disbursements of its legal counsel on a solicitor and client basis, and this indemnity shall survive the termination of this Declaration of Trust or the resignation of the Trustee.

12.4 Limitation of Liability and Indemnity of Administrator

(a) Limit on Liability: In addition to those limits on the liability of the Administrator as set forth in Section 12.2 or elsewhere herein, neither the Administrator, nor any director, officer, employee, consultant or agent thereof nor person serving or having served as a director or officer of any entity at the request of the Trust or Administrator (collectively, "Responsible Parties" and individually, "Responsible Party") shall have

any liability whatsoever (whether direct or indirect, absolute or contingent) in tort, contract or otherwise to any person (including the Trust, the Trustees or any Beneficiary), arising out of or incurred, directly or indirectly, in connection with being or having been the Administrator of the Trust, or a director, officer employee, consultant or agent thereof, or serving or having served as a director or officer of any entity at the request of the Trust or Administrator, except where such liability arises out of the wilful misconduct, fraud or gross negligence of a Responsible Party in which case such person(s) shall not be entitled to avail themselves of the benefit of this limitation of liability; and, except in such a circumstance, no Responsible Party will be subject to any personal liability for such aforesaid liabilities and the Trust will be solely liable therefore and resort will be had solely to the Trust Property for satisfaction of any such liabilities.

- (b) Indemnity: If, in circumstances where there is to be no liability on a Responsible Party pursuant to the provisions of this Declaration of Trust, a Responsible Party is held liable to any person, or its property or assets are subject to levy, execution or other enforcement resulting in loss to the Responsible Party, then the Responsible Party shall be entitled to indemnity and reimbursement out of the Trust Property, in accordance with Section 12.6, to the full extent of such liability and the costs of any action, suit or proceeding or threatened action, suit or proceeding, including without limitation, the reasonable legal fees and disbursements of its legal counsel on a solicitor and client basis.

No Beneficiary Liability: No Unitholder, Beneficial Unitholder, holder of Other Trust (a) Securities or annuitant (collectively, a "Beneficiary"), in their capacity as such, shall be subject to any liability whatsoever (whether direct or indirect, absolute or contingent) in tort, contract or otherwise, to any person and no resort shall be had to, nor shall recourse or satisfaction be sought from, the private property of any Beneficiary for any liability whatsoever in connection with the following (collectively, "Trust Liabilities"): (i) the Trust Property or the ownership, use, operation, acquisition or disposition thereof or the exercise or enjoyment of the rights, privileges, conditions or benefits attached thereto, associated therewith or derived therefrom; (ii) the obligations, liabilities, activities or affairs of the Trust; (iii) any actual or alleged act or omission of the Trustees, the Administrator or any other person in respect of the activities or affairs of the Trust (whether or not authorized by or pursuant to this Declaration of Trust); or (iv) except as otherwise provided in this Declaration of Trust, any taxes, levies, imposts or charges or fines, penalties or interest in respect thereof payable by the Trust or by the Trustees or the Administrator (on behalf of the Trust) in connection with the activities or affairs of the Trust, provided that each Beneficiary always remains responsible for (and shall not be indemnified from) any liability for taxes assessed against them by reason of or arising out of their ownership of Units or Other Trust Securities, and liabilities in respect of the breach of investment and other restrictions related to the ownership of the Units to which such Beneficiary may be subject as a result of applicable law, contract or otherwise, and other similar liabilities. No Beneficiary, in

its capacity as such, shall be liable to indemnify the Trustees or any other person with respect to any Trust Liabilities. The Trustees hereby waive to the maximum extent possible any right to indemnification which they may have against any Beneficiary under any applicable law.

(b) Indemnity: If, in circumstances where there is to be no liability on a Beneficiary pursuant to the provisions of Section 12.5(a), a Beneficiary shall be held liable to any person, or its property or assets are subject to levy, execution or other enforcement resulting in loss to such Beneficiary, then the Beneficiary shall be entitled to indemnity and reimbursement out of the Trust Property, in accordance with Section 12.6, to the full extent of such liability and the costs of any action, suit or proceeding or threatened action, suit or proceeding, including without limitation, the reasonable legal fees and disbursements of its legal counsel on a solicitor and client basis.

12.6 Indemnification and Reimbursement

- (a) Each person who is, or shall have been a Trustee, an Administrator, Responsible Party or a Beneficiary (collectively, an "Indemnified Party") shall be indemnified, saved harmless and reimbursed by the Trust out of the Trust Property (to the full extent thereof) in respect of any and all liabilities, costs, charges, damages and expenses (including judgments, fines, penalties, amounts paid in settlement, and reasonable legal fees and disbursements on a solicitor and client basis) incurred in connection with, or arising directly or indirectly out of, any action, suit or proceeding to which any such Indemnified Party may be subject or made a party to, if pursuant to Sections 12.3(b), 12.4(b) or 12.5(b) (as the case may be) such Indemnified Party is entitled to indemnification. An Indemnified Party shall not be entitled to satisfaction of any right of indemnity or reimbursement granted herein, or otherwise existing at law, except out of the Trust Property, and no Beneficiary or Trustee or former Trustee shall be personally liable to any Indemnified Party with respect to any claim for such indemnity or reimbursement.
- (b) For purposes of this Article 12, (i) "action, suit or proceeding" shall include every action, suit or proceeding (whether civil, criminal, administrative, investigative, or other) or other claim; (ii) the rights of indemnification conferred hereby shall extend to any threatened action, suit or proceeding or other claim; and (iii) advances in respect of the right to indemnification may be made by the Trust against costs, expenses and fees incurred in respect of the matter or matters as to which indemnification is claimed.
- (c) The foregoing right of indemnification shall not be exclusive of any other rights to which the Indemnified Party may be entitled as a matter of law or which may be lawfully granted to such person. The provisions of this Section 12.6 are severable, and if any provisions hereof shall for any reason be determined invalid or ineffective, the remaining provisions of this Declaration of Trust relating to indemnification and reimbursement shall not be affected thereby. This indemnity shall survive the termination of the Trust.

12.7 Further Limitation on Indemnification

Notwithstanding any other provisions of this Declaration of Trust:

- (a) There shall be no recourse to the Trust Property to reimburse any person for transfer or other taxes or fees payable on the transfer of Units or any income, fees or other taxes assessed against any person by reason of ownership or disposition of Units.
- (b) Whether any such losses or damages are foreseeable or unforeseeable, the Trustees shall not be liable under any circumstances whatsoever for any:
 - (i) breach by any other party of securities law or other rule of any securities regulatory authority;
 - (ii) lost profits of any party; or
 - (iii) special, indirect, incidental, consequential, exemplary, aggravated or punitive losses or damages incurred by any party.

12.8 Force Majeure

Except for the payment obligations of the Administrator contained herein, no party shall be liable to the other, or held in breach of this Declaration of Trust, if prevented, hindered, or delayed in the performance or observance of any provision contained herein by reason of act of God, riots, terrorism, acts of war, epidemics, governmental action or judicial order, earthquakes, or any other similar causes (including, but not limited to, mechanical, electronic or communication interruptions, disruptions or failures). Performance times under this Declaration of Trust shall be extended for a period of time equivalent to the time lost because of any delay that is excusable under this Section.

12.9 Extended Meanings

For the purposes of Sections 12.2 to 12.6 (inclusive) references to the Trustees and the Administrator shall be deemed to include their respective directors, officers, shareholders, agents and employees; provided, for greater certainty, that for purposes of these provisions neither the Administrator nor any sub-delegate thereof shall be considered an agent of the Trustee.

12.10 Exculpatory Clauses in Instruments

In respect of any obligations or liabilities being incurred by the Trust, a Trustee or the Administrator on behalf of the Trust, the Trustees and the Administrator shall make all reasonable efforts to include as a specific term of such obligations or liabilities a contractual provision substantially to the following effect:

The parties hereto acknowledge that [the Trustees] [the Administrator] are entering into this agreement solely [in their capacity as Trustees/Administrator] on behalf of the Trust and the obligations of the Trust hereunder shall not be personally binding upon [the Trustees] [the Administrator] or any Beneficiary of the Trust and that any recourse against the Trust [, the Trustees][, the Administrator] or any Beneficiary as defined in the Declaration of Trust in any manner in respect of any indebtedness, obligation or liability arising hereunder or arising in connection herewith or from the matters to which this agreement relates, including without limitation claims based on negligence or otherwise tortious behaviour, shall be limited to, and satisfied only out of, the Trust Property as defined in the Fourth Amended and Restated Declaration of Trust in respect of the Trust dated as of August 14[o], 201924, as from time to time amended, supplemented or restated.

The omission of such statement from any such document or instrument shall not render a Trustee, the Administrator or a Beneficiary liable to any person, nor shall a Trustee, the Administrator or any Beneficiary be liable for such omission. If, notwithstanding this provision, a Trustee, the Administrator or any Beneficiary shall be held liable to any person by reason of the omission of such statement from any such agreement, undertaking or obligation such Trustee, the Administrator or Beneficiary shall be entitled to indemnity and reimbursement out of the Trust Property to the full extent of such liability.

12.11 Execution of Instruments and Apparent Authority

Any instrument executed in the name of the Trust by any Trustee as trustee of the Trust, or on behalf of the Trust by the Administrator, shall constitute and shall be deemed to constitute a valid obligation of the Trust enforceable in accordance with its terms as if executed by the Trustees.

12.12 Interests of Consultants and Agents

Subject to any agreement to the contrary between the Trust and any consultant or agent of the Trust (including the Administrator), a consultant or agent of the Trust may, while so engaged and so long as it complies with this Declaration of Trust and any other applicable agreements:

- (a) acquire, hold and dispose of any property, real or personal, for its account even if such property is of a character which could be held by the Trust, and may exercise all rights of an owner of such property as if it were not a consultant or agent, as the case may be;
- (b) have business interests of any nature and may continue such business interests for its own account including the rendering of professional or other services and advice to other persons for gain; and
- (c) acquire, hold and sell Units or Other Trust Securities in its own capacity or as an affiliate of or fiduciary for any other person, or as an affiliate of any person who acquires, holds or sells Units, and may exercise all rights of a holder thereof as if it were not a consultant or agent of the Trust;

and such activities shall be deemed not to conflict with its duties as a consultant or agent of or to the Trust. Except as otherwise specifically agreed with the Trust, no consultant or agent of the Trust shall have any duty to present to the Trust any investment opportunity which it may receive in any capacity other than as consultant or agent of the Trust, and its failure to present to the Trust any such investment opportunity shall not make such consultant or agent liable in law or in equity, to pay, or account to the Trust, or to any Unitholder whether acting individually or on behalf of himself and other Unitholders as a class, for any benefit, profit or advantage derived therefrom.

ARTICLE 13 MANAGEMENT OF THE TRUST

13.1 Powers of Administrator

(a) Except as expressly prohibited by law, the Trustees may grant or delegate to any person (including the Administrator) such authority and such powers of the Trustees hereunder as the Trustees may deem appropriate, necessary or desirable to carry out and effect the actual management and administration of the duties of the Trustees under this

Declaration of Trust, without regard to whether such authority is normally granted or delegated by trustees.

- (b) The Administrator shall have the powers and duties as may be expressly contemplated for herein as well as and in the Administration Agreement and may be given, without limitation, the power to further delegate management and administration of the Trust, as well as the power to retain and instruct such appropriate experts or advisors to assist in the performance of those duties and obligations.
- (c) Without limiting the generality of the foregoing, the Trustees may grant broad discretion to the Administrator to administer and manage the Trust, to act as agent for the Trust, to execute documents on behalf of the Trust, and to make decisions on behalf of the Trust.

In the case of Units jointly owned, only one person will be recorded on the Register in respect of each such Unit unless the General Partner determines otherwise.

3.8 Use of Book-Entry System

The General Partner may, at any time that it so determines and without the necessity for any prior approval by Limited Partners, commence utilization of the Book-Entry System with respect the Common Units, Preferred Units or both, and thereupon the Units (whether Common Units, Preferred Units or both, as the case may be) shall be represented in the form of one or more global unit certificates which shall be registered in the name of, and deposited with, CDS or a nominee thereof (the "Depositary"), as custodian of such global unit certificate. Beneficial interests in such global unit certificate will be represented only through the Book-Entry System and transfers of Units between CDS Participants shall occur in accordance with the Depositary's rules and procedures.

Global unit certificate(s) shall be in such form as is from time to time authorized by the General Partner and may be in English only and may be engraved, printed or lithographed, or partly in one form and partly in another, as the General Partner may determine, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may be required hereunder, or as may be necessary to comply with applicable laws, or as may be determined by the General Partner. In connection with any removal, or request for removal, of any legend or endorsement on a global unit certificate(s), the General Partner shall be entitled to require, among other things, such declarations and such opinions, from appropriate persons, as it considers prudent or necessary.

3.9 Unit Certificates

At the sole discretion of the General Partner, the Partnership may issue certificates to evidence ownership of Units, with respect to each class or series of Units held thereby while not held within the Book-Entry System. If Unit certificates are issued then they shall be in such form as shall be approved from time to time by the General Partner and shall be signed manually or electronically by the General Partner.

With respect to each class or series of Units held thereby while not held within the Book Entry System. The General Partner shall issue to each Limited Partner, upon request, a Unit Certificate indicating that the holder thereof is the owner of the number of Units set out thereon. Every Unit Certificate must be signed by at least one officer or director of the General Partner. The validity of a Unit Certificate will not be affected by the circumstance that a person whose signature is so affixed thereon is deceased or no longer holds the office which he or she held when his or her signature in that office was authorized. If any Unit Certificate is lost, mutilated, stolen or destroyed, the General Partner shall, upon request by a Limited Partner, issue a replacement Unit Certificate to the Limited Partner upon receipt of evidence satisfactory to the General Partner of such loss, mutilation, theft or destruction, and upon receiving such indemnification (including an indemnity bond provided at the expense of the Limited Partner) as it deems appropriate in the circumstances. The General Partner, upon request by a transferee (subject to the Book Entry System not being applicable to such Units), shall issue a new Unit Certificate for any Units transferred. In the case of a transfer of less than all of the Units represented by a Unit Certificate, the General Partner, upon request by the transferor, shall issue a new Unit Certificate for the balance of the Units retained by the transferor.

Unit Certificates shall be in such form as is from time to time authorized by the General Partner, and may bear such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may be required hereunder or as the General Partner may consider necessary or desirable to comply with applicable law and the rules of any securities regulatory authority or marketplace, or as the General Partner may otherwise determine. In connection with any removal, or request for removal, of any legend or endorsement on the Unit Certificates the General Partner shall be entitled to require, among other things, such declarations as to residency and such opinions, from appropriate persons (including Limited Partners), as it considers necessary or desirable.

Until another form of Unit Certificate for the Common Units is authorized by the General Partner, the form of Unit Certificate set forth in Schedule A is hereby approved as the Unit Certificate for the Common Units.

Until another form of Unit Certificate for the Preferred Units is authorized by the General Partner, the form of Unit Certificate set forth in Schedule B is hereby approved as the Unit Certificate for the Preferred Units.

3.10 Register and Other Records

- (a) The General Partner will:
 - (i) maintain either directly or through an intermediary appointed by it a register (the "Register") and will record therein the full names and addresses of the Partners, the number of Units held by each Partner, whether each Partner is a limited or a general partner, particulars of registration and transfer of Units, and any Encumbrance in respect of any Unit (as permitted under this Agreement);
 - (ii) maintain and update the Register, the Certificate and such other records as may be required by law; and
 - (iii) from time to time make on behalf of the Partnership all filings with any governmental authority that are required to be made by the Partnership.
- (b) Upon receipt of any notice in writing from any Partner requiring the updating of the Register or the Certificate or any similar document or instrument or other filing under legislation similar to the Act in other provinces and territories, the General Partner will prepare, file and record such update in the Register, the Certificate or other document or instrument or other filing as it deems necessary or appropriate.
- (c) Registration of Units in the name of the person on the Register shall be conclusive evidence that such person is the legal owner of Units.

3.11 Inspection of Register

Any Partner, or agent of a Partner duly authorized in writing, will have the right to inspect and take extracts from the Register during normal business hours and upon payment of a reasonable fee to the General Partner to obtain a copy of the Register not more than five Business Days after filing a written request therefor with the General Partner at the registered office of the Partnership.

3.12 Restriction on Transfer of Units

- (a) No Partner may Transfer any of the Units owned by it except to persons and in the manner expressly permitted in this Agreement. Any attempted Transfer of Units made without compliance with, or in violation of, this Agreement will be null and void, and the General Partner will not approve any such Transfer of Units and will not register, or permit the registration of, any such Transfer on the Register.
- (b) No Unit may be Transferred except in conformity with the following provisions:
 - (i) A Partner wishing to Transfer any Units (the "**Transferring Partner**") must deliver to the General Partner a transfer form (in form acceptable to the General Partner) duly completed and executed by the Transferring Partner and the intended transferee of the Units (the "**Transferee**"). The form of transfer must specify, *inter alia*, the number of Units to be Transferred.
 - (ii) Units may not be Transferred to a person that is a "non-resident" of Canada within the meaning of the Income Tax Act or that is a "tax shelter" within the meaning of the Income Tax Act or an interest in which would be a "tax shelter investment" within the meaning of the Income Tax Act, and the Transferee must deliver to the General Partner

such instruments or other documents (including a statutory declaration of residency) as the General Partner may require to evidence the foregoing.

- (iii) Each Transferee must, unless already a party hereto, become a party to and must become bound by this Agreement, and in connection therewith each Transferee must deliver to the General Partner such instruments and other documents as the General Partner may request, including a duly authorized and executed signed counterpart of this Agreement, and no Transfer will be effective unless such instruments and other documents are delivered.
- (c) Where the Transferring Partner and the Transferee comply with all applicable provisions of this Agreement, the General Partner is authorized to admit, and the Limited Partners shall be deemed to consent to the admission of and will admit, the Transferee to the Partnership as a Limited Partner, without further acts of the Partners. A Transferee who becomes a Limited Partner will be subject to the obligations and be entitled to the rights of a Limited Partner under this Agreement according to the class or series of Units of which it is Transferee.
- (d) Notwithstanding anything herein contained, the General Partner may refuse to effect a Transfer if it determines that, among other things, giving effect to such Transfer may adversely affect the Partnership.

3.13 Liability on Transfer

Upon the Transfer of a Unit being recorded on the Register and the Transferee becoming a Limited Partner, the Transferring Partner of the Unit will be relieved of any further liability in respect of the Unit so Transferred that arises out of any matter occurring after the date on which the Transfer is recorded on the Register. Such Transferring Partner will, however, continue to remain liable for any agreed contribution to capital not yet paid, any contribution returned to such Transferring Partner by the Partnership to the extent required in accordance with the provisions of the Act, any additional contribution required to be made by such Transferring Partner to the extent required by operation of law, or for any default prior to amendment of the Register as to any obligation to the Partnership of such Transferring Partner under this Agreement in respect of the Unit so Transferred.

3.14 Encumbering of Units

Notwithstanding anything in this Agreement, at any time and from time to time any Partner may, upon prior written notice thereof to the General Partner, grant an Encumbrance on any or all of the Units held by it, directly or indirectly, to a person as security for any Debt of the Partner or any of its affiliates.

3.15 Fractional Units

Except with the prior consent of the General Partner, a Unit may not be divided or split into fractions and, except with the prior consent of the General Partner, the Partnership will not accept any subscriptions for or record any Transfer of any interest in less than a whole Unit. Subject to the foregoing, fractional Units may be issued, assigned and entered in the Register, and shall have attached thereto the rights, privileges, limitations, restrictions and conditions attaching to whole Units in the proportion that they bear to a whole Unit.

3.16 Insolvency or Bankruptcy

Where a person becomes entitled to a Unit on the insolvency or bankruptcy of a Partner, or otherwise by operation of law, in addition to any requirements of Section 3.12 that may be applicable, such entitlement will not be recognized or entered in the Register and no amendment to the Certificate will be made in respect of such entitlement until such person:

- (a) has produced evidence satisfactory to the General Partner of such entitlement;
- (b) has agreed in writing to be bound by the terms of this Agreement and to assume the obligations of the insolvent or bankrupt Partner under this Agreement and appoints the General Partner as such person's agent and lawful attorney upon the terms contained in the form of assignment prescribed by the General Partner and required to effect a Transfer of a Unit; and
- (c) has delivered such other evidence, approvals, and consents in respect of such entitlement as the General Partner may require and as may be required by law or by this Agreement.

3.17 Parties Not Bound to see to Trust or Equity

The General Partner will not be bound to take notice of or see to the execution of any trust (whether express, implied or constructive), charge, pledge or equity to which any Unit or any interest therein is subject, nor to ascertain or inquire whether any sale or assignment of any Unit or any interest therein by any Partner is authorized according to the terms of any trust, charge or pledge, nor to recognize any person as having any interest in the Unit except for the person recorded on the Register as the holder of such Unit. The receipt of the person in whose name any Unit is recorded on the Register will be a sufficient discharge for the payment, issuance or delivery of all monies, securities and other property paid, issued or delivered in respect of such Unit and from all liability therefor.

3.18 General Partner May Acquire Additional Units

The General Partner, subject to approval by the Common B Unitholders by Special Resolution, may subscribe for and acquire Units in addition to those acquired as referred to in Section 4.2, and in respect of any of such holdings appropriate entries will be made on the Register.

3.19 General Partner as a holder of Units

If the General Partner is shown on the Register and the Certificate as a holder of Units, the General Partner (irrespective of the fact that it is the general partner of the Partnership) will be entitled to all of the same rights to which any other holder of those Units would be entitled, provided that the General Partner will also have the rights, privileges and powers and will be subject to the limitations, restrictions, conditions and liabilities as a general partner of the Partnership. The General Partner is required at all times to own at least one Unit, but is not otherwise required to make any further Capital Contributions to the Partnership.

3.20 Tag-Along Rights

(a) In the event that any Common B Unitholder or group of Common B Unitholders (such holder or group of holders, the "Common B Selling Group") proposes to Transfer some or all of the Common B Units ("Offered Units") then held by the Common B Selling Group to any person dealing at arm's length with the Common B Selling Group ("Third Party Purchaser") pursuant to a *bona fide* offer from the Third Party Purchaser to purchase the Offered Units (the "Third Party Offer"), then the Common B Selling Group shall give written notice (a "Tag-Along

Notice") to all other Common B Unitholders (if any) stating: (i) the number of Offered Units proposed to be Transferred to the Third Party Purchaser; (ii) the proposed purchase price per Offered Unit; (iii) the date on which the proposed Transfer is to occur; (iv) all other material terms and conditions of the Third Party Offer; (v) that the Tag-Along Holder may exercise Tag-Along Rights in accordance herewith; and (vi) contact information for the Common B Selling Group to which notice of an exercise of Tag-Along Rights can be delivered.

- (b) If the number of Offered Units proposed to be Transferred by the Common B Selling Group to the Third Party Purchaser represents more than 50% of the Common B Units then outstanding, then the Tag-Along Notice shall also be given to the Common A Unitholders and the Common C Unitholders.
- (c) The Tag-Along Notice shall be sent to the General Partner and to each Tag-Along Holder not later than ten (10) Business Days before the date on which the proposed Transfer, pursuant to the Third Party Offer, of the Offered Units is to occur.
- (d) Each Tag-Along Holder may exercise its Tag-Along Rights by delivering to the Common B Selling Group, not later than five (5) Business Days before the date on which the proposed Transfer of the Offered Units is to occur, written notice stating that such Tag-Along Holder wishes to sell a number of Common A Units, Common B Units or Common C Units, as applicable, held by the Tag-Along Holder up to its Proportionate Interest (rounded down to the nearest whole number) (the "Tag-Along Units") on the same terms and conditions (including price per unit) offered to the Common B Selling Group pursuant to the Third Party Offer. Such notice shall be accompanied or promptly followed by Unit Certificates, if any, representing the Tag-Along Units to be sold by the Tag-Along Holder delivering the exercise notice and a form of assignment prescribed by the General Partner appointing each member of the Common B Selling Group as the Tag-Along Holder's true and lawful attorney and agent upon the terms contained therein and authorizing the Common B Selling Group to effect (and the Common B Selling Group shall act upon such authorization to effect) a Transfer of the Tag-Along Units on the same terms and conditions (including price per unit) offered to the Common B Selling Group pursuant to the Third Party Offer.
- (e) The Common B Selling Group shall not complete any sale of Offered Units to the Third Party Purchaser unless the Third Party Purchaser agrees to also purchase the Tag-Along Units from each Tag-Along Holder who validly exercises its Tag-Along Rights in accordance with this Section 3.20.
- (f) For certainty, completion of any Transfer of Units to a Third Party Purchaser in accordance with this Section 3.20 shall be subject to the requirements of Section 3.12.
- (g) Notwithstanding the foregoing, a Common B Selling Group shall not be required to give a Tag-Along Notice and otherwise comply with this Section 3.20 if the Common B Selling Group exercises its Drag-Along Rights pursuant to Section 3.21.

3.21 Drag-Along Rights

- (a) In the event that any Common B Selling Group proposes to Transfer its Offered Units to a Third Party Purchaser pursuant to Third Party Offer, then notwithstanding Section 3.20:
 - (i) the Common B Selling Group shall have the right to require all Common A Unitholders and Common C Unitholders to Transfer, in each case, to the Third Party Purchaser such

- number of Common A Units or Common C Units held by the Common A Unitholder or Common C Unitholder, as applicable, as is equal to its Proportionate Interest (rounded up to the nearest whole number); and
- (ii) if the number of Offered Units proposed to be Transferred by the Common B Selling Group to the Third Party Purchaser represents more than 50% of the Common B Units then outstanding, the Common B Selling Group shall have the further right to require all other Common B Unitholders (if any) to Transfer, in each case, to the Third Party Purchaser such number of Common B Units held by the other Common B Unitholder as is equal to its Proportionate Interest (rounded up to the nearest whole number),

(all such Common A Units, Common C Units and, as applicable, Common B Units required to be sold, collectively, the "Drag Along Drag-Along Units") on the same terms and conditions (including price per unit) offered to the Common B Selling Group pursuant to the Third Party Offer.

- (b) The Common B Selling Group may exercise its Drag-Along Rights by giving written notice (the "Drag-Along Notice") to the Common A Unitholders, Common C Unitholders and, if applicable, other Common B Unitholders holding Drag-Along Units stating: (i) the number of Offered Units proposed to be Transferred to the Third Party Purchaser; (ii) the proposed purchase price per unit; (iii) the date on which the proposed Transfer is to occur; (iv) all other material terms and conditions of the Third Party Offer; and (iv) that the Common B Selling Group is exercising its Drag-Along Rights in accordance herewith.
- (c) The Drag-Along Notice shall be sent to the General Partner and to each Drag-Along Holder not later than ten (10) Business Days before the date on which the proposed Transfer, pursuant to the Third Party Offer, of the Offered Units and, pursuant to the exercise of the Drag-Along Rights in connection therewith, the Drag-Along Units, is to occur.
- (d) Upon the Drag-Along Notice being given, each Drag-Along Holder shall be obligated to accept the Third Party Offer with respect to all Drag-Along Units held by them and to take all necessary action to dispose of their entire right, title and interest in and to the Drag-Along Units to the Third Party Purchaser on the same terms and conditions (including price per unit) offered to the Common B Selling Group pursuant to the Third Party Third Party Offer, and in connection therewith, upon the request of the Common B Selling Group and without cost or expense to the Common B Selling Group, the General Partner or the Partnership, to execute and deliver all such instruments of transfer and other documents and take all such other actions as may reasonably be requested by the Common B Selling Group in order to validly effect and record the sale of all such Drag-Along Units to the Third Party Purchaser in a timely fashion (including the exercise of any voting rights or privileges attached to any Drag-Along Units to the extent necessary to facilitate completion of the transaction). For this purpose, each Drag-Along Holder irrevocably makes, constitutes and appoints each member of the Common B Selling Group as its true and lawful attorney and agent, with full power of substitution, in its name, to accept the Third Party Offer with respect to all Drag-Along Units held by it and execute and deliver all such instruments of transfer and other documents and take all other actions in each case to give effect to such acceptance, to establish a binding contract of purchase and sale between it and the Third Party Purchaser with respect to all Drag-Along Units held by it, and to complete the purchase and sale contemplated thereunder. Such appointment is irrevocable, is a power coupled with an interest, and shall not be revoked by the insolvency, bankruptcy, death, incapacity, dissolution, liquidation or other termination of the existence of any Drag-Along Holder.

(e) For certainty, completion of any Transfer of Units to a Third Party Purchaser in accordance with this Section 3.21 shall be subject to the requirements of Section 3.12.

ARTICLE 4 CAPITAL CONTRIBUTIONS AND ACCOUNTS

4.1 Partnership Capital

The capital of the Partnership under the Act consists of the aggregate of all sums of money or other property contributed by the Partners as Capital Contributions and not withdrawn or returned to them.

4.2 Capital Contribution by the General Partner

Pursuant to the Original Limited Partnership Agreement, the General Partner contributed one dollar (\$1.00) to the capital of the Partnership concurrent with execution of the Original Limited Partnership Agreement and was issued one Common A Unit-of the Partnership.

4.3 Capital Contributions of the Founding Limited Partners

Pursuant to the Original Limited Partnership Agreement:

- (a) Tisdale Family Trust, as a founding limited partner, contributed three dollars (\$3.00) to the capital of the Partnership concurrent with execution of the Original Limited Partnership Agreement and was issued three (3) Common B Units of the Partnership.
- (b) Hruska Family Trust, as a founding limited partner, contributed three dollars (\$3.00) to the capital of the Partnership concurrent with execution of the Original Limited Partnership Agreement and was issued three (3) Common B Units of the Partnership.
- (c) Each of J1 Trust, Lexbury Family Trust and Tooth Family Trust, as founding limited partners, contributed one dollar (\$1.00) to the capital of the Partnership concurrent with execution of the Original Limited Partnership Agreement and was issued one (1) Common B Unit—of the Partnership.

4.4 Capital Accounts and Capital Account Balances

Each Partner (being the General Partner and each of the Limited Partners) shall have a separate capital account maintained by the Partnership which will be credited with Capital Contributions by such Partner and which will be debited with the amount of any Capital Contribution withdrawn or returned from time to time by the Partnership to the Partner (such balances being the "Capital Account Balances"). The interest of a Partner in the Partnership will not terminate by reason of a Partner having a negative or nil balance in any accounts maintained on its behalf in the books of the Partnership, including any Capital Account Balance. No Limited Partner shall be responsible for any losses of any other Limited Partner, nor share in the allocation of income or loss attributable to the Units of any other Limited Partner. The Partnership will not pay interest on any Capital Account Balance or Capital Contribution of a Partner. Except as provided in this Agreement or the Act, no Limited Partner is required to pay interest to the Partnership on any Capital Contribution returned to the Limited Partner or on any negative Capital Account Balance.

4.5 Current Accounts

A separate current account will be established and maintained in the accounting records of the Partnership for each Partner, which account will be credited by the amount of any Net Income allocated to such Partner and will be debited by the amount of any Net Loss allocated to the Partner and by the amounts distributed to such Partner other than distributions as returns of capital.

4.6 Set-Off Against Unpaid Capital Contribution

The Partnership may set-off against and withhold from any amount that would otherwise be distributed to a Limited Partner, any amount that may be due and owing to the Partnership on account of any unpaid portion of a Capital Contribution of such Limited Partner or to eliminate a negative Capital Account Balance.

4.7 Restriction on Withdrawals

No Partner will have any right to withdraw any amount or receive any distribution from the Partnership except as expressly provided in this Agreement and as permitted by law. All Partners shall look solely to the assets of the Partnership for the return of their respective capital or any other distributions. If assets remaining after payment or discharge, or provision for payment or discharge, of the debts and liabilities of the Partnership are insufficient to return the Capital Contributions or to make any other distribution to the Partners, no Partner shall have any recourse against the personal assets of any other Partner for that purpose, except in respect of any applicable obligations of the Partners pursuant to Sections 2.13, 2.14 and 2.15.

ARTICLE 5 ALLOCATIONS, DISTRIBUTIONS AND RELATED MATTERS

5.1 Allocation of Net Income and Net Loss

Subject to Section 5.2, the Net Income or Net Loss of the Partnership (as the case may be) for each Fiscal Year, as well as its income or loss from a particular source or a source in a particular place, and its capital gains and capital losses, shall each be allocated among the Limited Partners by the General Partner in a manner consistent with the distribution provisions set out in this Article 5. In so allocating Net Income or Net Loss, the General Partner shall act reasonably and fairly, taking into account the amount, timing and underlying character or source (whether as income or capital) of the actual distributions to each of the Partners with a view to ensuring that, over the term of the Partnership, each Partner is allocated a portion of the Net Income or Net Loss that substantially corresponds to the amounts that are and are anticipated to be distributed to that Partner.

5.2 General Partner Discretion in Allocation

The General Partner has the discretion, in allocating Net Income and Net Loss among Limited Partners, to take into account revenue and expenses on a daily, incremental basis to give effect to an appropriate allocation among Limited Partners after taking into consideration any matters that may be relevant. Adjustments may be made in respect of revenue earned or expenses incurred prior to the time each Limited Partner became a Limited Partner and adjustments may be made in respect of fees paid in years prior to the year in which the Limited Partner became a Limited Partner. The General Partner shall also have the discretion to allocate revenues and expenses among Limited Partners to take into account

differences that may arise as a result of the acquisition or sale of Units at one or more different times in a year or in different calendar years.

5.3 Distributable Cash

The "Distributable Cash" for, or in respect of, a Distribution Period shall be equal to (without duplication):

(a) all cash or cash equivalents which are received by the Partnership for, or in respect of, such Distribution Period, including amounts on account of interest, income, dividends, returns of capital, amounts paid on debt held by the Partnership, capital gains, and such other amounts as may be determined from time to time by the General Partner to be included in "Distributable Cash" (which may include amounts taken, in the discretion of the General Partner, out of the Partnership's reserves as well as amounts from the proceeds of any debt or equity financing by the Partnership);

less the sum of:

- (b) all amounts paid on account of expenses and liabilities for, or in respect of, such Distribution Period as well as an amount for all expenses and liabilities of the Partnership which, in the opinion of the General Partner, may reasonably be considered to have accrued and become owing in respect of, or which relate to, such Distribution Period or a prior Distribution Period if not accrued in such prior period including, without limitation, any accrued liability in respect of undeclared and accumulated distributions on the Preferred Units;
- (c) all amounts which relate to the repayment, during the Distribution Period, of any amount (principal or interest) in respect of any indebtedness of the Partnership;
- (d) all cash amounts used during such Distribution Period for or in connection with loans, advances, investments or other acquisitions of assets by the Partnership;
- (e) the aggregate amount of all cash amounts used, or to be used, in respect of the redemption or repurchase of Preferred Units and/or Common A Units called for redemption or repurchase;
- (f) any amount, in addition to those amounts set forth in Sections 5.3(b) to 5.3(d) (inclusive), which the General Partner may reasonably consider to be necessary to provide for (1) the payment of any liabilities which have been or will be incurred by the Partnership to the extent that such liabilities have not otherwise been taken into account in determining the Distributable Cash hereunder, or (2) for pursuing any purpose or activity of the Partnership; and
- (g) an amount, as determined in the discretion of the General Partner, for reasonable reserves (or increases thereto) to be maintained in connection with the prudent operation of the Business of the Partnership.

5.4 Distributions on Units

- (a) Discretionary Distributions to Unitholders:
 - (i) Holders of Units shall be entitled to receive distributions if, as and when declared by the General Partner.

(ii) The General Partner, in respect of any Distribution Period, may in its discretion declare payable to holders of Units of record as at the close of business on the Distribution Record Date for such Distribution Period, all or any part of the Distributable Cash for such Distribution Period (such aggregate amount as so declared being herein referred to as the "Distribution Amount").

(b) Distribution Policy

- (b) <u>Distribution Policy:</u> All distributions of the Distribution Amount shall be made in accordance with the following order of priority and, in all cases, without duplication:
 - (A) First, the General Partner will, to the extent possible based on the amount of the Distribution Amount, pay to the Preferred Unitholders an amount equal to the outstanding and accrued Preferred Return with respect to each such Preferred Unit. If the Distribution Amount is not sufficient to pay all outstanding and accrued Preferred Returns on all Preferred Units, then each Preferred Unit shall receive an amount equal to such Preferred Unit's pro rata portion of the Distribution Amount based on the outstanding and accrued Preferred Return owed to such Preferred Unit relative to the aggregate outstanding and accrued Preferred Returns owed to all Preferred Units.
 - the holders of Preferred Units issued and outstanding on the Distribution Record Date for a particular Distribution Period shall be entitled to an equal proportionate share of a portion of the Distribution Amount determined by the General Partner, which share shall be determined by dividing such amount determined by the General Partner by the number of Preferred Units issued and outstanding as of the Distribution Record Date; and
 - (ii) (B) Second, the remaining Distribution Amount shall be distributed to the holders of Common A Units and Common B Units and Common C Units. Each Common A Unit, Common B Unit and Common C Unit issued and outstanding on the Distribution Record Date for a particular Distribution Period shall be entitled to an equal proportionate share of the remaining Distribution Amount, which share shall be determined by dividing the remaining Distribution Amount by the number of Common A Units, Common B Units and Common C Units issued and outstanding as of the Distribution Record Date.

For greater certainty, the General Partner shall not make a distribution to holders of Common Units pursuant to paragraph (ii) for so long as any Preferred Unit is issued and outstanding.

- (c) Distribution Period: The distributions per Unit payable to holders of Units in respect of a Distribution Period shall be paid in cash on or before the Distribution Payment Date which immediately follows a Distribution Record Date attributable to such Distribution Period, provided that if the Distribution Record Date is on or after October 1 in any calendar year then the distributions payable to holders of Units in respect of such distributions for the Distribution Period pertaining to such Distribution Record Date shall be due and payable as of 5:00 p.m. (Calgary time) on December 31 in such year and shall be paid forthwith.
- (d) Change of Distribution Period: The Distribution Period in respect of the Units may be changed at any time, and from time to time, by the General Partner in its discretion and without notice to the Unitholders.

5.5 Record Date and Payment Date

For greater certainty, distributions that are paid after the end of any Fiscal Year, but that are payable on or before the end of that Fiscal Year, will be deemed to be distributions with respect to that Fiscal Year for purposes of this Agreement.

5.6 Manner of Payment

Distributions payable pursuant to Section 5.4 will be paid in cash by cheque or electronic funds transfer. Any payment of cash by the General Partner to a Partner pursuant to this Agreement will be conclusively deemed to have been made upon mailing of, in the case of payment by a cheque, upon the mailing of the cheque in a postage pre-paid envelope, addressed to the Partner at the Partner's last address appearing in the Register, unless such cheque is dishonoured upon presentment, or in the case of payment by an electronic funds transfer, upon receipt by the Partnership of confirmation of completion of such electronic funds transfer to the bank account of the Partner at its last bank account provided to the Partnership by the Partner. Upon such payment, the General Partner will be discharged from all liability to the Partner in respect of such payment; provided, however, that if such cheque is lost or destroyed then, upon the presentation of evidence satisfactory to the General Partner of such loss or destruction, together with such indemnity as the General Partner may reasonably require, the General Partner will issue a replacement cheque to the Partner. Notwithstanding the foregoing, the General Partner, in lieu of forwarding or, causing to be forwarded a cheque or completing an electronic funds transfer, may enter into an agreement with a Partner providing for the payment to such Partner of amounts hereunder by electronic funds transfer or by any other method at a place or places other than the place or places specified herein. Any payment of any cash amount pursuant to such agreement will, notwithstanding any other provision of this Agreement, be valid and binding on the General Partner, the Partnership and the relevant Partner.

For greater certainty, the General Partner will not make any distribution if, as a result thereof, the assets of the Partnership would be insufficient to discharge the liabilities of the Partnership. No holder of a Unit will be entitled to recover by action or other legal process against the Partnership any distribution that is represented by a cheque that has not been duly presented to the Partnership's bankers for payment or that otherwise remains unclaimed for a period of two years from the date on which such distribution was payable. Such payment, in such circumstances, will be deemed to have been forfeited to the Partnership.

5.7 Repayments and Lien

If any Limited Partner receives a distribution of Distributable Cash or otherwise receives monies from the Partnership which exceed its entitlement hereunder, then that Limited Partner shall forthwith repay to the Partnership such excess amount upon demand by the General Partner and, in the absence of such repayment, the Partnership shall be entitled to deduct such excess amount from any subsequent distribution from the Partnership to such Limited Partner. Further, where any Limited Partner is indebted to the Partnership for any reason, the General Partner, on behalf of the Partnership, shall be entitled to deduct such indebtedness in whole or in part from any distribution such Limited Partner would otherwise be entitled to hereunder. In the event that a Limited Partner is indebted to the Partnership for any reason, the Partnership shall have, without the necessity of any notice, demand, formality or act whatsoever, a lien and security interest against and in respect of the Units and other securities of the Partnership (if any) registered in the name of or beneficially owned by that Limited Partner and the Partnership shall be entitled to take all actions, in accordance with law, to protect and enforce such lien or security interest.

5.8 Set-Off

The Partnership may set off any of its obligations to make payment of distributions to any of the Limited Partners against any liabilities or obligations of such Limited Partner to the Partnership, including those pursuant to Section 5.7 above.

ARTICLE 6 REDEMPTION

6.1 Right of Redemption by the Partnership and by Holders of Units

- (a) The Partnership is entitled at any time and from time to time, in accordance with the terms and conditions set forth in this Article 6, to redeem all or any part of the issued and outstanding Preferred Units, provided that any such redemption is made in accordance with Section 6.3(a).
- (b) For so long as the Preferred Units are not a security that is an "exchange-traded security" or a "foreign exchange-traded security" (as those terms are defined in National Instrument 21-101 of the Canadian Securities Administrators), each Preferred Unitholder shall be entitled to require the Partnership to redeem at any time and from time to time at the demand of the holder, in accordance with the terms and conditions set forth in this Article 6, all or any part of the Preferred Units registered in the name of the Preferred Unitholder.
- (c) In the event that any Preferred Units are redeemed by the Partnership pursuant to Section 6.1(a) or , any Common A Units that were issued in connection with the Preferred Units being redeemed shall be retained by the former Preferred Unitholder.
- In the event that any Preferred Units are tendered for redemption by a Preferred Unitholder (d) pursuant to Section 6.1(b) (including for greater certainty, a redemption by the Trust), the Partnership is entitled to also redeem any Common A Units that were issued in connection with the Preferred Units being redeemed (including for greater certainty, Preferred Units that were issued to the Trust in connection with the issuance by the Trust of preferred units of the Trust), in accordance with the terms and conditions set forth in this Article 6. In the event that less than all of the Preferred Units held by a Preferred Unitholder (and where the Preferred Unitholder is the Trust, less than all of the Preferred Units that were issued to the Trust in connection with subscriptions of preferred units of the Trust by a particular unitholder of the Trust) are redeemed pursuant to Section 6.1(a) or 6.1(b), then the Partnership may redeem up to such number of Common A Units that were issued in connection with such Preferred Units, which number shall be determined by multiplying the number of Common A Units that were issued in connection with the Preferred Units being redeemed by a fraction, (A) the numerator of which is the number of Preferred Units held (or to be held) by such Preferred Unitholder (or a particular unitholder of the Trust, as applicable) subsequent to the redemption; and (B) the denominator of which is the number of Preferred Units held by such Preferred Unitholder (or a particular unitholder of the Trust, as applicable) immediately prior to such redemption.

No form or manner of completion or execution shall be sufficient unless the same is in all respects satisfactory to the General Partner and is accompanied by any further evidence that the General Partner may reasonably require with respect to the identity, capacity or authority of the person giving such notice. The Partnership shall pay the Redemption Price (as defined below) in respect of such Redemption Units accepted for redemption within thirty (30) days after receipt of such notice.

Preferred Units shall be considered to be tendered for redemption on the date the Partnership has, to the satisfaction of the General Partner, received the notice, Unit Certificates, if any, and all other required documents or evidence as aforesaid.

In the case of the mailing of such Redemption Notice, it shall (subject to the consent of any particular holder referred to above) be mailed by letter, postage prepaid, addressed to each such holder at the holder's address as it appears on the records of the Partnership or in the event of the address of any such holder not so appearing then to the last known address of such holder; provided, however, that accidental failure or omission to give any such Redemption Notice to one or more of such holders shall not affect the validity of such redemption. Such Redemption Notice shall set out the Redemption Price, the date on which redemption is to take place, and if only a part of the Preferred Units or Common A Units held by the person to whom the Redemption Notice is addressed is to be redeemed, the number thereof so to be redeemed. On or within thirty (30) days after the date so specified for redemption, the Partnership shall pay or cause to be paid to or to the order of the holders of the Redemption Units the Redemption Price thereof on presentation and surrender at the registered office of the Partnership or any other place designated in the Redemption Notice of the and the Unit eCertificates representing the Redemption Units, if any, shall be considered null, void and of no force and effect. 6.6 Fair Market Value

- (a) The fair market value of Partnership Property distributed *in specie* as part of the Remainder Amount in satisfaction of the Redemption Price of any Redemption Units pursuant to Section 6.5, as at the date upon which such Redemption Units were tendered for redemption, shall be determined by the General Partner in its sole discretion, acting reasonably, provided that in the event that such Partnership Property consist of securities ("Listed Securities") that are listed, traded or quoted on a stock exchange or market which the General Partner consider, in their sole discretion, provides representative fair market value prices for such Partnership Property (such exchange or market being herein referred to as the "Principal Market"), then the fair market value of such Listed Securities shall be the "market price" of such Listed Securities, as determined on the Principal Market on which such Listed Securities are listed and/or quoted for trading during the period of the last ten (10) trading days immediately prior to the date on which the Redemption Units were tendered for redemption.
- (b) For the purposes of this Section 6.6, the "market price" of a Listed Security shall be: (i) an amount equal to the volume weighted average trading price of such Listed Security for each of the ten (10) trading days referred to in Section 6.6(a); (ii) if the Principal Market does not provide information necessary to compute a volume weighted average trading price, an amount equal to the volume weighted average of the closing prices of such a Listed Security for each of the ten (10) trading days on which there was a closing price; provided that if the Principal Market does not provide a closing price, but only provides the highest and lowest prices of such Listed Securities traded on a particular day, the "market price" shall be an amount equal to the volume weighted average of the average of the highest and lowest prices for each of the trading days on which there was a trade; and (iii) if there was trading on the Principal Market for fewer than five (5) of the ten (10) trading days, the "market price" shall be the volume weighted average of the following prices established for each of the ten (10) trading days; (1) the average of the last bid and last asking prices for each day on which there was no trading; (2) the closing price of such Listed Security for each day that there was trading if the Principal Market provides a closing price; and (3) the average of the highest and lowest prices of such Listed Security for each day that there was trading, if the Principal Market provides only the highest and lowest prices of such Listed Securities traded on a particular day.

6.7 Suspension of Redemption Rights in Certain Circumstances

- The General Partner may, as an extraordinary measure, from time to time, suspend the (a) redemption of Units or payment of redemption proceeds if the General Partner determines the suspension to be appropriate in the circumstances. Examples of circumstances which may require a suspension of redemptions include, without limitation, if the General Partner reasonably determines that: (i) the Partnership's assets are invested in such a manner so as to not reasonably permit immediate liquidation of sufficient assets: (ii) there exists a state of affairs that constitutes circumstances under which liquidation by the Partnership of part or all of its investments is not reasonable or practicable, or would be prejudicial to the Partnership or Unitholders generally; (iii) not suspending redemptions would have an adverse effect on continuing Unitholders; or (iv) it is unable to value the assets of the Partnership. The General Partner may also suspend the redemption of Units upon an announcement by the General Partner that the Partnership will be dissolved. For greater certainty, the intention of this provision is not to generally restrict the ability of Unitholders to redeem Units, but rather to permit the General Partner to protect the Partnership and/or its Unitholders from the harm that would be caused by permitting redemptions when extraordinary and unusual circumstances are present.
- (b) With respect to any suspension as a result of Section 6.7(a) hereof, such suspension shall also apply to all requests for redemption received prior to the suspension date but as to which payment has not been made, as well as to all requests received while the suspension is in effect. All Unitholders making such requests shall be advised of the suspension by the General Partner. During the suspension period, requests for redemptions of Units may be withdrawn. To the extent that a request for redemption is not withdrawn, such request will be acted upon on the first beginners depay following the recommencement of redemptions, as determined by the General Partner. All such non-withdrawn requests for redemption shall be treated on a *pro rata* basis regardless of when the original notice of redemption was provided.
